A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

> On lot 777 you bid $325. If the next highest mail bid is $260 the lot will be opened to floor bidders at $275. If no one bids higher ($300) from the floor you will be awarded the lot at $275. If we receive a bid of $300 from the floor, the book (your bid) will bid $325 for you. If the floor action stops here you will be awarded the lot at your full bid of $325. Should the bidding proceed past $325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

We would also like to thank Rich Jacaruso, and Dan Glazer for their hard work and long hours and Jane Pfisterer for her tireless typing abilities.

Thank you, friends and colleagues,

Len, Allen, and Kevin

EXPERIMETNAL NOTE

3042 **Possibly Unique Paper Sizing Test Note.** Printed in black on the face and green on the back, this note, which is just slightly larger than our current currency is a Bureau product produced between 1929 and 1943. According to Gene Hessler in his U.S. Essay Proof and Specimen Notes, where he mentions this note as Ex-10 this piece could be one of the test pieces sent to the Bureau of Standards in 1931. It was last offered in the 1983 ANA Sale and has been off the market since that time. It was unique up until then and to our best knowledge no other has surfaced in the intervening 13 years. A difficult item to estimate, but of great interest to the serious currency collector. We will venture a guess of… (1250-up)

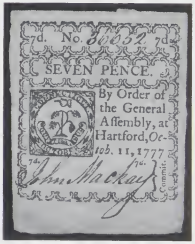
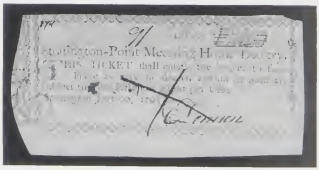
COLONIAL CURRENCY

CONNECTICUT



15 **Connecticut October 11, 1777 7d About New.** This example is printed on blue paper and is not cancelled, making it an unusual find as most have been cancelled. (125-up)



16 **Connecticut Stonington-Point Meeting House Lottery Ticket.** A scarce Colonial ticket seldom seen in any condition. This one is essentially as issued. It is identical to Lot 14 of our October sale, although from a totally different source. This particular ticket shows an additional row of fancy border ornaments at the left. (250-up)

17 **Three High Grade Connecticut Notes.** A 20s and a 2s6d both from the July 1, 1780 issue; both **New** but slit cancelled, and a 1s3d from the June 19, 1776 issue also **New** and slit cancelled but with a glue stain along the slit from an attempted repair. (3 pieces) (150-up)

DELAWARE

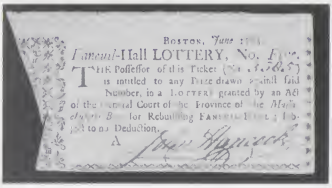
18 **Delaware January 1, 1776 4s About New.** Broadly margined and extremely attractive. (100-up)

GEORGIA

19 **Georgia June 8, 1776 $7 Very Good-Fine.** (125-up)

MASSACHUSETTS

Signed by John Hancock



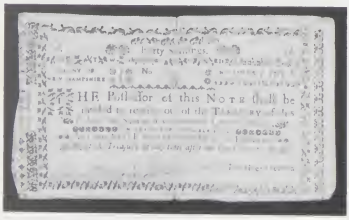
20 **John Hancock Signed Lottery Ticket.** A June 1765 lottery ticket for the rebuilding of Faneuil-Hall. It is boldly signed by John Hancock, whose distinctive signature on the Declaration of Independence gave rise to the nickname by which all signatures are still known. The lottery ticket itself shows a large portion of its indent and an Extra Broad top margin, apparently from the top of the sheet. This is the first opportunity we have had to offer a John Hancock signature. (5000-up)

21 **Massachusetts October 16, 1776 8d Very Fine.** Printed by Paul Revere. These have been very popular of late and this is a nice, inexpensive representative example. (300-up)

22 **Massachusetts October 16, 1778 2s Very Fine.** A nice example of this extremely popular Codfish note, the face of which was engraved and printed by Paul Revere. (300-up)

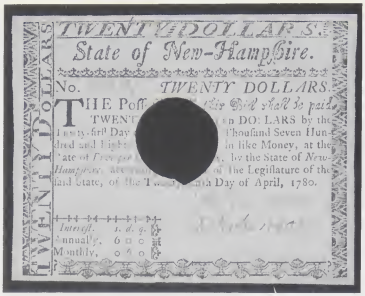
23 **Massachusetts 1779 1s Very Good-Fine.** Although well circulated, all the printing is clear. This note, which was engraved by Paul Revere, is the only denomination of the 12 to show a pine tree along with the rising sun. (150-up)

NEW HAMPSHIRE



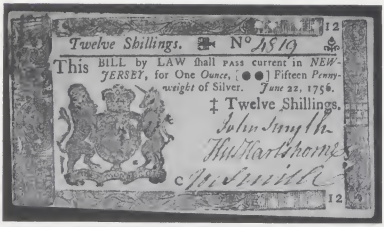
24 **New Hampshire November 3, 1775 40s Very Fine.** There are several splits and the note is backed with a contemporary Colonial newspaper. As this is a uniface note, the backing does not interfere with any design elements. The overall appearance is quite decent. (200-up)

25 **New Hampshire April 29, 1780 $5 Extra Fine.** Hole cancelled as almost always, with a nickel-sized hole. (200-up)

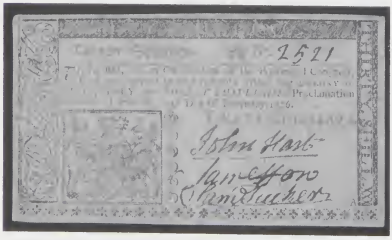


26 **New Hampshire April 29, 1780 $20 Very Choice New.** In spite of the typical large hole cancel, this is one of the nicest New Hampshire notes we have seen. It is fully signed, including the guarantee which is signed in red by Jno. Taylor Gilman. (500-up)

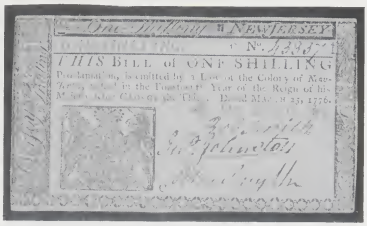
NEW JERSEY



27 **New Jersey June 22, 1756 12s Choice New.** Very well printed for the issue, exhibiting three strong signatures and the typically skewed cutting job. This is a very early note to find in this nice shape. (200-up)



28 **New Jersey February 20, 1776 30s Extra Fine.** Boldly and clearly signed by John Hart, one of the signers of the Declaration of Independence. This is a much scarcer issue, not to be confused with the common March, 1776 issue. (350-up)



29 **New Jersey March 25, 1776 1s Very Choice New.** (100-up)

30 **New Jersey March 25, 1776 1s About New.** (50-up)

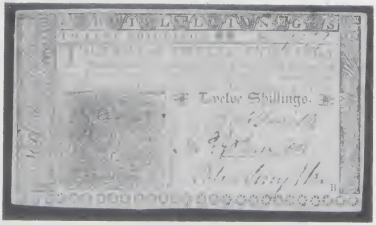
38 **New Jersey March 25, 1776 6s Choice New.** (80-up)



39 **New Jersey March 25, 1776 12s Gem New.** An absolute beauty, as crisp and perfect as can be, with margins all the way around on both sides. (150-up)

40 **New Jersey March 25, 1776 12s Very Choice New.** (100-up)

41 **New Jersey March 25, 1776 12s Choice About New.** (50-up)

43 **New Jersey March 25, 1776 15s Choice About New.** (50-up)

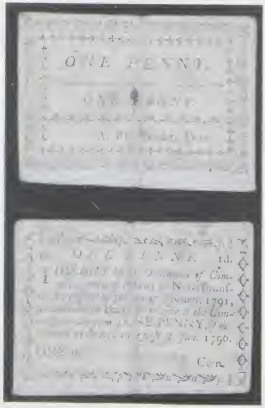
45 **New Jersey March 25, 1776 30s Choice New.** (100-up)



46 **New Jersey January 1, 1796 1 Penny City of New Brunswick Fine-Very Fine.** Signed and issued, and particularly rare as such. All four denominations are primarily known from a group of waterstained remainder notes. This solid circulated note is the only issued piece we can ever recall seeing — and a major New Jersey rarity. (600-up)

47 **New Jersey Mixed Colonials.** January 22, 1756 12s **Extra Fine**. May 1, 1758 30s **Fair**. April 16, 1764 30s **Fair** and December 31, 1763 18d **Fine**. (4 pieces) (100-up)

74 **South Carolina February 8, 1779 $100 Very Fine.** A well-printed, good looking example of this scarcer denomination, which has an elaborately engraved reverse design done by Thomas Coram. The note has a tear which has been closed by Scotch tape and is barely visible. (200-up)

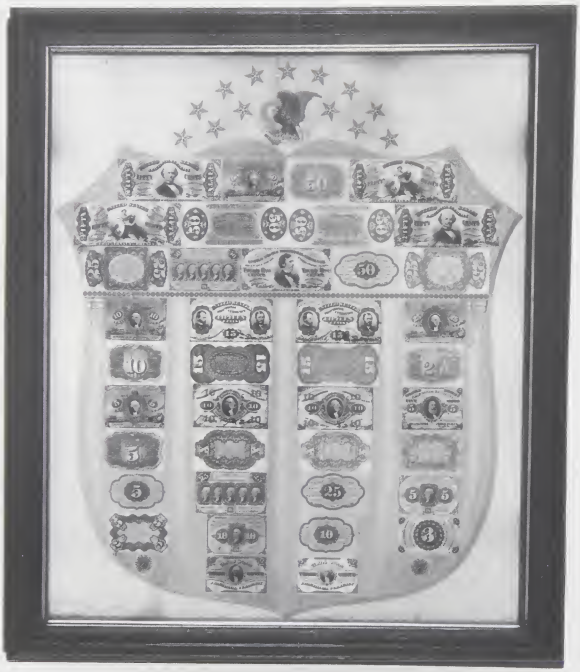
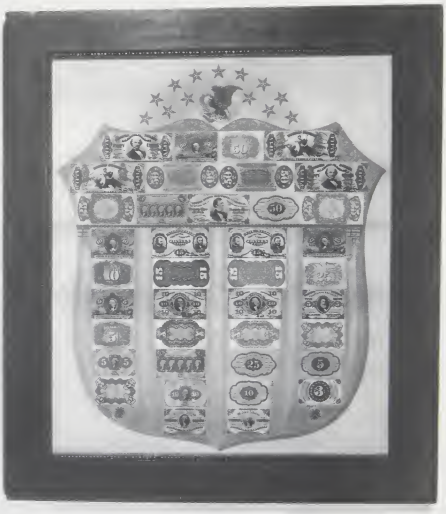
EXCESSIVELY RARE

GREEN FRACTIONAL CURRENCY SHIELD

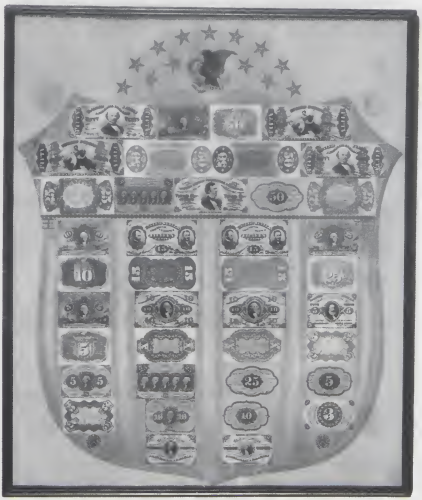


82 **Green Fractional Currency Shield.** This is the first green Fractional Currency Shield that we have had the pleasure of offering in any of our sales and it is a beauty. But for a few unobtrusive water stains at the very edges and two light crinkles running horizontally through the body, this extremely rare green shield is flawless. It is one of less than a dozen known to exist, most of which this cataloger has examined, and is decidedly the second finest we have seen. The green color is striking and obvious and sets off the brightly colored notes to their best possible advantage. Only the 25¢ Second Issue back has changed color as always on these shields. The shield is mounted in a period frame with a wooden back and is covered by glass that appears contemporary based on its minor manufacturing defects. We are proud to have the privilege of offering this magnificent piece of history to the collecting public. (15,000-up)

GRAY FRACTIONAL CURRENCY SHIELDS



83 **Gray Fractional Currency Shield.** An exceptionally nice shield affected only by two minor water stains, both of which are very light and neither of which reaches any elements of the shield. Save for these two minor stains, the shield is flawless — without a hint of a fold, tear or soil. All of the notes are beautifully bright with the exception of, as always, the 25¢ Second Issue back. Three of the hand-signed notes are the Jeffries-Spinner combination and the 10¢ is the Colby-Spinner combination. An unusual feature of this shield is the bronzing on the 25¢ Third Issue Fessenden. The bronze surcharge on the face is so far off center that the right hand one intrudes onto Fessenden's face and the left hand one goes well off the edge of the note. We have not seen this on any previous specimen note let alone one mounted on a shield. The shield is mounted in an antique frame, different from those usually seen that could be contemporary to the period. (3500 up)



84 **Gray Fractional Currency Shield.** Another particularly nice shield, free of water stains and folds, and with all the notes brighter than usually encountered. All the notes retain their original colors except for the 25¢ Second Issue back whose ink is particularly light-sensitive and always turns a shade of blue, green or gray on shields. All four hand-signed notes are the Jeffries-Spinner signature combination. The shield is clean out to its original edges and is mounted in a thin wood frame of a later period. (3500-up)

EXPERIMENTALS

85 **Experimental 10¢ Second Issue Superb Gem New.** V-212 Milton 2E10F.2a. A much scarcer Experimental denomination, particularly so in flawless top grade. We cannot recall seeing a 10¢ Experimental quite this nice. (500-up)

86 **Experimental 10¢ Second Issue Choice New.** V-214 Milton 2E10F.4. This is a much scarcer variety and a very nice example. There is an as-made line in the paper that appears to be a fold but is not. (325-up)

87 **Experimental 25¢ Second Issue Gem New.** V-218 Milton 2E25F.3b. A lovely example of this slightly scarcer note. (275-up)

88 **Experimental 25¢ Second Issue Gem New.** V-219 Milton 2E25F.3c. This is one of the more common Experimental notes but a particularly good-looking example of the number. (225-up)

89 **Experimental 25¢ Second Issue Gem New.** V-219 Milton 2E25F.3. One of the most common experimentals, but brighter and better centered than the great majority. (200-up)

90 **Experimental 25¢ Second Issue Gem New.** V-219 Milton 2E25F.3c. The single most common Experimental. (200-up)

91 **Experimental 25¢ Second Issue Choice New.** V-219 Milton 2E25F.3c. A nice example of this most common Experimental. (150-up)

92 **Experimental 25¢ Second Issue Choice New.** V-219 Milton 2E25F.3c. Identical to the above. (150-up)

93 **Experimental 25¢ Second Issue Choice New.** V-219 Milton 2E25F.3c. Another, not quite as bright as the previous. (125-up)

94 **Experimental 25¢ Second Issue Choice New.** V-219 Milton 2E25F.3c. 3c. Identical to the above but one of the punches is on the edge. (125-up)

95 **Experimental 25¢ Second Issue Choice New.** V-219 Milton 2E25F.3c. One of the half moon cancels touches the edge of the note. (125-up)

96 **Experimental 25¢ Second Issue Choice New.** The final note of this mini-hoard of nine pieces, also punched on the edge. (125-up)

97 **Experimental 25¢ Second Issue.** Similar to V-219 but on a finer paper that appears to be almost a bond type. Whatever its Milton number, it's **Gem New** and a real beauty. (350-up)

98 **Experimental 25¢ Second Issue Gem New.** V-237 Milton 2E25F.6. A lovely example of this very popular experimental note. (300-up)

99 **Experimental 25¢ Second Issue Gem New.** V-237 Milton 2E25F.6. One of the more common experimentals, but extremely popular due to its low cost and striking appearance. This particular one has a gutter fold nearly the height of the note. (300-up)

DUPLICATES? CONSIGN THEM TO OUR SEPTEMBER SALE! DON'T WAIT!

100 **Experimental 25¢ Second Issue Gem New.** V-237 Milton 2E25F.6. Another, every bit as nice. (300-up)

101 **Experimental 25¢ Second Issue Gem New.** V-237 Milton 2E25F.6. This experimental has a very distinctive appearance with the bronzing, but no printing, on the back. (300-up)

102 **Experimental 50¢ Second Issue Superb Gem New.** V-223 Milton 2E50F.4. A magnificent and much scarcer piece. (350-up)

114 **Fr. 1274 15¢ SP Narrow Margin Pair Gem New.** Both the hand-signed face and the red back are pristine. The Jeffries signature appears to be written as Jeff. (150-up)

115 **Fr. 1272 15¢ SP Narrow Margin Pair.** The face grades **Choice New** and the green back is **New** due to an ink transfer from a hand-signed note. Both pieces are fresh and original. (125-up)

116 **A Small Group of Specimens.** Fr. 1275 15¢ wide margin face **Extra Fine**. Fr. 1272 15¢ Green Back **Extra Fine**. Fr. 1330a **Very Fine** narrow margin glued pair and Fr. 1314 narrow margin **About New** glued pair. (175-up)

The Phil DeRosa Collection of Fractional Currency

We are pleased to present below the Fractional Currency Collection of West Coast collector Phil DeRosa. Phil, a friend and client for over 20 years, determined early in his collecting career that truly high quality Fractional notes were scarce items indeed. With a discerning eye and patient hunting, his quest to purchase the finest material available resulted in the collection we are proud to offer here for your consideration.

FIRST ISSUE

119 **Fr. 1228 5¢ First Issue Superb Gem New.** Bright, fully perforated and extremely well printed, this little jewel from the DeRosa Collection should please even the fussiest collector. It is markedly superior to the Gengerke example which brought $286. (300-up)

120 **Fr. 1228 5¢ First Issue Gem New.** Full, deep perforations all the way around. (250-up)

121 **Fr. 1228 5¢ First Issue Very Choice New.** (125-up)

122 **Fr. 1228 5¢ First Issue Choice New.** Nice perforations and color. (100-up)

123 **Fr. 1229 5¢ First Issue Very Choice New.** There are full strips of margin outside of the bottom and left-hand perforations as well as a partial strip at the top. Several of the perforations at the left have never fallen out and remain with the note. (250-up)

124 **Fr. 1229 5¢ First Issue Extra Fine.** (60-up)

125 **Fr. 1230 5¢ First Issue Gem New.** The margins are somewhat irregular but broad all the way around, and this bright little note is totally original. (125-up)

126 **Fr. 1230 5¢ First Issue Gem New.** Fresh, original, and a pretty note. (100-up)

127 **Fr. 1231 5¢ First Issue Very Choice New.** Needle-sharp printing and beautiful bright colors highlight this near Gem, straight edge no-monogram note. (200-up)

128 **Fr. 1231 5¢ First Issue Extra Fine.** Scarce. (50-up)

129 **Fr. 1240 10¢ First Issue Superb Gem New.** Full deep perforations all the way around. With excellent face centering and 100% perfect back centering, this little beauty is fully bright and exhibits needle sharp printing. We're very impressed by this note. (400-up)

130 **Fr. 1240 10¢ First Issue Very Choice New.** Fully perforated on all four sides, with exceptionally good color and needle-sharp printing. (175-up)

131 **Fr. 1240 10¢ First Issue Very Choice New.** Fully perforated and really close to full Gem quality. (150-up)

132 **Fr. 1240 10¢ First Issue New.** Superb but for two small missing corners. (75-up)

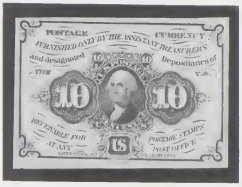
133 **Fr. 1240 10¢ First Issue New.** Very well perforated and a would-be Gem but for some age spots here and there. (60-up)

134 **Fr. 1241 10¢ First Issue Superb Gem New.** One of the very nicest, if not the nicest example we have ever seen of this number. The Gengerke piece, which we graded Gem, was not equal in quality to this note and it brought $357 a year and a half ago. This is one of the highest quality notes in the DeRosa Collection and a true rarity in this grade. (500-up)

135 **Fr. 1241 10¢ First Issue Gem New.** A beautiful little note, fully perforated all around. Equal in all respects to the Gengerke example which brought $357. (300-up)

136 **Fr. 1241 10¢ First Issue Choice New.** A few missing perforations but otherwise simply lovely. (125-up)

137 **Fr. 1242 10¢ First Issue Gem New.** A lovely little note with the green ink color that usually indicates a Fr. 1243. We were surprised when we turned this one over. (150-up)



138 **Fr. 1243 10¢ First Issue Very Choice New.** The margins on this scarce note are not quite up to the Gem category as they are somewhat irregular, but overall generous. What makes this rare variety a standout is its incredible needle sharp printing quality, bright white paper and super ink colors. (250-up)

139 **Fr. 1243 10¢ First Issue Very Choice New.** Perfect in every respect but for the centering, which is certainly more than adequate. (250-up)

140 **Fr. 1243 10¢ First Issue Choice New.** A nice example of this scarce straight edge no-monogram variety. (175-up)

141 **Fr. 1279 25¢ First Issue Gem New.** A lovely representation of a perforated note, perfectly centered on both sides. (350-up)

142 **Fr. 1279 25¢ First Issue Choice New.** (175-up)

143 **Fr. 1279 25¢ First Issue Choice New.** Fully perforated with an extra strip of margin outside of the bottom perforations. This beauty would be a Superb Gem if the left face perforations did not touch the design. (150-up)

144 **Fr. 1280 25¢ First Issue Gem New.** Identical in quality to the Gengerke piece which brought over $400. (400-up)

145 **Fr. 1280 25c First Issue Very Choice New.** Fully perforated but misaligned, so that the bottom and right margins are far too wide and run out-of-parallel to the top and left. An interesting anomaly on a most attractive and rare variety. (350-up)

146 **Fr. 1280 25c First Issue New.** Well perforated but with typical centering and a bit of light soil. (100-up)

147 **Fr. 1281 25c First Issue Very Choice New.** Well margined, original and supremely well printed, very nearly Gem. (125-up)

148 **Fr. 1281 25c First Issue Block of Four Choice Extra Fine.** A beautifully bright block with a few light folds. All four of the individual notes are lovely in their own right. (250-up)

149 **Fr. 1282 25c First Issue Choice New.** The margins are less than ideal, but the overall quality is Superb. (250-up)

150 **Fr. 1282 25c First Issue Choice New.** Needle sharp printing and a rare number, but only one margin is generous. (225-up)

151 **Fr. 1282 25c First Issue Extra Fine.** (75-up)

152 **Fr. 1310 50c First Issue Superb Gem New.** Another magnificent note from the DeRosa Collection, with broad even margins and complete deep perforations all the way around. (450-up)

THE MILT FRIEDBERG COLLECTION

OF U.S. FRACTIONAL CURRENCY AND RELATED MATERIAL

will be sold by

Currency Auctions of America, Inc.

on Friday Evening, January 10, 1997

in Orlando, Florida

153 **Fr. 1310 50¢ First Issue Gem New.** Fully perforated all the way around with good face centering and perfect back centering. (350-up)

Rare Fr. 1310a

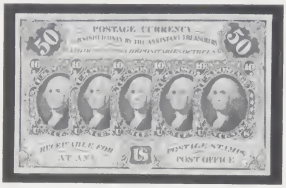
154 **Fr. 1310a 50¢ First Issue Perforated 14 Very Choice New.** Fully perforated and bright with original paper surfaces. The generally accepted history of these smaller perforated notes is that they were produced from two sheets by dealer Harlan P. Smith circa 1890. Although there is no documentary evidence, there is considerable circumstantial evidence that Smith perforated the two sheets himself. Because the variety was listed by Blake, Valentine, Limpert and Rothert as genuine, it remains highly desirable and collectible. As with all the other known pieces, the back design is off center to the left. The Gengerke piece, which was lot 79 of our January, 1995 sale, contained plate number 23 in its extra-wide selvage. Based on the back centering, it would appear that this note is from the same sheet, and we would expect this one will bring… (2000-up)

155 **Fr. 1311 50¢ First Issue Choice About New.** A fully perforated and pleasing example of this much scarcer no-monogram variety. (175-up)

156 **Fr. 1311 50¢ First Issue Extra Fine-About New.** (125-up)

157 **Fr. 1311 50¢ First Issue Very Fine.** This is an essentially perfect circulated example of a rare number. (90-up)

158 **Fr. 1312 50¢ First Issue Superb Gem New.** This note has broad, even margins and excellent printing quality, both of which are features that are seldom seen on First Issue 50 cent notes. (450-up)

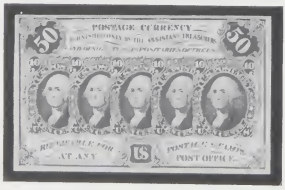


159 **Fr. 1312 50¢ First Issue Gem New.** A note that is seldom seen in this grade. (250-up)

160 **Fr. 1312 50¢ First Issue Very Choice New.** Beautifully printed with exceptional color. (150-up)

161 **Fr. 1312 Very Choice New.** Simply Superb from the face but the back centering is a tad left of center. (125-up)

162 **Fr. 1312 50¢ First Issue Choice New.** (110-up)



163 **Fr. 1313 50¢ First Issue Choice New.** From the DeRosa Collection. Just like the Fr. 1282, its 25¢ companion piece, the note is exquisite but for the centering. (300-up)

164 **Four Nice First Issue Notes.** Fr. 1230, 1231, 1242 and 1281. All four notes are bright and attractive, and all grade **New-Choice New.** (4 pieces) (135-up)

165 **First Issue Perforated Notes.** Fr. 1229 5¢ **Very Fine.** Fr. 1240 10¢ **New** but with mounting marks, Fr. 1280 25¢ **Very Fine** and Fr. 1279 25¢ **New** and nearly Choice. (4 pieces) (225-up)

166 **Three First Issue 50¢ Notes.** Fr. 1312 (2) **Very Fine** and **New**, and Fr. 1313 **About New** with close margins. (3 pieces) (125-up)

167 **First Issue Grouping.** Fr. 1230 (3) **Extra Fine**, **About New** and **New**; Fr. 1242 **New** but aged, Fr. 1241 **Choice About New** and Fr. 1282 **Very Fine**. (6 pieces) (125-up)

SECOND ISSUE

168 **Fr. 1232 5¢ Second Issue Gem New.** Bright and original with outstanding margins for the issue and perfect back centering. (150-up)

169 **Fr. 1233 5¢ Second Issue Gem New.** A little beauty. (200-up)

170 **Fr. 1235 5¢ Second Issue Choice New.** A bright and lovely representation of this very scarce fiber paper note. It's a Gem in every respect but for the centering, which is a bit tight at the top. (300-up)

171 **Four Second Issue 5¢ Notes.** Fr. 1232 (3) and Fr. 1233. All four notes grade **About New**. (75-up)

172 **Fr. 1245 10¢ Second Issue Gem New.** An unusually nice note for a Second Issue ten. The margins are excellent and the note is sharply printed, which is particularly unusual for the green reverses. (175-up)

173 **Fr. 1246 10¢ Second Issue Very Choice New.** Very bright and nearly a Gem. (125-up)

174 **Fr. 1246 10¢ Second Issue About New.** The back is way off center and exhibits a gutter fold, an unusual error on Fractional. (75-up)

175 **Fr. 1247 10¢ Second Issue Very Choice New.** A scarce and underrated number with perfect quality in all respects but for the centering. Identical to the Gengerke piece which brought $264. (225-up)

176 **Fr. 1249 10¢ Second Issue Very Choice New.** A near Gem example with a closed pinhole. (175-up)

177 **Fr. 1249 10¢ Second Issue Choice New.** A very nice example of this scarce fiber paper 10¢ note. What appears to be a light fold is actually an as made wrinkle from when the front and back of this two piece fiber paper note were joined together. (225-up)

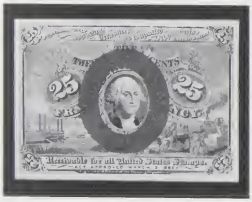
178 **Fr. 1249 10¢ Second Issue Choice New.** A Gem of this number sold for $302.50 in our January Orlando sale. This example appears Gem from the face but the back is off center to the top. Likely to sell for… (200-up)

179 **Fr. 1249 10¢ Second Issue About New.** Typically poor centering but otherwise nice. (80-up)

CURRENCY AUCTIONS OF AMERICA, INC. IS PLEASED TO ANNOUNCE THAT OUR NEXT PUBLIC AUCTION WILL TAKE PLACE IN SEPTEMBER OF 1996!

180 **Fr. 1249 10¢ Second Issue Choice Extra Fine.** This scarce fiber paper note is well-printed and decently margined. Fr. 1249 is a challenging number to locate in any grade. (150-up)

181 **Fr. 1283 25¢ Second Issue Superb Gem New.** A flawless, broadly margined, perfectly centered example. This type is rarely available in quality even approaching this. (300-up)



182 **Fr. 1283 25¢ Second Issue Superb Gem New.** Razor sharp printing quality and perfect colors. Beautifully centered on both sides. Fully equal to the Gengerke note which brought a runaway price over $350. (300-up)

183 **Fr. 1283 25¢ Second Issue Very Choice New.** (125-up)

184 **Fr. 1286 25¢ Second Issue Very Choice New.** An extremely attractive example of this more difficult number. It's quite unusual to see this note this nice, and even more unusual to see a sharp "S" in the surcharge as this note has. (150-up)

185 **Fr. 1286 25¢ Second Issue Choice New.** (100-up)

186 **Fr. 1286a 25¢ Second Issue Choice New.** The slate-back variety. Bronzing is somewhat weak on the back, but the color and centering are excellent. (250-up)

187 **Fr. 1288 25¢ Second Issue Choice New.** Extremely bright and fully original. (100-up)

188 **Fr. 1289 25¢ Second Issue Choice About New.** (75-up)

189 **Fr. 1290 25¢ Second Issue Choice New.** A brightly colored example of this scarce fiber paper number. (250-up)

190 **Fr. 1290 25¢ Second Issue About New.** (100-up)

191 **Fr. 1316 50¢ Second Issue Choice New.** A much more difficult note and a real sleeper. We seldom see these in any grade and this is quite a nice one. (225-up)

192 **Fr. 1317 50¢ Second Issue Choice New.** (150-up)

193 **Fr. 1318 50¢ Second Issue Very Choice New.** Needle sharp printing quality and an absolute Gem in every respect but for the top margin, which is a bit too tight. Scarce this nice. (200-up)

195 **Fr. 1320 50¢ Second Issue Choice About New.** A lovely fiber paper note that approaches Gem quality but has a single corner fold. (125-up)

196 **Fr. 1321 50¢ Second Issue Choice About New.** Sharp printing and excellent color are featured on this scarce fiber paper note. (150-up)

197 **Fr. 1322 50¢ Second Issue Very Choice New.** All the Gem attributes, but the margins are somewhat tight all the way around. (225-up)

198 **Fr. 1322 50¢ Second Issue Choice New.** The margins are rather close, but this fiber paper fifty is Superb in all other respects. (150-up)

199 **Fr. 1322 50¢ Second Issue New.** Choice from the face although the back is quite a bit off center. (125-up)

200 **Fr. 1322 50¢ Second Issue Choice About New.** Beautifully bright and totally original. (125-up)

201 **Two Fiber Paper Notes.** Fr. 1235 **New** and nearly Choice and Fr. 1289 **Extra Fine**. (2 pieces) (200-up)

202 **Six Second Issue Notes.** Fr. 1232, 1234, 1245, 1246, 1288 and 1322. Most grade right around **Extra Fine**. (6 pieces) (125-up)

203 **Ten Second Issue Notes.** Friedberg 1232 (3), Fr. 1234, 1244, 1245 (2), 1283, 1286 and 1288. The majority of the notes are **New**; one is **About New** and one is **Extra Fine**. (10 pieces) (300-up)

204 **Eleven Second Issue Notes.** Fr. 1232 seven notes including a vertical pair, Fr. 1244 (2), Fr. 1246 and Fr. 1249. The 1249 is **Extra Fine**, two of the others are **About New** and all the rest grade **New** or better. (11 pieces) (400-up)

THIRD ISSUE

205 **Fr. 1226 3¢ Third Issue Superb Gem New.** Boardwalk margins and perfect centering on both sides. Face plate number 55 is visible at the upper left. (200-up)

206 **Fr. 1226 3¢ Third Issue Superb Gem New.** A simply perfect little piece. (200-up)

207 **Fr. 1227 3¢ Third Issue Gem New.** A beautiful little jewel with exceptional margins for this number. This note is the equal of the Gengerke piece but for the margins. On this note the margins are large; on the Gengerke piece (which brought $577) they were ridiculously big. (400-up)

208 **Fr. 1227 3¢ Third Issue New.** Bright and attractive with the typical irregularly-cut margins. (50-up)

209 **Fr. 1236 5¢ Third Issue Gem New.** Superior centering and color along with strict originality. (200-up)

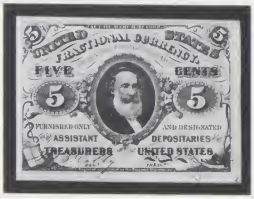
210 **Fr. 1236 5¢ Third Issue Very Choice New.** Good original embossing, with the face very well centered but the back somewhat off center. (100-up)

211 **Fr. 1237 5¢ Third Issue Very Choice New.** (150-up)

212 **Fr. 1238 5¢ Third Issue Superb Gem New.** An amazing note with broad even margins, perfect colors and razor sharp printing on both sides. (150-up)

213 **Fr. 1239 5¢ Third Issue Superb Gem New.** Incredibly margined and beautifully bright, this note of Phil's is considerably finer than the Gengerke piece which brought $176. (200-up)

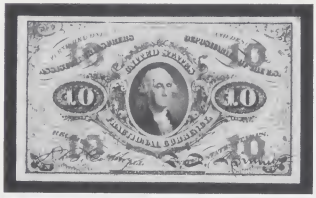
214 **Fr. 1239 5¢ Third Issue Superb Gem New.** Wonderful margins, deep original embossing and face plate number 29 in the lower right corner. (200-up)



215 **Fr. 1251 10¢ Third Issue Gem New.** Good original embossing and perfect colors. (200-up)

216 **Fr. 1251 10¢ Third Issue New.** Gem in every other respect, but there are mounting marks in two of the corners. (75-up)

217 **Fr. 1252 10¢ Third Issue Superb Gem New.** Perfect originality, with excellent centering of face and back amidst four broad even margins, and very bright inks, paper and bronzing. All in all, a super example of a very difficult number. (350-up)



218 **Fr. 1252 10¢ Third Issue Superb Gem New.** Marvelous margins and 100% original colors, including the bronze which is reflectively bright. Slightly superior to the Gengerke note which we also called Superb, this note exhibits deep original embossing and is perfectly centered on both sides. There is also a partial plate number in the upper right corner of the face. (350-up)

234 **Fr. 1255 10¢ Third Issue Superb Gem New.** Common but magnificent. (125-up)

235 **Fr. 1256 10¢ Third Issue Superb Gem New.** A perfectly margined example from the DeRosa Collection. This is a relatively common note but an unimprovable example thereof, fully equal to the Gengerke piece which brought $308 in January of 1995. (250-up)

236 **Fr. 1256 10¢ Third Issue Gem New.** Bright and beautifully centered. (125-up)

237 **Fr. 1291 25¢ Third Issue Superb Gem New.** Magnificently bright and fully original. Both face and back plate numbers are partially visible. Very nearly equal to the Gengerke counterpart which brought over $300. (250-up)

240 **Fr. 1291 25¢ Third Issue Very Choice New.** Gem from the face, but the back is centered just a touch high. (150-up)

241 **Fr. 1291 25¢ Third Issue Choice New.** Choice quality in all respects including centering on both sides. The back is an unusual and attractive rose shade of red. (150-up)

242 **Fr. 1291 25¢ Third Issue Choice New.** Perfect colors and deep original embossing highlight this lovely Fessenden. But for a tight bottom margin, the note is Superb. (125-up)

247 **Fr. 1295 25c Third Issue Gem New.** Deep original embossing is plainly evident. (150-up)

248 **Fr. 1295 25c Third Issue Choice About New.** This note bears an extremely tiny design letter "a." (60-up)

249 **Fr. 1297 25c Third Issue Very Choice New.** Beautifully bright (which is most unusual for these fiber paper Fessendens) and strictly original. This note has the look and feel that these fiber paper notes had the day they were issued. (400-up)

250 **Fr. 1297 25c Third Issue Choice New.** But for a slightly tight bottom margin, this fiber paper Fessenden would grade fully Gem. (200-up)

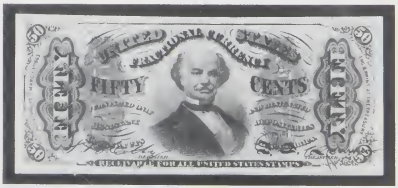
251 **Fr. 1297 25c Third Issue New.** Nearly Choice. (125-up)

252 **Fr. 1298 25c Third Issue Very Choice New.** Bright and pretty, with incredible face centering and acceptable back centering. A truly scarce note. (300-up)

253 **Fr. 1298 25c Third Issue Choice About New.** (100-up)

254 **Fr. 1299 25c Third Issue New.** Choice but for its centering. The solid bronze discs that categorize this note as a Fr. 1299 are well-printed and distinct. This rare variety is seldom available in high grade and almost never seen without edge damage. This note is a happy exception. (700-up)

255 **Fr. 1299 25c Third Issue Very Fine.** There is a straight one-inch tear that cannot be seen when the note is in its holder. This rare solid surcharge Fessenden should still surely bring at least... (150-up)



256 **Fr. 1324 50c Third Issue Spinner Superb Gem New.** Perhaps the ultimate Red Back Spinner note. It is perfectly centered amid jumbo margins and boldly boasts bas relief embossing. We have handled several dozen high quality Spinners in our last five sales and this piece numbers among the very best. (750-up)

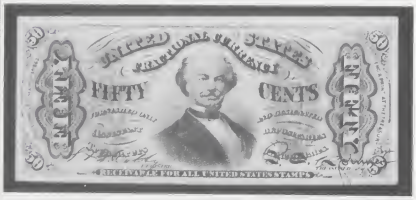
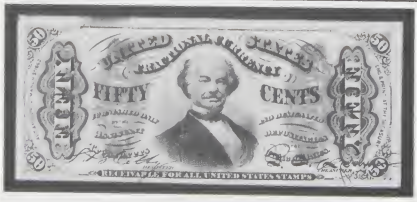
Two Lovely Fr. 1325's

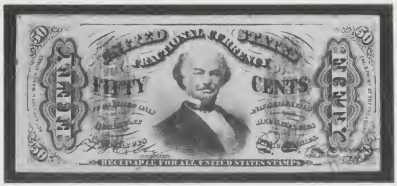
260 **Fr. 1325 50c Third Issue Spinner Superb Gem New.** Huge margins all the way around with deep, original embossing and exceptional ink, paper and bronze. This "1" and "a" Spinner is rarely seen in top grade. This piece is fully equal to the Gengerke example which we sold in January of 1995 for $1155. This is a truly great note. (1000-up)



261 **Fr. 1325 50c Third Issue Spinner Gem New.** Beautifully centered on both sides between four even margins, this "1" and "a" Red Back Spinner is essentially flawless. The Gengerke example, which as the equal of this note, brought $1155 in our January 1995 sale after an $800 estimate. (950-up)



262 **Fr. 1325 50c Third Issue Spinner Gem New.** Broad margins and strict originality carry this note to the Gem class in spite of a press-bed smear in the top margin and a minute rust spot on the back. "# 1326" has been erroneously written in pencil on the back along with a price. (750-up)



263 **Fr. 1325 50¢ Third Issue Spinner Very Fine.** This "1" and "a" Red Back Spinner is nearly impossible to locate in decent, circulated grade, and this is quite a nice one. (275-up)

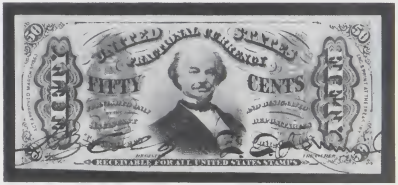
264 **Fr. 1326 50¢ Third Issue Spinner Superb Gem New.** An absolutely gorgeous note with deep original embossing, broad, even margins, fully bright inks, paper and bronze and excellent centering on both sides. This piece is about as nice as a Red Back Spinner can possibly come. (400-up)

265 **Fr. 1326 50¢ Third Issue Gem New.** Deep original embossing and exceptional margins highlight this Red Back Spinner (350-up)

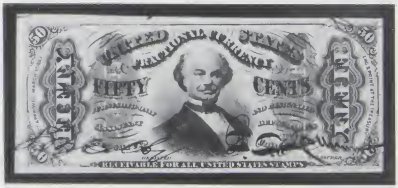
266 **Fr. 1326 50¢ Third Issue Spinner Very Choice New.** (300-up)

267 **Fr. 1326 50¢ Third Issue Spinner Very Choice New.** A bright, originally embossed near-Gem example. (300-up)

268 **Fr. 1328 50¢ Third Issue Spinner Superb Gem New.** A letter perfect example that has every possible positive attribute, including the deep embossing that is almost never present on these hand-signed notes. Although this is the most common of the Red Back Spinners (and they do come nice), very few can compare to this magnificent piece from the DeRosa Collection. (350-up)



269 **Fr. 1328 50¢ Third Issue Spinner Gem New.** Fresh, original and very pretty. (300-up)



270 **Fr. 1328 50¢ Third Issue Spinner Gem New.** There is a lot of deep original embossing on this pretty hand-autographed note. (300-up)

271 **Fr. 1328 50¢ Third Issue Spinner Choice New.** Irregular but adequate margins. The colors are bright and the signatures very bold. (250-up)

272 **Fr. 1328 50¢ Third Issue Spinner. New** and nearly Choice. (150-up)

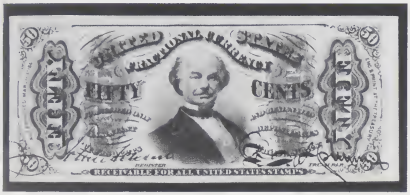
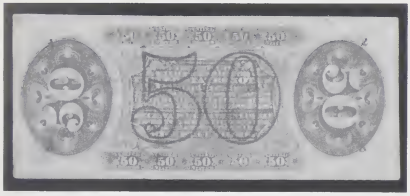
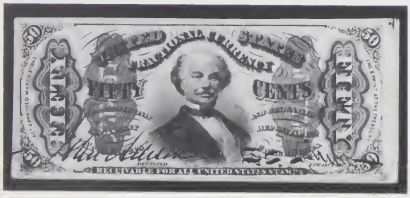
A Pair of Superb Fr. 1329's

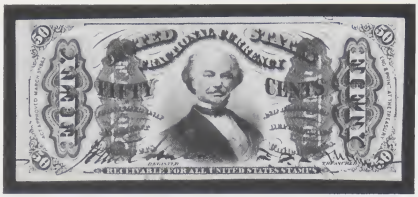




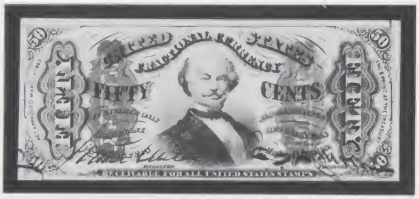
273 **Fr. 1329 50¢ Third Issue Spinner Superb Gem New.** An utterly outstanding example which exhibits every possible positive attribute, including huge margins, bright colors, original embossing and bold hand-autographed signatures of Allison and Spinner. This is one of the finest Fractional notes in this or any sale. (1000-up)



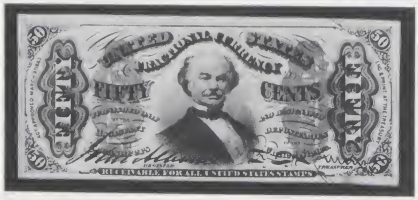
274 **Fr. 1329 50¢ Third Issue Spinner Superb Gem New.** Beautiful colors, broad, even margins, deep original embossing and bold, clean hand signatures of Allison and Spinner highlight this very scarce note. We have handled several really nice examples of this number in the last few years, and this is equal to the very best of them. It would not surprise us if this Superb Gem realized over… (950-up)



275 **Fr. 1329 50¢ Third Issue Spinner Gem New.** A beautiful example of this much scarcer Allison-Spinner hand-signed note. The margins are quite broad, the original embossing is extremely obvious and the colors are beautiful. (600-up)



276 **Fr. 1329 50¢ Third Issue Spinner Gem New.** Outstanding original embossing and beautiful colors spotlight this Allison-Spinner hand-signed note. (600-up)



277 **Fr. 1329 50¢ Third Issue Spinner About New.** A well margined, respectable sample of this scarce note. These usually come as dogs or Gems, making a decent affordable example hard to come by. (275-up)

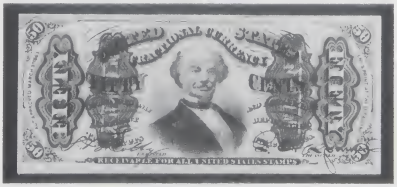
278 **Fr. 1331 50¢ Third Issue Spinner Superb Gem New.** Deep original embossing, exquisite margins and excellent printing quality all take second place to this note's brightness. The paper, ink and bronze all look 100% as nice as the moment this note was made over 120 years ago. Attempting to obtain this kind of quality is what Fractional collecting is all about. (450-up)

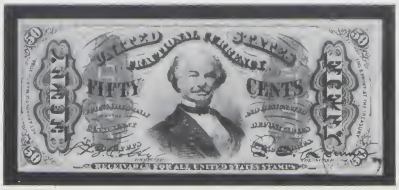
279 **Fr. 1331 50¢ Third Issue Spinner Very Choice New.** The margins are just short of the Gem classification although the note qualifies in all other respects. Original embossing is plainly evident. (250-up)



280 **Fr. 1332 50¢ Third Issue Spinner Gem New.** Fresh and strictly original, this "1" and "a" note exhibits cavernous embossing. It is Superb in every sense but for a few minor press bed smudges at the upper left of the face. (500-up)

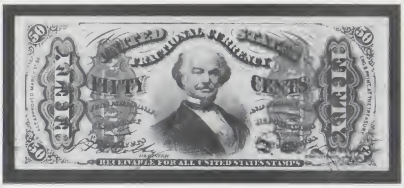
281 **Fr. 1332 50¢ Third Issue Spinner Choice New.** Well embossed and with good margins. This is the most available of the "1" and "a" Spinners. (400-up)

282 **Fr. 1332 50¢ Third Issue Spinner About New.** (100-up)



283 **Fr. 1333 50¢ Third Issue Spinner Very Choice New.** Bright bronze and deep embossing enhance this attractive piece. (300-up)

284 **Fr. 1333 50¢ Third Issue Spinner Very Choice New.** Fresh and strictly original, another lovely note from the DeRosa Collection. (300-up)

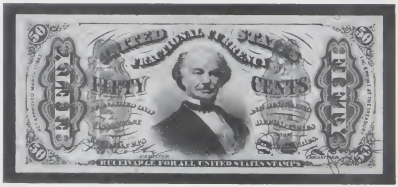


285 **Fr. 1334 50¢ Third Issue Spinner Gem New.** Broad margins, perfect back centering and exceptionally nice embossing make this a beautiful piece for the collector seeking an example of the design figure "a" variety. (350-up)

286 **Fr. 1334 50¢ Third Issue Spinner Gem New.** Very well centered on both sides and totally problem free. Like so many others of Phil DeRosa's notes, it exhibits outstanding original embossing. Not a truly rare note, but very hard to find as nice as this one. (350-up)

287 **Fr. 1334 50¢ Third Issue Spinner About New.** (75-up)

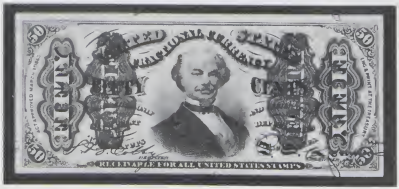
288 **Fr. 1335 50¢ Spinner Choice New.** A scarcer number not quite up to Gem centering. (300-up)



289 **Fr. 1335 50¢ Third Issue Spinner Choice New.** The paper is just a slight bit toned and the back is centered to the right, but in all other respects, this scarce number is as fine as could be imagined. (300-up)

290 **Fr. 1335 50¢ Third Issue Spinner Choice About New.** A scarce and unmolested note with a light centerfold. (125-up)

291 **Fr. 1337 50¢ Third Issue Spinner New.** A much scarcer number and a decent representation of it. There is an ink smear at the left edge of the front and the back is a bit off center. (175-up)

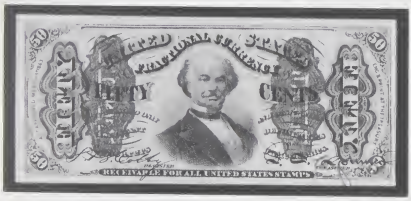


292 **Fr. 1339 50¢ Third Issue Spinner Type II Superb Gem New.** Broad, even margins, perfect centering on both sides, and readily evident deep original embossing. This is the most common of the Type II Spinners and an excellent representative of this variety. (450-up)

293 **Fr. 1339 Third Issue 50¢ Spinner Type II Choice New.** Particularly well margined. (350-up)

294 **Fr. 1339 50¢ Third Issue Spinner Type II Choice New.** (300-up)

295 **Fr. 1340 50¢ Third Issue Spinner Type II Choice New.** The paper is lightly aged and the centering, although certainly acceptable, is not Gem quality. Nonetheless, as with the majority of Phil's notes, the bronze is bright and the original embossing is very bold. This is the rarest of the Type II Spinners. (400-up)



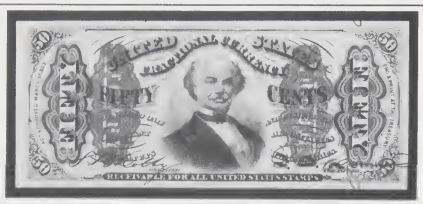
296 **Fr. 1340 50¢ Third Issue Spinner Type II Choice About New.** But for a single corner fold, this rare "1" and "a" note is a full Gem. An example this nice should certainly be worth… (250-up)

297 **Fr. 1340 50¢ Third Issue Type II About New.** Scarce in all grades. (200-up)

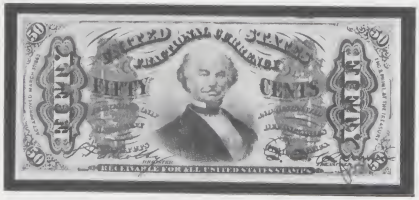
298 **Fr. 1340 50¢ Third Issue Spinner Type II Extra Fine.** There are a number of short edge splits at the top of this otherwise exceptionally nice lightly circulated rarity. (150-up)

299 **Fr. 1340 50¢ Third Issue Spinner Type II Extra Fine.** This note is elusive in all grades with high end circulated pieces being particularly hard to find. (150-up)

300 **Fr. 1340 50¢ Third Issue Spinner Type Extra Fine.** Rare and well centered but with two small pinholes. (150-up)



301 **Fr. 1341 50¢ Third Issue Spinner Type II Superb Gem New.** Incredible margins all the way around on both sides and with wonderfully deep embossing plainly evident. This is one of Phil's finest quality notes and it is vastly superior to the Gengerke piece which realized a runaway price of $825. (700-up)



302 **Fr. 1342 50¢ Third Issue Spinner Type II Gem New.** Deep original embossing, flashy bright bronze and excellent centering spotlight this premium Spinner. (650-up)

303 **Fr. 1342 50¢ Third Issue Spinner Type II Choice New.** (250-up)

304 **Fr. 1343 50c Third Issue Justice Superb Gem New.** A drop dead perfect Justice note, fresh and original with exceptional margins. (600-up)

305 **Fr. 1343 50c Third Issue Justice Gem New.** Red Back Justices are rarely seen in true Gem condition, but this one from the DeRosa collection fully makes the grade. The original embossing is evident, the bronze, paper and inks are all fully bright, the back is very well centered and the face has four full margins. (500-up)

306 **Fr. 1343 50c Third Issue Justice Very Choice New.** A near Gem example of this scarce Red Back. The edges are very lightly aged and two of the margins are close. (300-up)

307 **Fr. 1343 50c Third Issue New.** Choice but for three tiny pinholes. (125-up)

308 **Fr. 1344 50c Third Issue Justice Choice About New.** Visually, this is one of the better looking examples of this very rare "1" and "a" Red Back Justice. It's beautifully bright and well margined all the way around. Under all but the closest of inspection, this lovely note appears to be a Gem. (750-up)

309 **Fr. 1345 50c Third Issue Justice Very Choice New.** Deep original embossing and super bright colors are the best features of this note. Unlike most Justices, it has some margin all the way around, although it is very tight in places. (350-up)

310 **Fr. 1346 50c Third Issue Justice Gem New.** Original embossing is evident and the margins are wonderful for a Justice note. Both the bronze and the inks are beautifully bright. (500-up)

311 **Fr. 1346 50¢ Third Issue Justice Gem New.** Bright and flashy, this rare Justice number has excessively large margins at the top and bottom and is smaller at the sides, although there is margin all the way around. It's deeply embossed and essentially without flaw. Its only distinguishing feature is an as-made paper wrinkle near the top margin as is very often seen on Red Back Justices from the top edge of the sheet where these "a" notes were positioned. (450-up)

312 **Fr. 1347 50¢ Third Issue Justice Gem New.** A magnificent fully margined Red Back Justice with bright colors and excellent centering. The paper is fresh and crinkly and the overall quality is about as good as it gets. (750-up)

313 **Fr. 1347 50¢ Third Issue Justice Gem New.** Margins all the way around and mostly quite large at that. Very comparable to the Gengerke note which brought $550, and like that note, this one of Phil's is loaded with eye appeal. (500-up)

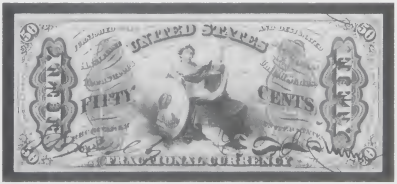
Choice Fr. 1348

314 **Fr. 1348 50¢ Third Issue Justice Choice New.** A beautifull note from Phil's collection which exhibits deep, original embossing. Fr. 1348 is one of the last notes obtained by most collectors, with only about 20 pieces known. This one is easily in the top half. (1750-up)

315 **Fr. 1349 50¢ Third Issue Justice Choice New.** Fresh and original and a full Gem but for a single tight side margin. Plate number 7 appears in the lower right-hand corner. (450-up)

316 **Fr. 1349 50¢ Third Issue Justice Choice New.** No side margins, but an extra large top and bottom margin. The colors are excellent and this is quite a scarce number. (400-up)

317 **Fr. 1350 50c Third Issue Justice Very Choice New.** This is quite a tough number, and this originally embossed example from the DeRosa Collection is Superb in every sense but for the left face margin, which is quite close. (350-up)



318 **Fr. 1355 50c Third Issue Justice Gem New.** Deep original embossing, bright inks, paper and bronze, and not a trace of cracks or problems with the bold hand signatures. This fresh and exquisite-looking Justice is equal to the Gengerke counterpart which brought over $850. (750-up)

319 **Fr. 1355 50c Third Issue Justice Very Choice New.** The Spinner signature on this note is among the largest we have ever seen of his hand-signed pieces. It extends well past the center point of the Justice vignette and touches the Eagle and Shield vignette under her right arm. Good original embossing is evident and the margins are far better than typically seen. (350-up)

320 **Fr. 1355 50c Third Issue Choice New.** Fresh and original. (250-up)

321 **Fr. 1355 50c Third Issue Justice Choice About New.** (175-up)

322 **Fr. 1355 50c Third Issue Justice About New.** (150-up)

Superb Fr. 1356

323 **Fr. 1356 50c Third Issue Justice Superb Gem New.** A simply incredible Fr. 1356, with wonderfully deep original embossing, full blazing colors, bold, dark signatures and perfect centering on both sides. Not one of the rarer Justice notes, but very rare in this extraordinary grade. This is Phil's finest quality note in this writer's opinion, and we would not be surprised if it realized over… (1000-up)

324 **Fr. 1356 50c Third Issue Justice Extra Fine.** Mounting remnants impair an otherwise beautiful note. (100-up)

325 **Fr. 1356 50c Third Issue Extra Fine.** A lightly circulated, attractive example, very boldly hand signed. (75-up)

326 **Fr. 1357 50c Third Issue Justice About New.** Heavily fibered, scarce and good looking. (400-up)

327 **Fr. 1357 50c Third Issue Justice.** The note is essentially **About New** but has some minor internal splits where fibers are missing. (150-up)

328 **Fr. 1357 50¢ Third Issue Spinner Extra Fine-About New.** Both the margins and the color are better than what one would expect for this hand-signed Red Back fiber paper note. (350-up)

329 **Fr. 1357 50¢ Third Issue Justice Choice Extra Fine.** Exceptional margins and excellent color. (300-up)

330 **Fr. 1357 50¢ Third Issue Justice Choice Very Fine.** This hand-signed fiber paper Red Back appears uncirculated from the face. (175-up)

331 **Fr. 1358 50¢ Third Issue Justice Very Choice New.** This is another one of Phil's notes with bold, obvious original embossing. Good embossing was one of his criteria in collecting. (375-up)

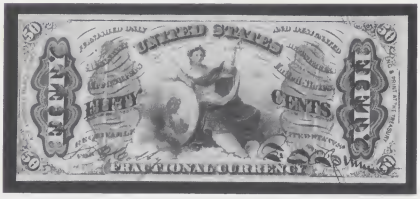
332 **Fr. 1358 50¢ Third Issue Justice Choice New.** Three good margins but close at the left. (300-up)

333 **Fr. 1359 50¢ Third Issue Justice.** A different note to grade as it is technically New, that is, without signs of folds or circulation; however, the back design is massively off center and the back has unattractive glue marks in all four corners. When dismounted, the note received some damage in the form of paper peels, holes and a missing corner. Nonetheless, 1359 is a very rare number and this note should still bring… (250-up)

334 **Fr. 1360 50¢ Third Issue Justice Gem New.** Extraordinary face margins, deep original embossing and excellent color. Justice notes simply do not come with better margins than this. (500-up)

335 **Fr. 1360 50¢ Third Issue Justice About New.** (125-up)

336 **Fr. 1361 50¢ Third Issue Justice Very Choice New.** A well margined and strictly original example of this very scarce number. (400-up)



337 **Fr. 1362 50¢ Third Issue Justice Very Choice New.** A lovely note, again, as with almost all the notes from the DeRosa Collection, with the original embossing plainly evident. (300-up)

338 **Fr. 1363 50¢ Third Issue Justice Choice New.** The most available of the "I" and "a" Justices and a rather nice example. The left face margin is lightly cut in and there is some offset smudging on the back. (350-up)

339 **Fr. 1363 50¢ Third Issue Justice Extra Fine.** The scarce "I" and "a" variety. (175-up)

340 **Fr. 1364 50¢ Third Issue Justice Very Choice New.** Super face margins and decent back centering. (300-up)

341 **Fr. 1364 50¢ Third Issue Justice New.** A scarce number that nearly grades Choice. (200-up)

342 **Fr. 1364 50¢ Third Issue Justice Extra Fine.** A nice looking, problem free example. (75-up)

343 **Fr. 1365 50¢ Third Issue Choice About New.** Very bright bronze. (150-up)

344 **Fr. 1365 50¢ Third Issue Justice About New.** Typical Justice centering. (80-up)

345 **Fr. 1366 50c Third Issue Justice Choice New.** Beautifully bright with good paper originality and flashy bronze. (250-up)

346 **Fr. 1367 50c Third Issue Justice About New.** Fr. 1367 is one of the rarest notes of the Justice series, and this is one of the best margined examples we have had the pleasure of seeing. A single centerfold is all that separates this lovely note from Choice New. An inverted back plate number appears in the lower left corner. (500-up)

347 **Fr. 1368 50c Third Issue Justice About New.** One very light fold away from Choice New. This scarce Justice number is extremely well margined. (200-up)

348 **Fr. 1369 50c Third Issue Justice New.** From the upper right hand corner of the plate with the rounded plate corner visibly impressed on both the front and back of the note. (200-up)

349 **Fr. 1370 50c Third Issue Justice Choice About New.** Beautifully margined and kept from Gem New only by a light horizontal fold. One of the most visually appealing fiber paper Justices we can recall seeing. (250-up)

350 **Fr. 1370 50c Third Issue Justice Choice About New.** This fiber paper Note has great original surfaces, but the centering is typical for a Justice and there is one light fold. (150-up)

351 **Fr. 1371 50c Third Issue Justice New.** Consider this to be a technical grade only, as this very rare note is damaged by several edge splits, nicks and missing corners. Its value is approximately that of a Very Fine. (250-up)

352 **Fr. 1372 50c Third Issue Justice New.** This very scarce fiber paper note is Choice in all respects but for the centering, which is rather poor on both face and back. (200-up)

353 **Fr. 1372 50c Third Issue Justice About New.** (150-up)

354 **Fr. 1372 50c Third Issue Justice Extra Fine+.** A scarce note and quite a decent example, with original surfaces that exhibit lots of heavy fibers. (175-up)

355 **Fr. 1373 50c Third Issue Justice Choice About New.** Strictly original and bright for a fiber paper note. The bottom face margin is close and there is a light center fold. (200-up)

356 **Fr. 1373 50c Third Issue Justice Extra Fine.** Due to a minor printing aberration, the A-2-6-5 surcharge appears to read "A-2-3-5." A scarce note, especially in high circulated grade. (175-up)

357 **Fr. 1373 50c Third Issue Justice Extra Fine.** This scarce fiber paper note has better than average centering and perfect edges. (150-up)

FOURTH ISSUE

358 **Fr. 1257 10c Fourth Issue Superb Gem New.** A common note, but this magnificent piece is the equal of any we've ever seen. It's fully bright with a deep red seal and 100% perfect centering between boardwalk margins. (150-up)

359 **Fr. 1257 10c Fourth Issue Gem New.** This note is fully bright and fully original with broad, even margins. (90-up)

360 **Fr. 1257 Fourth Issue Gem New.** An unusually nice example. (90-up)

361 **Fr. 1258 10c Fourth Issue Choice New.** (50-up)

362 **Fr. 1259 10c Fourth Issue Gem New.** (75-up)

363 **Fr. 1259 10¢ Fourth Issue Gem New.** (75-up)

364 **Fr. 1267 15¢ Fourth Issue Superb Gem New.** An absolute beauty from the DeRosa Collection. Perfectly centered on both sides between four large margins. (200-up)

365 **Fr. 1267 15¢ Fourth Issue Extra Fine.** This one is so far off center on the face as to qualify as an error note; it is not simply a cutting error as are most, as the back is decently centered. (100-up)

366 **Fr. 1271 15¢ Fourth Issue Superb Gem New.** Hugely margined and perfectly centered on both sides, this flashy 15¢ note is one of the nicest examples we've handled of this number. Most of the really nice 15¢ notes tend to be Fr. 1267s and 1269s. This small seal variety with the bright blue end is quite rare this nice. (350-up)

367 **Fr. 1271 15¢ Fourth Issue Very Choice New.** Strictly original. (125-up)

368 **Two Nice 15¢ Notes.** Fr. 1267 and Fr. 1269. Both grade **New**. (150-up)

369 **Two Fr. 1267s.** Both grade **New**. one nearly Choice. (2 pieces) (150-up)

370 **Two 15¢ Notes.** Fr. 1269 **About New** and Fr. 1271 **New** but with a needle hole. (2 pieces) (125-up)

371 **Three New 15¢ Notes.** Fr. 1267 (2) and Fr. 1269. All three notes are strictly **New**; one of the Fr. 1367s would be a Gem but it has a stain. (3 pieces) (200-up)

372 **Fr. 1301 25¢ Fourth Issue Gem New.** A common note, but this Gem from the Phil DeRosa Collection is one of the nicest we've seen. (200-up)

373 **Fr. 1301 25¢ Fourth Issue Courtesy Autograph.** This **Choice New** autographed note is from our sale of the Martin Gengerke Collection in January of 1995. It is being offered here along with its certificate of provenance from that sale. To our best knowledge, this is the first resale of any item that has appeared at auction with its certificate. The note is autographed by John Burke above Spinner's printed signature. (200-up)

374 **Fr. 1301 25¢ Fourth Issue Very Choice New.** A near Gem example. (75-up)

375 **Fr. 1302 25¢ Fourth Issue Gem New.** Another beauty from Phil's collection. (200-up)

376 **Fr. 1307 25¢ Fourth Issue About New.** Very well margined. (35-up)

378 **Fr. 1374 50¢ Fourth Issue Lincoln Superb Gem New.** A marvelously well centered and beautifully bright example of this perennially popular type. It has always been our opinion that Choice New Lincolns are a bit overpriced, and true Gems such as this one considerably underpriced. (750-up)

384 **Fr. 1376 50¢ Fourth Issue Stanton Superb Gem New.** Hugely margined, original, and flawless. If a better Stanton exists, we have yet to see it. This one is fit for the finest of type sets. (250-up)

ENCASED POSTAGE

United States Encased Postage Stamps came into being as a "Money of Necessity" at the same time and for the same reasons as Fractional Currency. For several years there had been a shortage of small change. This condition was at its worst in the spring and summer of 1862. It had become nearly impossible for merchants (and the public) to get along without being able to make change. Private scrip, bank and merchant scrip, small private copper tokens, and postage stamps (both loose and in pre-printed envelopes) were all being pressed into service.

The inventor of Encased Postage, John Gault of Boston (later, with Kirkpatrick, of New York City) cleverly solved the problem of quick disintegration of stamps in circulation by encasing them in a metal case with a mica "window" so the stamp was visible. His profit was made by selling advertising on the back of the case to various merchants.

John Gault obtained a patent on Encased Postage Stamps on Aug. 12, 1862. Most, if not all of the Encased Postage was produced from this patent date until early 1863 when Postage Currency (First Issue Fractional Currency) was beginning to fill the small change gap (Postage Currency was first printed in August of 1862 and most likely was placed into circulation at once, or for sure by early September, but it was several months before it began to circulate freely.) Mr. Gault was also hard pressed to obtain stamps, because after the July and August rush on post offices (to obtain stamps to replace the hoarded coins) the post office department cut off supplies of stamps for all but postage use.

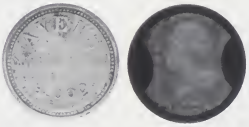
Most major collections of Fractional Currency have had several pieces of Encased Postage in them as association items; and, needless to say, a collection of Encased Postage stands well in its own right.

The average collectable condition for Encased Postage is very fine with an exceptional piece being extra fine to about new. A fully new piece of Encased Postage is a major rarity even for the most common issues, and most varieties are unknown in even about new condition.

411 **HB-18 EP-33 3¢ Take Ayers Pills Choice About New.** A spectacularly beautiful example of this common piece. The case is a perfect glossy medium brown, the mica virtually perfect and the stamp is unusually bright and vivid.(550-up)

412 **HB-28 EP-4A 1¢ Ayers Sarsaparilla Choice About New +.** Incredible quality for any piece of encased postage. The case is medium brown and letter perfect. The mica as nice as we have ever seen and the stamp perfectly centered and 100% fully bright. (750-up)

413 **HB-30 EP-34A 3¢ Ayers Sarsaparilla Extra Fine.** An extremely nice piece with a lovely dark mahogany case, excellent mica and quite a nice stamp. This is one of the most common encasements and therefore perfect as a type example. (450-up)

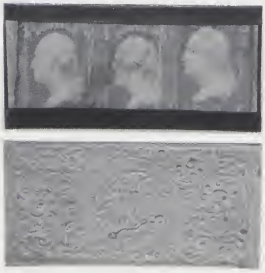


414 **HB-32 EP34b 3¢ Ayers Sarsaparilla About New.** This large Ayer variety is much scarcer than the nearly always seen Medium Ayers. It has a nearly perfect mica, a bright stamp and a most attractive case with almost no signs of wear. (650-up)

415 **HB-75 EP-69 5¢ Burnett's Cocoaine Kalliston Extra Fine.** The case is a mottled brass color, the mica and stamp both virtually perfect. This is a nice example of this less common merchant. (450-up)

416 **HB-84 EP-106 10¢ Burnett's Standard Cooking Extracts Extra Fine.** Case is light brass with one small darker area, the mica and stamp are far above average. A pleasing example of this less often seen denomination. (500-up)

417 **HB-214 EP-129 10¢ Schapker & Bussing Extra Fine.** This Evansville, Indiana merchant is relatively scarce in all denominations, with the 3¢ and 5¢ being the ones most commonly seen. This 10¢ denomination is valued at $1100 in **Extra Fine** in the HB reference, and they estimate that between 15 and 20 are known. On this particular piece, the case is lovely, with even, attractive toning. The mica is as perfect as they ever come, and the stamp is well centered though a bit dark. (850-up)



418 **HB-Unl EP-95a 9¢ Strip Choice About New.** Likely made in N.Y.C. in the early 1890's these have a long history of collectability and this one is a particularly nice example. (350-up)

456 **Harvey, IL - Trustee's Certificate of Deposit**

A fascinating piece of Chicago area financial history. A victim of the Depression, the First National Bank of Harvey entered receivership on April 1, 1932. In those days, before the advent of the Federal Deposit Insurance Corporation, depositors were simply unsecured creditors whose claims against the failed bank were pro-rated against the failed bank's assets, if any. This certificate, originally issued for $1.00, and overstamped with a proration amount of 25¢, was the format by which the creditors of a failed National Bank were paid. We have never before seen one of these certificates offered for sale, as they had a very limited redemption period, and, of course, the bank's creditors wished only to get paid the limited amount they were due to receive. Printed in green, black and red, this American Bank Note Co. product serves as a vivid reminder of the uncertainties which formed part of the saga of American banking. **Very Fine**. (100-200)

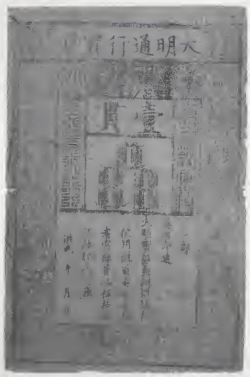
CHINA



533 **Excessively Rare High Grade Ming Dynasty Note.**

Fully equal in condition to Lot 487 of our October, 1995 sale which brought $3,465. The story of these notes as we told it there reads: "China was the first country in the world to use paper money, the earliest report being brought back to the Western world by Marco Polo in the Thirteenth Century. At the time his report was not generally believed, as the people of Europe, Africa and the Middle East used only metal coins and could not accept the idea of people taking written pieces of paper in payment for goods and services. It was not until over a hundred years later that his accounts were verified by the appearance in Europe of actual Chinese currency from the Ming Dynasty (1368-1644). These very large notes (approx. 12"x8") were printed by hand on mulberry bark paper. Paper was made by coloring pulp from the inner bark of mulberry trees with carbon and squeezing it dry on bamboo screens. Separate wood blocks were made for printing the text of the note and the seal of the issuing Emperor. The Chinese coins in use at the time were small, round, copper coins about the size of our present day nickel. Each coin had a square hole in the center and large transactions were carried out with big bundles of these coins tied together with string. The face of these Ming Dynasty notes showed an illustration of this type so that a person who was illiterate and unable to read the Chinese characters printed on the note could simply count the number of bundles of coins pictured and determine the denomination. The Chinese referred to this earliest currency as 'flying money' because of its light weight and its ability to circulate over a large area." This piece is 100% original and undamaged, with large, even borders and the three red overprintings distinct and bright. This is the third Ming note we have sold, and each of the previous two generated considerable enthusiasm. We would expect this extremely high grade piece to realize… (2750-up)

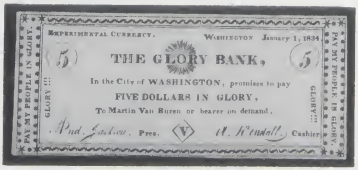
534 **Vichy France Propaganda Note**

These Propaganda notes were issued in Vichy France during the Second World War, noting that United States Treasury Secretary Henry Morganthau Jr. was Jewish and therefore the currency of the United States was an element of the international Jewish financial conspiracy, in addition to financing the Anglo-American Jewish War. We've sold two of these previously with this piece being the finest of the three we've handled. The decidedly lower grade piece we sold last June brought $357.50. This piece is essentially as issued, being perfect save for a single light corner fold. (400-600)

535 **German Occupation of France**

A second example identical to the above but **Extra Fine** with a few small splits. (200-400)

THE ARLIE SLABAUGH COLLECTION OF POLITICAL NOTES AND RELATED MEMORABILIA

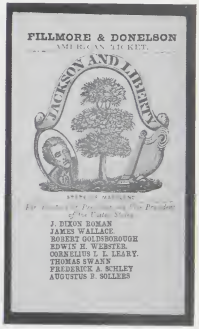


536 **The Glory Bank**

Satirical opposition to President Andrew Jackson's veto of the Charter of the Second Bank of the United States. At left and right the slogan "Pay My People in Glory" appears, a reference to his opponents fears that President Jackson's policies would cause commercial and economic dislocation. This is a rare and significant artifact of the "Hard Times" period. Illustrated in **U.S. Tokens 1700-1800** by Russell Rulau and valued therein in its **VF** condition at $800. (500-1000)

537 **Maryland Electoral Ballot - 1856**

A well preserved artifact of Millard Fillmore's 1856 effort as the candidate of the American Party, popularly remembered as the "Know Knothings." Andrew Jackson is pictured. A prize for the collector of early political memorabilia. Attractive **AU** with but a single unobtrusive fold. (200-400)



538 **Abraham Lincoln - Treasury Note Facsimile**

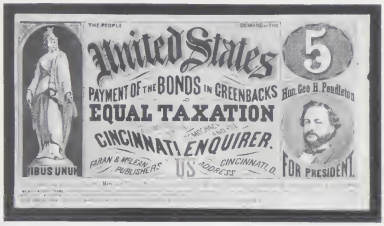
Red and green on the face with portraits of Lincoln and Johnson. Green and black reverse with ads for the N.Y. Independent Sanitary Commission as well as a folded over ad for the printer. A rare item bearing the March 1, 1865 date of Lincoln's second inauguration. Overall **Fine** with a number of edge splits. (300-600)

539 **Greenback Advertising Notes**

Pakas the Tailor - Providence, Rhode Island

Thayer & Hubbard - Middletown, Connecticut

A pair of cardboard advertising chits similar to the design of the $1 1875 Legal Tender Notes. Various pro-Greenback slogans adorn the face borders. Both are **Uncirculated** with minor evidence of handling. (2 pieces) (200-300)



540 **$5 - Equal Taxation**

A 5 1/2" x 9 1/2" facsimile of the 1862 Legal Tender Note of 1862 supporting the Presidential candidacy of George H. Pendleton. Pendleton had been the Democratic candidate for the Vice-Presidency in 1864 when McClellan ran against Lincoln. He was later elected to Congress in 1880 where he sponsored the Civil Service Act of 1883. This piece is likely from the election of 1868, when Pendleton unsuccessfully sought the Democratic nomination. It was apparently issued by the Cincinnati Enquirer and contains subscription rates at bottom. "If Greenbacks are good enough for the Merchant, Farmer, Mechanic and Soldier, who pay taxes, they are good enough for the Bondholder, who pays no taxes." **Very Fine** with a few splits. (200-400)

541 **Horatio Seymour - 1868**

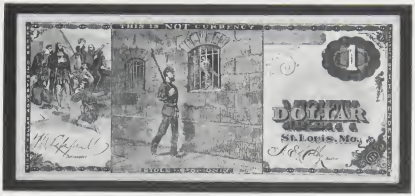
A $5 Bank Note facsimile promoting the 1868 Presidential candidacy of Horatio Seymour, who ran against Grant. Green and black. Calls for the payment of bonds in greenbacks and equal taxation. **Very Fine**. (200-300)

542 **The Bank of Bread - 1876**

A $3.00 note promoting the 1876 third party candidacy of Peter Cooper and Samuel F. Cary. "Pay to the Order of Yourself, by Yourself, by Your Own Labor, For an Honest Days Work, Three Dollars, by Voting for Cooper and Cary and Against National Banks, Untaxed Bondholders and Monopolists." The back contains an outraged analysis of the advantages afforded to the banking industry by the National Banking system. Red, green and black. An attractive **Very Fine** but for a tear at right. Scarce and worth... (250-500)

543 **Greenback Party Envelope**

A 3" x 5 1/2" envelope with a facsimile of the $1 1878 Legal Tender Note at left. "Pay off all the Bonds and Issue No More. Burn the Bonds and Stop the Interest" at left. Minor handling. A scarce item likely to sell in the range of... (200-300)



544 **H.H. Stendel - St. Louis**
$1 Anti-Grant Satirical

At left Grant is substituted for Columbus in an overall layout similar to the $1 1869 Legal Tender Note. A soldier guards an inmate behind bars with the legend "Stole $5 Only," a reference to the far more serious but unpunished depredations of Grant administration corruption. Black and rose on card stock. **Uncirculated**. (200-300)

545 **H.H. Stendel – St. Louis**
$50 Anti-Grant Satirical

Similar to the above lot. A Negro servant presents a telegram "You nominated. Will you accept?" above the legend "Appropriated $1,000,000." The obvious inference of the contrast between this and the above note is that the average citizen's fate for a minor crime is imprisonment, while the insiders of the Grant administration were rewarded with public office for their more serious plundering. Red and black on card stock. **Uncirculated**. (200-300)

546 **The Peoples' Money - $100 1878**

Benjamin Butler at center and Dennis Kearney at left. "Good to pay off all the Gov't bonds belonging to the depositors in Savings Banks in nothing at no time, and by nobody." "Blessed be shinplasters. What the law declares to be money is money." An interesting continuation of the political debate regarding the merits of competitive monetary systems. **Very Good** with chinks out at the corners and a few splits. A scarce and interesting item. (100-200)

547 **The Peoples Money - $1,000 1884**

"Cheap and Plenty." A later variety with a blank space on the back for the bearer to fill in whatever denomination suited his fancy. Candidate Ben Butler is satirized feeding scraps of paper to geese with some of the papers labeled, "This is Corn" and others "This is Meal." Much scarcer than the varieties offered above. **About Uncirculated**, with a few minor splits. (150-300)

548 **Absolute Money - $50 1880**

Another anti-Greenback note. Quotes Peter Cooper, "What the people want is cheap money and plenty of it." Also, "Down with all Property Rights." A seldom seen variety. **Very Fine**. (150-300)

549 **Absolute Money - $1,000 1880**

Another variety from the hard fought election of 1880. Uncle Sam operates a printing press at right converting rags to $1,000 bills. At left a fox attempts to lure geese through a doorway labeled "Absolute Money" and "No Danger." **About Uncirculated** but with a few nicks and splits. (100-200)

550 **Absolute Money - $1000 1880**

Ad note from the election of 1880. An emaciated eagle appears at right with an undernourished Uncle Sam turning his empty pockets inside out. "Burn the Bonds," "Shoot the Bondholder," "No More Interest to Anybody," "Divide All Property Equally," and various other slogans adorn the back. Those who feel that political debate has become more strident in our time would do well to carefully analyze the text of this and similar 19th century political memorabilia. **About Uncirculated**, but with some minor edge nicks and splits. (100-200)

551 **Greenbacks for Bonds**

A close facsimile of the Series 1862 Legal Tender Note with Secretary of the Treasury Salmon P. Chase at left. "The People of the United States Promised to pay the Bondholders in Greenbacks and they will enforce the Contract." at center. "Greenbacks Für Bonds" in Germanic script at bottom. Overall **Good** with roughness at the margins as illustrated. Scarce enough to see bids in the range of… (100-200)

552 **Greenbacks for Bonds**

Similar to the above lot, but the much scarcer design with Chase facing right. **Very Good** with a bit of margin chinking. (150-250)

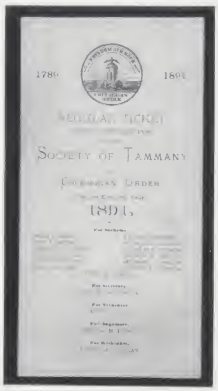
Morris and Stough, Coon Rapids, Iowa contains the lyrics to such favorites as **Sleep On, Oh Comrades, In Your Graves; Hear Dat Yell; Good Bye, Grover; Cleveland, King Cleveland** and **Bugler, Sound the Taps for Grover**. Republican Benjamin Harrison defeated President Cleveland in the Electoral College, despite the fact that Cleveland actually garnered more popular votes. Nice condition overall and free from chinks and tears. (50-100)



554 **Society of Tammany - 1891**

Regular Ticket for Officers of the Society of Tammany - An 1891 ticket with the organization's seal and a listing of candidates for office in the ensuing year. This group controlled New York City politics and government during the late 1800's. **About Uncirculated**. (100-200)

556 **The Cleveland Bank - $5**

557 **Convention Ticket - Republican National Convention, St. Louis 1896**

With attached admission coupon. St. Louis waterfront scene at left. General Grant's cabin at lower right. **Uncirculated** with mounting evidence. (50-75)

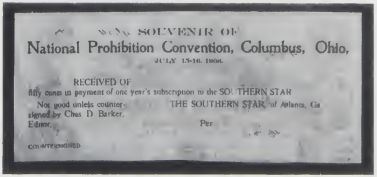
A scarce third party item with two admission stubs still attached. William Jennings Bryant, the Democratic standard bearer, was also selected by the Populists at their convention, held in the same auditorium where the Republicans met one month earlier. **Uncirculated**. (100-200)



559 **National Prohibition Convention - 1908**

A souvenir of this third party convention held in Columbus, Ohio. Printed on the back of a $20 remainder note of the Bank of Augusta, Georgia. The convention's nominee for the Presidency was Eugene Wilder Claffin, who garnered 253,840 votes. **Uncirculated**. (60-100)

560 **National Progressive Convention Admission, Chicago 1912**

Black, blue and red, with portraits of Lincoln, Washington and Jefferson. This was the "Bull Moose" party, which nominated Theodore Roosevelt, splitting the Republican vote and ensuring the election of New Jersey's Woodrow Wilson as President. **Uncirculated**. (50-100)

561 **The Nations Choice**

Unused political postcard promoting the candidacy of Republicans William Howard Taft and James S. Sherman in the election of 1908. Black, gold, red and blue, with the crossed flags at center and gold embellishments attractively embossed. (50-100)

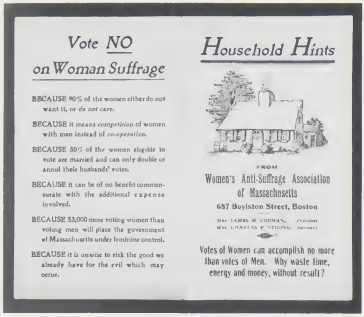
564 **Presidential Inauguration Program**

March 5, 1917. Program booklet for the inauguration of President Woodrow Wilson. The cover and envelope which house the booklet both bear an embossed variation similar to the Great Seal of the United States. (75-125)



Vote NO
on Woman Suffrage

BECAUSE 90% of the women either do not want it, or do not care.

BECAUSE it means competition of women with men instead of co-operation.

BECAUSE 80% of the women eligible to vote are married and can only double or annul their husbands' votes.

BECAUSE it can be of no benefit commensurate with the additional expense involved.

BECAUSE 53,000 more voting women than voting men will place the government of Massachusetts under feminine control.

BECAUSE it is unwise to risk the good we already have for the evil which may occur.

627 **Lawrence - The Lawrence Bank** $5.00 G8a Whitfield 216

630 **Lecompton - The State Bank** $5.00 Nov. 1, 1856 G8a Whitfield 336

An excessively rare Kansas Territorial issue from a location of great historical importance. Lecompton was the headquarters for the pro-slavery party during the period of 1855-1857, an era of warfare in the territory between pro-slavery and free soil factions. The struggle grew so vicious that the entire territory became known as "Bleeding Kansas." John Brown, later hanged for his role as the leader of an abortive slave insurrection at Harpers Ferry, Virginia, first established his reputation in the internecine Kansas warfare. When the free soil party gained power in Kansas in late 1857, the fate of Lecompton, which had been slated to become the territorial capital, was sealed, and the town soon declined to virtually nothing. Notes from this bank are all rated as R-7 in Whitfield, and this is the first example of any kind we have had in any of our sales. **Extremely Fine**, with just a touch of foxing in the lower margin. This is a great piece of American history which reminds us why we treasure and collect these notes. (400-800)

The Ray Burns Collection of Error Currency

We are honord to present below the Error Note Collection formed over the past twenty-five years by Ray Burns. Ray, a well known coin and currency dealer from Cleveland, Ohio, lavished an incredible amount of time and attention on this collection. He particularly appreciated errors in the more difficult to obtain denominations, and his holdings, especially in the fifty and one hundred dollar denominations, rival any ever assembled. The large size errors as well represent the most such examples offered to the collecting fraternity since the Grinnell sales back in the 1940's. Enjoy this exceptional offering, as its equal may not be seen again for many years.

ERROR NOTES

761 **Fr. 1256 10¢ Third Issue Extra Fine**

A major error, with a 100% dark offset of the face covering the entire back. This cataloger has handled over 10,000 Fractional notes over the past 35 years and this is the first full offset we have ever seen. Difficult to estimate, but we would presume at least… (500-up)

An Incredible Run of Large Size Errors

762 **Fr. 87 $5.00 1907 Very Fine Inverted Reverse.**

An extremely rare invert which is one of only seven reported in all grades for this entire series. This note, formerly lot 2583 of the 1984 Memphis auction, is one of the very nicest. (700-up)

A Pair of Excessively Rare Bison Inverts - Two of Three Known

763 **Fr. 114 $10.00 1901 Extremely Fine+ Inverted Reverse.**

A lovely note which is one of only two reported inverts for this signature combination and one of only three known from the entire series. Amazingly, we offer below the unique Fr. 122 invert as well. This lovely note traces its pedigree back to the F.C.C. Boyd collection formed in the 1930's and 1940's. This may well be the only opportunity to own a Bison invert until well into the next century. (1500-up)

764 **Fr. 122 $10.00 1901 Extremely Fine Inverted Reverse.**

Unique as an invert for this signature combination, and one of only three inverts reported to date from this entire series. Of the three, only one has been offered to collectors within the past decade. This is a beautiful note which is certain to become one of the highlights of the collection it now enters. (1500-up)

765 **Fr. 228 $1.00 1899 Very Good Inverted Reverse.**

Inverted reverse, and, as this was the top note on the sheet, the engraver's initials and part of the sheet number are still visible on the reverse. (250-up)

766 **Fr. 232 $1.00 1899 Fine-Very Fine Inverted Reverse.**

Newly discovered and unreported to date. Only two regular and one star invert are reported with this number, with one of the regular numbers ensconced in the ANA collection and the other not having appeared for sale since 1974. (400-up)

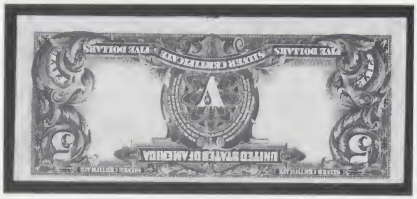
767 **Fr. 249 $2.00 1899 Very Good+ Inverted Reverse**

One of four inverts reported for this Friedberg number, the last of which appeared at public sale in 1981, where this example realized $200. In the far stronger error market of 1996, expect bids in the range of... (400-up)

Gorgeous 1899 $2.00 Invert

768 **Fr. 251 $2.00 1899 Crisp Uncirculated Inverted Reverse.**

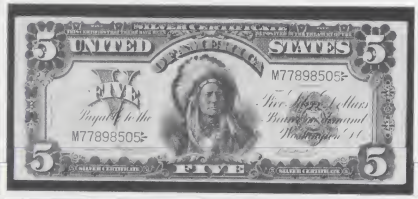
One of a consecutive pair of inverts. This example has not been offered since 1981, while its mate sold at auction in 1992 for $1540.00. If you are a serious collector of great errors, this is an item you must bring home. (1400-up)



769 **Fr. 271 $5.00 1899 Fine Inverted Reverse.**

One of the most desirable types for inverts, and one which is seldom available in any grade. This example has been off the market for 15 years. (750-up)

Uncirculated Chief Invert



770 **Fr. 278 $5.00 1899 Crisp Uncirculated Inverted Reverse.**

The virtual twin (and only three digits away from) the example we offered in our 1995 Memphis sale, which reached $5775.00. There is a small ink spot which was not present on that note, but this represents a real opportunity to obtain an extremely rare invert which may not again be available, especially in this grade, for many years. (3500-up)

771 **Fr. 720 $1.00 1918 Fine Inverted Reverse**

Unique as an invert for this signature combination and one of only eight reported inverts in this entire series. (350-up)

772 **Fr. 991 $20.00 1914 Fine Inverted Reverse.**

The only reported invert for this Friedberg number and one of only three extant for this entire series. Of those, only two are available to collectors, with the third ensconced in the American Numismatic Association museum. (400-up)

773 **Fr. 1187 $20.00 1922 Very Fine Inverted Reverse.**

An attractive example which is one of only three inverts reported for this Friedberg number. The last public offering of any of the three pieces was over ten years ago, when the example offered here last changed hands. (700-up)

774 **Fr. 41 $2.00 1862 Good.**

The right-hand serial number ends with a flying digit. We are not at all sure how this happened because a stuck digit on a numbering wheel should have created the situation where only the bottom of the digit printed, yet this number is completely clear even though it's totally misaligned. The note itself is missing its upper right-hand corner but is nonetheless a significant early Large Size error. (400-up)

775 **Fr. 278 $5.00 1899 Very Fine.**

The ultimate in a serial number mismatch. This note is the only known mismatched serial number example for the entire series, and traces its lineage to lot 1014 of the fabled Grinnell sale (where, for the record, it was graded Extremely Fine). Hard to estimate, but with the active market for errors, likely to see bidding end in the area of… (1000-up)

776 **Fr. 93 $10.00 1862 Very Good.**

The Treasury seal is so grossly misplaced that it completely covers the head of the allegorical figure at the upper right. This note is identical in all respects to the similar example we sold in January of 1995, and is in fact from the same face plate, B4, indicating that in fact this is an error note and not part of the original layout of the type. That Fine example sold for $962.50 and this should be worth just about the same amount. (750-up)

777 **Fr. 17a $1.00 1862 Fine-Very Fine.**

About half of the red Treasury seal at left is missing due to an obstructed printing. (400-up)

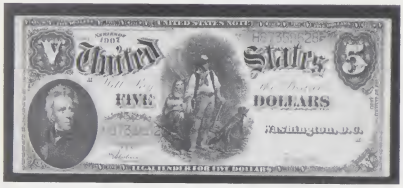
778 **Fr. 36 $1.00 1917 Choice About Uncirculated.**

A well margined and very bright example with an obstructed printing on the reverse. (250-up)

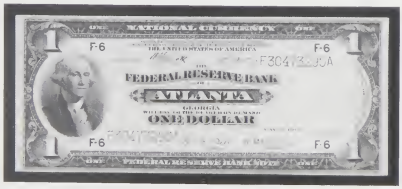
779 **Fr. 85 $5.00 1907 Very Fine.**

A neat error on a large size note. The Treasury seal is almost entirely missing, likely as the result of a printing obstruction. (400-up)



780 **Fr. 91 $5.00 1907 Fine+.**

Missing the red seal and "V" overprint at right. This is very likely Grinnell Lot 416 as the description and grade match perfectly. (500-up)



781 **Fr. 726 $1.00 1918 Very Fine.**

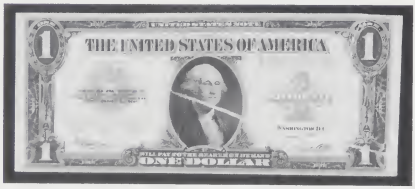
A most dramatic error, with the seal totally missing from the right side. Look for some active bidding to take this note home. (500-up)

782 **Fr. 237 $1.00 1923 Extremely Fine.**

An extremely rare large size error with a bold full offset of the blue overprint on the reverse of the note. (1000-up)

783 **Fr. 36 $1.00 1917 Very Fine.**

A large gutter fold from top to bottom makes for a most dramatic error. (250-up)



784 **Fr. 40 $1.00 1923 Very Fine+.**

Two gutter folds are evident on this piece, which is the only 1923 $1.00 Legal we've seen with an error of this kind. (250-up)

785 **Fr. 58 $2.00 1917 Choice Crisp Uncirculated.**

A beautiful note with a huge gutter fold. This would be a very nice type note even without this striking error. If you are a serious collector of these rare early errors, this is a note you should own. (500-up)

786 **Fr. 88 $5.00 1907 Choice About Uncirculated.**

A top to bottom gutter fold on this note, which is in exceptional condition for any large size error. (400-up)

Rare Double Denomination Note

787 **Fr. 868 $5.00/$10.00 1914 Fine+. Double Denomination.**

This example is one of seven double denominations reported for this Friedberg number. Of that total, only this example has been on the market since 1984. Expect to see bidding reach or exceed.... (4000-up)

788 **Fr. 1504 $2.00 1928C Legal Tender. Extremely Fine. Inverted Reverse.**

A very rare denomination for inverts, particularly one so early as this. This will be one of the highlights of the collection it enters. (350-700)

789 **Fr. 1525 $5.00 1928 Legal Tender. Fine-Very Fine. Inverted Reverse.**

Another extremely rare early invert. (250-500)

790 **Fr. 1600 $1.00 1928 Silver Certificate. About Uncirculated. Inverted Reverse.**

A very high grade example of this early invert. (300-600)

791 **Fr. 1601 $1.00 1928A Silver Certificate. Choice Crisp Uncirculated. Inverted Reverse.**

A lovely invert which is fully Gem but for a slightly off center reverse. (350-650)

Incredible Cut Half Sheet of Inverts

792 **Fr. 1601 $1.00 1928A Silver Certificates. Choice Crisp Uncirculated. Cut Half Sheet of Inverted Reverses.**

A wonderful group of six pieces, formerly lot 5605 in the fabled Grinnell collection sale. We have never had anything comparable to auction, and, once the Ray Burns Collection of errors is sold, will likely never have another comparable group to sell. (1750-3500)

793 **Fr. 1606 $1.00 1934 Silver Certificate. Choice Crisp Uncirculated. Inverted Reverse.**

We've had several 1934 $1.00 Silver inverts to offer in previous sales, but never one to compare in grade to this note. If you collect the finest in errors, buy this note and we guaranty you will not be disappointed. (400-700)

794 **Fr. 1606 $1.00 1934 Silver Certificate. Very Fine. Inverted Reverse.**

In most sales, this would be one of the better error lots. (200-400)

795 **Fr. 1607 $1.00 1935 Silver Certificate. Fine. Inverted Reverse.**

Only the second Series 1935 $1.00 Silver invert we've handled. (250-450)

796 **Fr. 1608 $1.00 1935A Silver Certificate. About Uncirculated. Inverted Reverse.**

The first 1935A Silver Certificate we've had to offer with an inverted reverse. (300-500)

797 **Fr. 1701 $10.00 1934 Silver Certificate. Choice Extremely Fine-About Uncirculated. Inverted Reverse.**

We have never had even one $10.00 Silver invert to offer before this lovely note came along. This really rare piece is fit for the finest of error holdings. (400-800)

Extremely Rare National Bank Note Invert

798 **Fr. 1801-1 $5.00 1929 National Bank Note. The North Broad NB of Philadelphia. Ch. # 13325. Choice About Uncirculated.**

An extremely rare error on Nationals. This is a beauty which is sure to see some spirited bidding. Only when great collections are dispersed does the opportunity come along to obtain material of this quality. (1000-2000)

799 **Fr. 1850-G $5.00 1929 Federal Reserve Bank Note. Very Fine. Inverted Reverse.**

We have neither seen nor heard of any invert from this series being available for sale until this piece turned up in the Burns Collection. A liberal bid is suggested to bring home this rarity. (400-800)

800 **Fr. 1950-K $5.00 1928 Federal Reserve Note. Very Fine-Extremely Fine. Inverted Reverse.**

A high grade and very scarce early invert. (300-500)

801 **Fr. 1951-A $5.00 1928A Federal Reserve Note. Extremely Fine+. Inverted Reverse.**

Attractive example of this very scarce early invert. (250-500)

811 **Fr. 2075-D $20.00 1985 Federal Reserve Note. Crisp Uncirculated.**

Another wonder note from the Ray Burns Collection. The face is perfect, while the reverse is inverted and dramatically misaligned as well. We have handled no other errors such as this in any of our sales. (500-1000)

812 **Fr. 2152-C $100.00 1934 Federal Reserve Note. Crisp Uncirculated. Inverted Reverse.**

A great rarity both for the denomination and for the fact that this is an early invert. Expect to see some spirited competition to bring this lot home. (700-1200)

Excessively Rare Inverted Hawaii Overprint

813 **Fr. 2304 $20.00 1934 Hawaii Federal Reserve Note. Extremely Fine. Inverted Hawaii Overprint on Reverse.**

A great error which even the Doovas holdings, which contained more Hawaii note errors than any collection ever offered at public sale, did not have. A liberal bid is suggested to bring this spectacular error home. (1000-2000)

Incredible Error Fifty

814 **Fr. ? $50.00 Federal Reserve Note. Extremely Fine.**

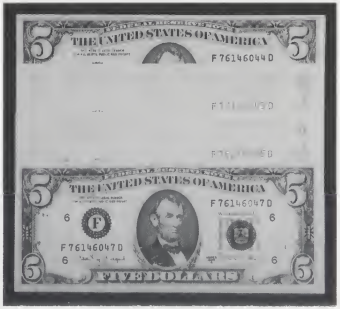
The face is completely blank, and the third printing is printed on the reverse. The third printing on reverse error is scarce on this denomination, but hardly unknown. What may well be unique is the missing face first printing in conjunction with that error, a combination we have never seen or heard of previously. (600-1000)

815 **Fr. ? $1.00 Federal Reserve Note. About Uncirculated.**

An attractive example missing the entire first printing. (200-400)

816 **Fr. ? $5.00 Federal Reserve Note. Choice Crisp Uncirculated.**

Missing the entire first printing, always a most striking error. (300-600)



817 **A Rare Error Grouping**

Fr. 1980-F $5.00 1988A Federal Reserve Notes. Gem Crisp Uncirculated.

The first set of its kind we have seen, with a normally printed note followed by two consecutive pieces missing the first face printing with another consecutive normally printed note bringing up the rear. The first and last notes have one tiny ink spot in the top margin, but the two consecutive errors are magnificent perfect Gems. This would make a great display item or conversation piece. Expect to see some spirited bidding to determine who brings this lot home. (700-1000)

818 **Fr. ? $10.00 Federal Reserve Note. Gem Crisp Uncirculated.**

An unimprovable example with jumbo margins. (300-600)

819 **Fr. ? $10.00 Federal Reserve Note. Gem Crisp Uncirculated.**

A beautiful example of a missing first printing. (300-600)

822 **Fr. 1982-F $1.00 1993 Federal Reserve Note. Choice Crisp Uncirculated.**

824 **Fr. 2174-G $100.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.**

An obstruction prevented the first face printing from covering about 25% of the note. This is a lovely and very scarce error. (250-500)

825 **Fr. 2011-C $10.00 1950A Federal Reserve Note. About Uncirculated.**

An obstruction has caused about 15% of the reverse to be blank. (50-100)

826 **Fr. 2011-B $10.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

A striking obstruction error where half of the reverse is unprinted. (150-300)

827 **Fr. 2011-G $10.00 1950A Federal Reserve Note. Choice Crisp Uncirculated.**

An obstruction has caused about 20% of the reverse of the note to be blank. (75-125)

828 **Fr. 2077-G $20.00 1988A Federal Reserve Note. Choice Crisp Uncirculated.**

An intriguing double error. After a normal first printing, an obstruction caused a foldover which resulted in the corner being printed twice while about 20% of the reverse was left blank. (100-200)

829 **Fr. 1613 $1.00 1935D Silver Certificate. Gem Crisp Uncirculated.**

A very striking obstruction error. The embossing for the missing portion of the right serial number and the seal is quite evident. (150-300)

An obstruction in printing has caused most of the Treasury seal and right serial number not to have been printed. (75-150)

831 **Fr. 1650 $5.00 1934 Silver Certificate. Crisp Uncirculated.**

834 **Fr. 2001-F $10.00 1928A Federal Reserve Notes. Choice Crisp Uncirculated.**

A really scarce set of three consecutive notes, each with a different part of the left serial number obliterated in some way. Early errors are really rare, and this set is a dandy. (400-800)

850 **Fr. 1935-K $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

A magnificent example of the key piece (along with the hundred) to any set of inverted third printings. The example we offered in our Orlando sale brought $935.00, and this piece is fully its equal. (600-1000)

851 **Fr. 1973-E $5.00 1974 Federal Reserve Note. Crisp Uncirculated.**

This is a tougher denomination for this error. There is some evidence of handling, but the note is unusually vivid. (100-200)

The first Dallas district inverted third printing on this denomination we've seen. (150-250)

855 **Fr. 2060-D $20.00 1950A Federal Reserve Note. Fine+.**

Inverted third printing. It's hard to see how a dramatic error such as this could circulate as long as it obviously did. (75-150)

856 **Fr. 2071-B $20.00 1974 Federal Reserve Note. Very Good. Fine.**

Hard to believe this inverted third printing got so much circulation before the error was detected, as these are not exactly inconspicuous. (60-100)

857 **Fr. 2071-G $20.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

A very bright inverted third printing example. (150-250)

858 **Fr. 2075-D $20.00 1985 Federal Reserve Note. Extremely Fine.**

859 **Fr. 2077-L $20.00 1988A Federal Reserve Note. Choice Crisp Uncirculated.**

A nice double error, as the third printing is inverted and the note is miscut, showing a piece of the adjacent note at the top. (225-425)

885 **Fr. ? $1.00 Silver Certificate. Crisp Uncirculated.**

These notes, missing the entire third printing, have always been among our favorite errors. We still find it hard to imagine that, back when quality control was still something more than a management buzzword at the BEP, these notes could have escaped into circulation. (300-500)

923 **Fr. 1935-B $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

Mismatched prefix letters H/B. (125-175)

924 **Fr. 1935-B $2.00 1976 Federal Reserve Note. Choice Crisp Uncirculated.**

Another H/B mismatched prefix letter example, just as nice as that above save for a small margin crease. (100-150)

925 **Fr. 1935-K $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

Interesting $2.00 error where excess inking has virtually obliterated the city and state from the Federal Reserve seal at left. The last one of these we had to offer brought $176.00 in our 1995 Memphis sale. (125-225)

926 **Fr. 2030-B $10.00 1990 Federal Reserve Note. Very Fine.**

The district seal and numbers are printed in green ink instead of black. There are several inked numbers on the face, but the error is quite unmistakable. (100-200)

The third printing is shifted quite dramatically to the left. (150-300)

931 **Fr. 1532 $5.00 1953 Legal Tender. Gem Crisp Uncirculated.**

The third printing is shifted substantially to the right, which is a very difficult to find error in this series. This example is unusually well centered and bright as well. (125-250)

932 **Fr. 1614 $1.00 1935E Silver Certificate. Choice Crisp Uncirculated.**

A scarce error with only the series and signatures shifted to the left. This type of error is only found on 1935E Silvers from the latter part of the run. (150-250)

933 **Fr. 1614 $1.00 1935E Silver Certificate. Gem Crisp Uncirculated.**

A bit nicer than the similar example in the Doovas sale which brought $110.00. (100-150)

The third printing has shifted nearly into the next county on this great note from the Ray Burns Collection. (125-250)

941 **Fr. 1935-C $2.00 1976 Federal Reserve Note. Extremely Fine+.**

Third printing shifted to the right on this Bicentennial Two. Ray Burns concentrated his attention on errors in this series, as well as focusing on high denomination errors, all of which he felt were rare and undervalued. (200-400)

960 **Fr. 2169-B $100.00 1981 Federal Reserve Note. Choice Crisp Uncirculated.**

One of the more spectacular errors in this great collection. This is one of the few notes that the Bureau has produced in recent years which has three district numbers on the right side and none on the left. You won't see a more dramatic shifted third printing error. A few inconsequential ink spots on the reverse must be mentioned for the sake of accuracy. (500-900)

961 **Fr. 2172-B $100.00 1988 Federal Reserve Note. Gem Crisp Uncirculated.**

Severely shifted district seal and numbers on the third printing, although the green seal and serial numbers are perfect. (175-325)

Fr. 2011-C $10.00 1950A Federal Reserve Note. Fine

963 **Shifted Overprints**

Fr. 2073-F $20.00 1981 Federal Reserve Note. Extremely Fine.

The third printing district seals and numbers are shifted substantially lower on both notes. (125-175)

Neat foldover where part of the left serial and signature is printed on the folded over portion of the note. (60-100)

965 **Fr. 1614 $1.00 1935E Silver Certificate. About Uncirculated.**

Interesting foldover error where part of the left serial and signature is printed on the folded area. (75-125)

968 **Fr. 1907-F $1.00 1969D Federal Reserve Note. Gem Crisp Uncirculated.**

A consecutive pair, with the first note having an inadequately inked third printing on the right, while the second note has a massive foldover covering the entire right side. (125-225)

969 **Fr. 1908-B $1.00 1974 Federal Reserve Note. About Uncirculated.**

A major foldover error, where the extra paper tore as it absorbed the third printing. There are a few minor pinholes. (125-250)

970 **Fr. 1908-E $1.00 1974 Federal Reserve Note. About Uncirculated.**

One of the ultimate foldover errors we've ever seen, and another of the Ray Burns rarities. If you are a serious collector of errors, this is a note you should own. (300-600)

971 **Fr. 1909-E $1.00 1977 Federal Reserve Note. Choice Crisp Uncirculated.**

As dramatic a foldover as we've had to offer. Both the first and third printings went over the folded area, creating a huge blank space on the face and a sharp overprint as well. (200-400)

972 **Fr. 1910-K $1.00 1977A Federal Reserve Note. Choice Crisp Uncirculated.**

Nice foldover error. (75-125)

973 **Fr. 1913-G $1.00 1985 Federal Reserve Note. About Uncirculated.**

A really bizarre multiple butterfly fold with lots of extra paper. (150-300)

An extremely dramatic foldover error, very scarce on this denomination. (350-700)

976 **Fr. 1979-B $5.00 1988 Federal Reserve Note. About Uncirculated.**

A nice butterfly fold. (75-125)

977 **Fr. 2011-F $10.00 1950A Federal Reserve Note. About Uncirculated.**

An as made paper tear caused this note to fold as it went through the third printing, resulting in the district seal, the series designation, and part of the left serial number to be printed on the reverse. Although clearly marked for rejection, with both pencil markings and a rejection tag, it somehow escaped from the Bureau. If your taste in errors runs to the unusual, this is a note for you. (200-400)

978 **Fr. 2014-J $10.00 1950D Federal Reserve Note. Choice Crisp Uncirculated.**

Nice foldover error showing part of the third printing on the folded over piece. (100-150)

979 **Fr. 2017-L $1.00 1963A Federal Reserve Note. Very Fine.**

A dramatic butterfly fold error with the treasury seal partially printed in the right margin and the Secretary's signature partially on both sides of the note. (75-125)

980 **Fr. 2022-B $10.00 1974 Federal Reserve Note. Choice Crisp Uncirculated.**

A simply incredible multiple foldover error. In addition to the piece of extra paper from the note below, there is another foldover on the extra piece which has split the seal on the new foldover. This is certain to become one of the showpiece items for the fortunate collector lucky enough to bring this item home (500-900)

981 **Fr. 2025-G $10.00 1981 Federal Reserve Note. Choice Crisp Uncirculated.**

A foldover has caused the district seal, number and serial number to be printed at right angles on the reverse. (125-225)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in September of 1996!

982 **Fr. 2027-J $10.00 1985 Federal Reserve Note. Choice About Uncirculated.**

A whopper of a foldover error. As best we can determine, the first printing on the reverse was normal. The paper was then folded, and received the first face printing, although there was clearly an obstruction which received part of that impression. The paper then unfolded, and the third printing was printed on the blank area. This is another great item from the Ray Burns Collection. (250-450)

983 **Fr. 2029-J $10.00 1988A Federal Reserve Note. Extremely Fine.**

Almost the mirror image of the Fr. 2027-J foldover error offered above. Here the obstruction was on the reverse. (150-300)

984 **Fr. 2059-E $20.00 1950 Federal Reserve Note. Extremely Fine.**

Large butterfly fold on the right side. (75-125)

985 **Fr. 2060-D $20.00 1950A Federal Reserve Note. Choice Crisp Uncirculated.**

A most unusual error, likely the result of a broken plate, as the paper is perfect and displays no evidence of a butterfly fold whatever. (100-200)

986 **Fr. 2061-E $20 1950B Federal Reserve Note. About Uncirculated.**

There is a butterfly corner at the upper right which contains plate numbers and registration marks. (100-150)

987 **Fr. 2070-H $20.00 1969C Federal Reserve Note. Choice About Uncirculated.**

A huge foldover, with the adjacent piece of the note on the sheet below. This is about as dramatic as this type of error ever comes. (300-600)

995 **Fr. 2120-F $50.00 1981 Federal Reserve Note. About Uncirculated.**

An interesting error. There is no obvious foldover, but the third printing is missing from the left side on the face, and the reverse bears the last two digits and letter of the serial number printed at roughly right angles of the norm. (150-300)

996 **The Ultimate Foldover Error**

Fr. 2122-J $50.00 1985 Federal Reserve Note. About Uncirculated.

A great note from the Ray Burns Collection, and our candidate for the most dramatic error of the sale. (500-900)

997 **Fr. 2123-B $50.00 1988 Federal Reserve Note. Choice Crisp Uncirculated.**

A massive folding error on this extraordinarily desirable note, which shows a large piece of the adjoining note on the sheet. (400-800)

An Outstanding Assemblage of $100.00 Fold Errors

998 **Fr. 2160-B $100.00 1950C Federal Reserve Note. Crisp Uncirculated.**

The first of Ray Burns' $100.00 fold errors. For over 25 years Ray purchased every $100.00 error note he saw, knowing that most were one of a kind and that errors on high denominations would always maintain their rarity. This and the notes that follow are the proof of that belief, as all are either unique or excessively rare. This huge gutter fold is as nice as any we've ever seen. (600-1200)

999 **Fr. 2161-A $100.00 1950D Federal Reserve Note. Extremely Fine.**

Multiple folds with printing on both sides. (350-650)

1000 **Fr. 2167-F $100.00 1974 Federal Reserve Note. Choice Crisp Uncirculated.**

Multiple printed butterfly fold. (350-650)

1003 **Fr. 2168-B $100.00 1977 Federal Reserve Note. Very Fine.**

Foldover error, with most of the left seal and serial printed on the folded over piece. There is some writing under the folded over piece. (140-180)

1004 **Fr. 2169-B $100.00 1981 Federal Reserve Note. About Uncirculated.**

Another superlative foldover error. (450-900)

1005 **Fr. 2171-D $100.00 1985 Federal Reserve Note. Choice About Uncirculated.**

A massive foldover error on a $100.00 bill. This is about the largest and most striking error of its kind that Ray Burns could find in his many years of collecting. (450-900)

1006 **Fr. 2171-G $100.00 1985 Federal Reserve Note. Choice About Uncirculated.**

An as made paper fold opened before the third printing, causing that to be skewed on the left and leaving the unusual cutting you see. (200-400)

1007 **Fr. 2174-G $100.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.**

1008 **Fr. 2402 $20.00 1928 Gold Certificate. About Uncirculated.**

A foldover error or obstruction caused a substantial area of the face to be blank. The missing corner likely occurred when the folded over piece separated from the note. This is a very rare error on a series in which errors of any kind are few and far between. (450-900)

1009 **Fr. 1614 $1.00 1935E Silver Certificate. About Uncirculated.**

Fr. 1962-D $5.00 1950A Federal Reserve Note. Crisp Uncirculated.

The $1.00 Silver has a small butterfly fold at the top right, the $5.00 has a small butterfly plus an obstructed printing area at the lower right. (50-100)

1010 **Fr. 1913-G $1.00 1985 Federal Reserve Note. Fine-Very Fine.**

A striking gutter fold which opened during the first face printing and closed during the second, leaving the seals split when it reopened. (60-100)

1011 **Fr. 2060-A $20.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

A most appealing error, with some paper creases causing a third printing mishap on the right side, and with two BEP rejection stickers as well. (125-225)

1012 **Fr. 2072-B $20.00 1977 Federal Reserve Note. Extremely Fine.**

The portrait is split in two by a top to bottom gutter fold. (50-100)

Five pieces, each with at least one gutter fold, the first and fourth with multiple gutter folds. (60-100)

1015 **Fr. 1509 $2.00 1953 Legal Tender. Crisp Uncirculated.**

The face is perfectly normal, but an out of alignment printing has caused the reverse to be severely miscut. This is a dramatic and scarce error in this denomination. (200-400)

1016 **Fr. 1614 $1.00 1935 Silver Certificate. About Uncirculated.**

An interesting cutting error, with part of both the front and back of the adjoining note showing. (75-125)

1017 **Fr. 2011-A $10.00 1950A Federal Reserve Note. Extremely Fine.**

Nice example of this off line printing error. (100-200)

1018 **Fr. 1978-F $5.00 1985 Federal Reserve Note. Gem Crisp Uncirculated.**

One of the most dramatic cutting errors we have ever been privileged to offer. How this note, cut as it is on both front and back, managed to escape the Bureau's inspection process remains a complete mystery. (400-800)

1019 **Fr. 2029-F $10.00 1988A Federal Reserve Note. Very Fine.**

The misalignment of the third printing caused the cutting error, resulting in this rare and unusual note. (250-500)

1021 **Fr. 2077-G $20.00 1988A Federal Reserve Note. Very Fine.**

Third printing is a bit low, resulting in a cutting error which shows a small piece of the note below on the sheet. (40-80)

1022 **Fr. 2169-D $100.00 1981 Federal Reserve Note. Extremely Fine.**

Misaligned on the reverse, with just a small piece of the note below showing. There is a bank stamp on the reverse which shows through to the front. (150-225)

1025 **Fr. 1935-H $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

1027 **Fr. 2073-D $20.00 1981 Federal Reserve Note. Choice Crisp Uncirculated.**

A second 100% back to front offset. While perhaps not quite so dramatic as the note above, it is still far above the average for these errors. (60-100)

1028 **Fr. 2074-D $20.00 1981A Federal Reserve Note. Choice Crisp Uncirculated.**

A very dark and sharply printed offset covers the face of the note. (100-200)

1029 **Fr. 2125-C $50.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.**

A double error on this note, with a 95% offset and a small gutter fold at the top margin. (175-325)

Unique Mellon Autographed Star Error with no Back Plate Number

1044 **Fr. 1501★ $2.00 1928 Legal Tender. Crisp Uncirculated.**

A wonderful opportunity for the small size aficionado. This attractive note is a star with the courtesy autograph of Secretary of the Treasury A.W. Mellon, but, even more important, it is one of the handful of examples known lacking the back plate number. Gem but for a well hidden corner fold, this is certain to be a significant addition to any advanced collection of small size notes. (1000-2000)

Excessively Rare Star Invert

1045 **Fr. 1613★ $1.00 1935D Silver Certificate. Crisp Uncirculated.**

Truly one of the most impressive errors we have ever seen. There might be other star inverts available, but if there are, we have not ever seen them. This is an irreplaceable note worthy of the finest collection. (1000-2000)

1046 **Fr. 1900-D★ $1.00 1963 Federal Reserve Note. Fine-Very Fine.**

Gutter fold on a star note. (30-60)

There is a small offset area on the reverse, scarce on a star note. (125-175)

1051 **Excessively Rare End of Roll Paper Error**

Fr. 1620 $1.00 1957A Silver Certificate. Fine-Very Fine.

A bizarre error where the paper has a 9/16" red stripe running through it which begins near the bottom and runs diagonally to near the top. The paper is clearly currency paper and the various printings have clearly been applied over the red stripe. This may be an end of roll error, where the paper has been marked accordingly, but, if so, it is the first of its kind we have handled. (400-800)

1052 **Fr. 1914-L $1.00 1988 Federal Reserve Note. Gem Crisp Uncirculated.**

An excessively rare error where the misalignment of the third printing due to a fold in the sheet as it was fed into the printer caused the cutter to include a substantial part of the note above. When unfolded, this is quite an oversize example, the likes of which we have not previously observed. (500-1000)

Incredible Cutting Error Trio

1053 **Fr. 1935-E $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

A massive cutting error on a Bicentennial Deuce makes this one of the highlights of the Ray Burns Collection. (600-1200)

1054 **Fr. 1978-F $5.00 1985 Federal Reserve Note. Gem Crisp Uncirculated.**

Another wonderful cutting error. If at all possible, these three fantastic pieces should be kept together in one collection. (400-800)

1055 **Fr. 2027-D $10.00 1985 Federal Reserve Note. Gem Crisp Uncirculated.**

A great mega-error in this series of wonderful notes from the Ray Burns Collection. (500-1000)

1058 **Fr. 2174-D $100.00 1990 Federal Reserve Note. Choice Crisp Uncirculated.**

A wonderful error and on a hundred no less. The only similar piece we have ever had to offer sold for $880.00 in a much softer error market a couple of years ago. Expect some real competition to see who carries this home. (600-1000)

1059 **Fr. 1915-E $1.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.**

A lovely example of the double printed first printing over 100% of the face. Dark and dramatic, this will be one of the highlights of the collection it now enters. (500-1000)

Bicentennial Deuce Double Printing

1060 **Fr. 1935-I $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

Without a doubt, one of the most dramatic and significant errors we have ever offered. Over the years we have had several of these doubled first printings in our sales, but this is the first $2.00 example and the most difficult to describe, as the two impressions landed almost on top of each other, causing the almost complete obliteration of all of the words at the top of the note. This rare and wonderful note is certain to please its new owner for many years. (1250-2500)

Spectacular Double Printing

1062 **Fr. 1974-F $5.00 1977 Federal Reserve Note. Choice About Uncirculated.**

This is easily the most eye catching double printing we have ever seen. The two impressions are so far off that Lincoln has four clear and distinct eyes and the face plate numbers, usually indistinct, are fully visible on both sides. There is a touch of blue ink, mostly in the margins, but if you are a serious collector of errors, this is the type of note you dream about owning. (1000-1500)

1063 **Fr. 2074-B $20.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

A very dramatic double printing covering the entire face. This is a premium example of this rare error and is certain to find a place among the finest of collections. Expect to see a winning bid in the range of… (500-1000)

1064 **Fr. 2168-B $100.00 1977 Federal Reserve Note. Extremely Fine.**

1065 **Fr. 1961-L $5.00 1950 Federal Reserve Note. Extremely Fine.**

A striking early error with as noticeable a reverse double printing as we have ever encountered. There is a BEP rejection sticker at the upper right, so apparently the inspectors noticed this as well. (400-800)

1066 **Rare Double Printed Reverse**

Fr. 2010-E $10.00 1950 Federal Reserve Note. Gem Crisp Uncirculated.

An extremely rare full double impression on the reverse. The multiple printings have left two distinct plate numbers (1292 and 1333) visible. The Extremely Fine example we had in our Orlando sale of a similar error realized $660.00. It would not surprise us to see this considerably superior note bring a four figure price in this sale. (600-1000)

1067 **Fr. 2077-D $20.00 1988-A Federal Reserve Note. Extremely Fine+.**

Nice double printed reverse, showing plate numbers 21 and 23. (350-650)

1068 **Fr. 2157-G $100.00 1950 Federal Reserve Note. Extremely Fine+.**

A strongly double printed reverse, with plate numbers 103 and 105. This is an incredibly rare early $100.00 error worthy of a place in the finest of collections. (600-1200)

A Simply Extraordinary Error

1068A **Fr. 2075-C $20.00 1985 Federal Reserve Note. Choice Crisp Uncirculated.**

An incredible note and accompanying BEP cardboard form scrap. Somehow, the irregularly shaped piece of scrap was placed atop the note and received most of the third printing. Affixed to the note by a small piece of wadded up double faced tape, the note and the BEP form then entered circulation. We have never seen or heard of any examples quite like this, and expect some serious competition to determine who takes home this amazing error. There is a tiny blue spot in the lower margin, but otherwise the note itself is fully new. The BEP form is virtually new as well. (1000-2000)

It has been several years since we have had a pair of these rare stars to offer. Both notes are fully fresh and original and neither displays even a hint of circulation. The "R" star does have one tiny ink spot over the left serial number. With that exception, the quality of each piece is flawless. A liberal bid is suggested, as we know of no other pairs of these stars on today's market. (3500-5500)

1330 **Fr. 2220-E $5000.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.**

To our best knowledge this magnificent Richmond District note is the only truly Uncirculated 1928 $5000 known from any district. It shows full original embossing, is well centered, beautifully bright, and printed both face and back with the quality one associates with proof notes. We have seen a fair number of high grade $5000s in the past few years, all of which have been from the 1934 series, and none of which could compare in quality with this magnificent 1928. (25,000-35,000)

1331 **Fr. 2231G $10,000.00 1934 Federal Reserve Note. Choice Crisp Uncirculated.**

This is the first $10,000 that we have had to offer in any of our sales, and it is a beauty. It is crisp, clean, and strictly original with nice even margins all the way around on both the face and back. Only 3,480 pieces were printed for the Chicago district and this note must number among the very finest of the survivors. These high denomination notes have always had a special allure to collectors and this clean, beautifully printed piece is magnetic in its appeal. Opportunities to acquire an example of our highest denomination circulating note in near pristine condition are few and far between. If you can't afford to take this home, make sure you have the opportunity to examine it at the lot viewing. (35,000-45,000)

1367 **Superb $20.00 Cut Half Sheet**

Fr. 2402 $20.00 1928 Gold Certificates. Cut Half Sheet of Six. **Gem Crisp Uncirculated.**

This cut half sheet is the happy exception to the rule that the 1928 $20.00 Gold Certificates are impossible to find fully original and well centered. The six notes in this cut half sheet are as nice as any that exist. Each has wonderful color, just off the press freshness, and, just as important for this issue, virtually letter perfect centering. LARGE SIZE TYPE NOTE PROOFS

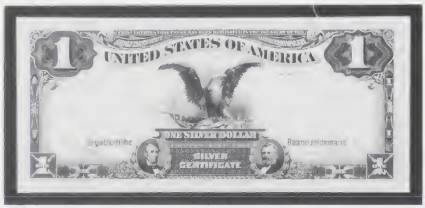
1386 **$1 Legal Tender Reverse Back Design.** From the Columbia Bank Note Company design that was used on all Legal Tender $1 notes from 1874 to 1917. It is **Superb Gem New**, printed on India paper and mounted on card. The razor sharp quality of the printing is unlike anything achieved on the actual notes. (1500-up)



1387 **$1 1899 Face Proof.** Printed on India paper mounted on card, this completed face proof of the Black Eagle design appears to be the piece listed as Fd 62 on page 122 of Hessler's book. There are some very minor razor cuts and several of the minor design elements are pasted in place. (1500-up)

1388 **Proposed design for the $2 Legal Tender Note.** An early progress proof printed on India paper and mounted on a card. This design was originally intended for the face of the $2 Legal Tender note beginning with the 1869 series. It is identical to LE 6 on page 45 of Hessler's book but lacks the handwritten date. (1750-up)

1389 **$5 1895 Educational Proof Note Superb Gem New.** An absolutely flawless, wide margin proof of the $5 Educational face which differs only in some minor subtleties from the note as it was finally issued. It is superbly well printed on fine India paper, which is mounted at its corners to a heavy soft card. It appears to be very similar although not identical to SE 15 on page 115 of Gene Hessler's essay, proof and specimen book. The series of 1895 date gives rise to speculation that the Educational Notes were intended to be issued a year earlier than actually came about. Due to their extreme rarity, which works against an active market, Large Size proofs and essays are a very under appreciated field. Based on its rarity and beauty, this should be a five figure item, but the market dictates it will likely sell for about .. (2500-up)

1390 **$10 1880 Back Proof.** This is the specific proof listed on page 52 of Hessler's book as Fd 16 BD. It's printed on India paper mounted on a card, with the notation in the wide bottom margin, "Proof of Old flat piece before working over. Started new die April 1, 7/96 T.F.M. [Thomas F. Morris]." The piece grades a beautiful **Gem New** with perfect color and a full proof-quality impression. (1500-up)

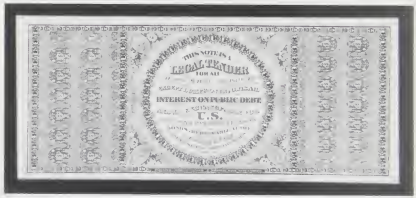
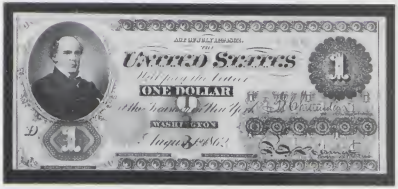
1391 **$10 1882 National Bank Note Face Proof.** Printed on India paper mounted on a card, this partially prepared face plate is unreported in the Hessler reference. It is similar, but not identical to the adopted design, as among other minor differences it lacks the spaces about the margin for the charter number to appear. It also has the signature of Chittenden as Register, a signature long out of play before this design was put into use. There are various razor cutouts, as was often the case with these early proofs. (1500-up)



1392 **$100 1862 Reverse Proof.** Printed on India paper and mounted on card, this is the reverse companion piece to the face design illustrated on page 42 of Hessler's book. It is a superb Gem finished proof with the needle sharp quality only proofs offer. (1500-up)

LARGE SIZE TYPE NOTES

LEGAL TENDER NOTES



1393 **Fr. 16 $1 1862 Choice New.** Enhanced by the low, even serial number 200. The colors are quite nice and the note is strictly original, fully qualifying as a Gem in every sense except for the centering. (750-up)

1394 **Fr. 16 $1 1862 Choice About New.** Bright and well margined, this note gives the appearance of a Gem unless examined extremely closely. (450-up)

1395 **Fr. 16 $1 1862 About New**. Essentially a New note with a few tiny edge splits reinforced on the back. (300-up)

1396 **Fr. 16 $1 1862 Extremely Fine.** Huge margins and excellent ink colors, but the paper is a bit toned. (350-up)

1397 **Fr. 18 $1 1869 Gem New.** A very good-looking Rainbow Ace with exceptional margins for the issue. Even the back centering, which is often skewed on this series, is perfectly centered on this note. (1250-up)

1398 **Fr. 18 $1 1869 Extra Fine.** There is one pinhole and some writing in the top margin of the back. (400-up)

1399 **Fr. 19 $1 1874 New.** The note exhibits decent color and grades nearly Choice. (250-up)

Gem 1875 Series C

1400 **Fr. 23 $1 1875 Series C Gem New.** An extraordinary grade for this rare "Series C" note. The surfaces are fresh and the note is strictly original, with the red overprint vivid, as are the black and green inks. It is fully the equal of any note of this number that we have ever seen. (2750-up)

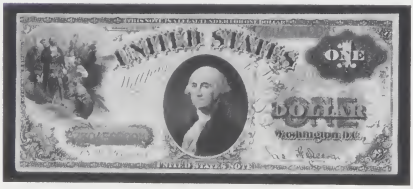
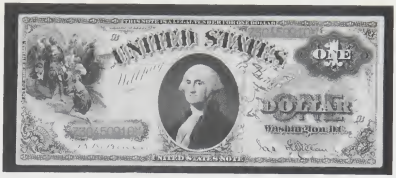
1401 **Fr. 27 $1 1878 Superb Gem New.** This is the variety printed on the blue end paper with the interlinked, repetitive "USUSUS" watermark. Much scarcer than the plain paper variety, this particular example is as exquisite-appearing as currency gets. The contrast between the blue end paper, which in this case runs along the bottom of the note, and the elaborate red floral design which overlaps it, lends an eye appeal that cannot be equaled. (850-up)

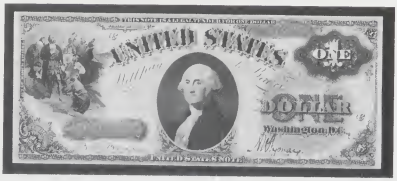
1402 **Fr. 29 $1 1880 Gem New.** Obvious deep original embossing, 100% full colors and excellent margins make this large brown seal Ace a very desirable piece of currency. (450-up)



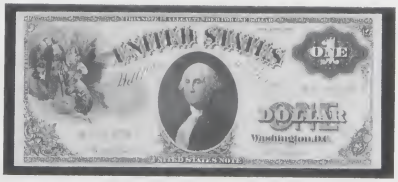
1403 **Fr. 29 $1 1880 Very Choice New.** A full Gem but for a rounded corner, this lovely original note bears the courtesy autograph of James Gilfillan vertically next to the portrait near his engraved signature. (450-up)



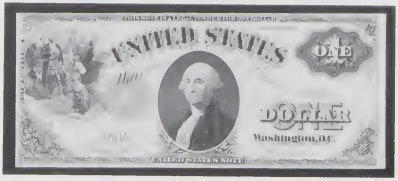
1404 **Fr. 29 $1 1880 Very Choice New.** Consecutive to the above lot, precisely the same quality and with the identical courtesy autograph. (450-up)



1405 **Fr. 30 $1 1880 Superb Gem New.** As nice an example of this red numbered, large brown seal type as we can recall. Very well margined and 100% original. (450-up)

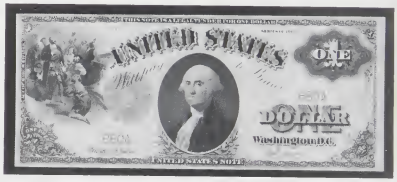


1406 **Fr. 36 $1 1917 Star Note Gem New.** This is a very common star, with over 50 known, but few equal this example in quality. (450-up)

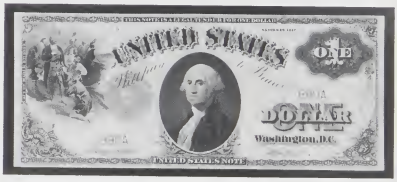


1407 **Fr. 36 $1 1917 Gem New.** Fresh, bright, original and with low serial number B60A. (250-up)

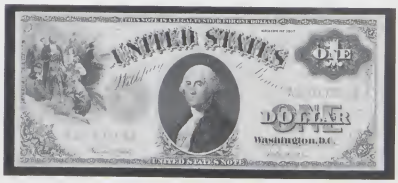
1408 **Fr. 36 $1 1917 Gem New.** Fresh, bright, original and with low serial number B70A. (250-up)



1409 **Fr. 36 $1 1917 Gem New.** Fresh, bright, original and with low serial number B80A. (250-up)



1410 **Fr. 36 $1 1917 Gem New.** Fresh, bright, original and with low serial number B90A. (250-up)



1411 **Fr. 36 $1 1917 Gem New.** Fresh and original, with good embossing evident and far better margins than are normally seen on this issue. (180-up)

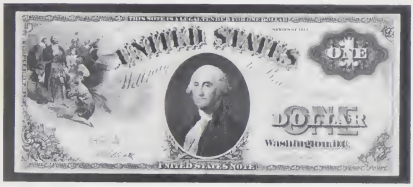
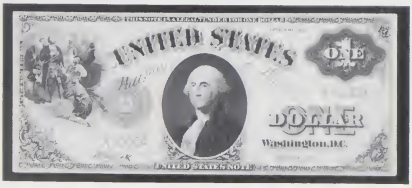
1412 **Fr. 36 $1 1917 Star Note About New.** Strictly original and with the appearance of a Gem. (200-up)

1413 **Fr. 37 $1 1917 Superb Gem New.** Amazing quality for this common note. Hundreds of these exist in New and Choice grades, but the true Gems are represented by a mere handful of notes. This is one of those. It's further enhanced by the low serial number M2500A. (350-up)



1414 **Fr. 37 $1 1917 Gem New.** Glowing colors and complete originality are among the attributes of this lovely Gem. The two-digit serial number H90A further sweetens the deal. (350-up)

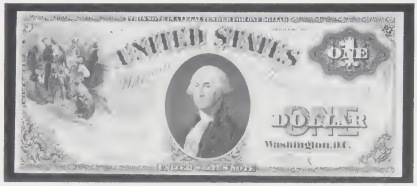


1415 **Fr. 37 $1 1917 Gem New.** This note has exceptional margins for the series. Along with excellent color and good original embossing, this ace sports the neat serial number K9000A. (275-up)

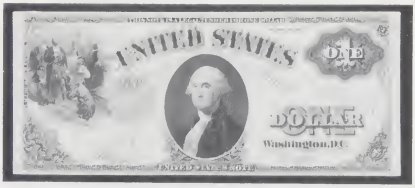
1416 **Fr. 37 $1 1917 Very Choice New.** Fresh and original with the short solid number M3333A. (300-up)

1417 **Fr. 37 $1 1917 Choice New.** Strictly original. (110-up)

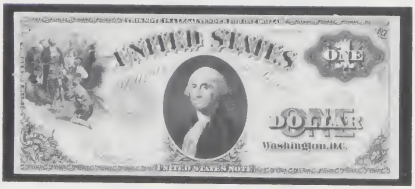
1418 **Fr. 37 $1 1917 Extra Fine.** (50-up)



1419 **Fr. 37a $1 1917 Gem New.** One of the nicest examples we've seen of this truly scarce reversed signature variety which occurred only on face plate 1519. It's well margined on both sides. (500-up)



1420 **Fr. 39 $1 1917 Superb Gem New.** A letter perfect example of the type with outstanding margins, perfect color and tons of deep originality. Serial number R25A adds to the allure of a note that needs no help. (400-up)



1421 **Fr. 39 $1 1917 Superb Gem New.** Identical in quality and serial number to the note above, differing only in its block letters, N25A in this case. (400-up)

1425 **Fr. 39 $1 1917 Choice New.** (100-up)

1426 **Fr. 40 $1 1923 Superb Gem New.** Bright original colors and boardwalk margins all the way around make this a very exceptional S1 Legal. It's made still more desirable by the low serial number A285B. (400-up)

1427 **Fr. 40 $1 1923 Gem New.** Fully original with good embossing and very nice margins. This note has the even serial number A2000B. (375-up)

1428 **Fr. 40 $1 1923 Gem New.** Very well margined with good red color and the low serial number A126B. (350-up)

1429 **Fr. 40 $1 1923 Gem New.** Exceptionally well centered and with excellent color. (300-up)

1430 **Fr. 40 $1 1923 Gem New.** Super quality with lots of original embossing and excellent centering. (300-up)

1431 **Fr. 42 $2 1869 Very Choice New.** The colors and centering are outstanding and the note would be a full Gem with just a little more margin at the upper right. The Rainbow effect of the red, green, black and blue is remarkably bold. (2250-up)

A Pair Of Gem Fr. 43 1874 Deuces

1432 **Fr. 43 $2 1874 Gem New.** Very well centered and strictly original. This is a Friedberg number that is not encountered with any frequency in any grade and is virtually never seen as nice as this. Although these are not enumerated individually in the Gengerke reference, the number is assigned a rarity rating of four. (1100-up)

1433 **Fr. 43 $2 1874 Gem New.** A second example, virtually identical to the above and removed by only four digits. These two notes, along with the two from our January sale, complete the group of four lovely pieces consigned to us. (1100-up)

1434 **Fr. 52 $2 1880 Gem New.** Bright and beautiful with nice even margins and excellent color. These big brown seal 1880 Legals are quite underrated in our opinion. (600-up)

1435 **Fr. 58 $2 1917 Choice Extra Fine.** (60-up)

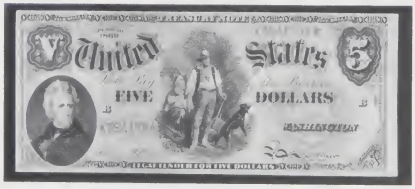
1436 **Fr. 59 $2 1917 Superb Gem New.** An unbelievable grade for a common note that simply does not come this nice. Paper quality is 100% perfect and the margins and centering are astounding for this normally wretchedly margined issue. Don't expect to buy this one for the price of an ordinary Gem. (300-up)

1437 **Fr. 60 $2 1917 Choice New.** (175-up)

1438 **Fr. 60 $2 1917 Choice New.** Identical quality and consecutive to the previous lot. (175-up)

1439 **Fr. 60 $2 1917 Choice New.** (175-up)

1440 **Fr. 61a $5 1862 Extra Fine.** An attractive early Legal with the First Obligation back. (400-up)



1441 **Fr. 64 $5 1869 Gem New.** A brightly colored, very well margined example of the Pioneer family Rainbow Five. The colors on this particular piece are extraordinary. (1000-up)

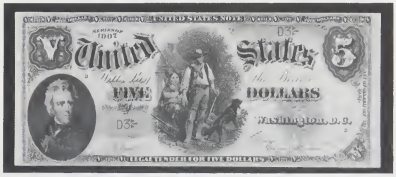
1442 **Fr. 64 $5 1869 Extra Fine.** Well margined, bright, attractive and without a flaw — a beautiful, lightly circulated Rainbow note. (400-up)

1443 **Fr. 76 $5 1880 Fine.** Defect-free for the grade and a very scarce note. (250-up)

1444 **Fr. 77 $5 1880 Very Good.** A very scarce note in all grades. (125-up)

1445 **Fr. 78 $5 1880 Good-Very Good.** A new piece to the census making a total of 23 now known. (125-up)

Low Serial Number Courtesy Autographs



1446 **Fr. 86 $5 1907 Gem New.** This serial number 3 Napier Thompson signed Pioneer bears the courtesy autograph of Carmi Thompson. It is the lowest known serial number from a small group that Thompson apparently signed at the time of issue. Its first public appearance was in a 1955 Kosoff sale, and it has been off the market since a 1986 Bowers sale. It's fresh, fully original and very well centered. This is the type of note that winds up in a serious long-term collection. (2000-up)

1447 **Fr. 86 $5 1907 Gem New.** This note, the only rare 1907 Pioneer, has the low serial number D10 and is courtesy autographed by Carmi Thompson above his engraved signature. It was last on the market in an auction sale in October of 1957, and none of the known low number notes have been sold more recently than 1988. We would fully expect this prize to fetch... (1500-up)

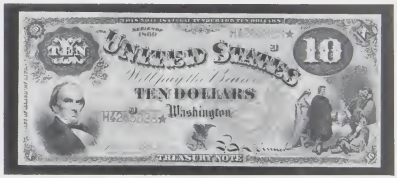
1448 **Fr. 91 $5 1907 Very Choice New.** This note is a fully embossed, blazingly bright near Gem example of a Pioneer Five. (200-up)

1449 **Fr. 91 $5 1907 Very Fine.** (55-up)

1450 **Fr. 92 $5 1907 Choice New.** Deep original embossing and an exceptionally nice note but for a somewhat tight top margin. Fr. 92 is a real sleeper note that is seldom seen in any grade yet somehow is not considered at all scarce. (200-up)

1451 **$5 1907 Legal Tender Notes.** Fr. 90 **Extra Fine**; Fr. 91 **Fine**. (2 pieces) (125-up)

Two Lovely Rainbow Tens



1452 **Fr. 96 $10 1869 Very Choice New.** Extremely bright colors on creamy paper give this Rainbow Ten a magnificent overall appearance. (1750-up)

1453 **Fr. 96 $10 1869 Very Choice New.** Fully Gem from the face, but the back design of this gorgeous Rainbow note just touches at the bottom. (1750-up)

1454 **Fr. 96 $10 1869 Very Good.** Lots of heavy circulation, but no other problems. (200-up)

1455 **Fr. 96 $10 1869 Very Good.** A few minor edge tears and one corner tip missing. (100-up)

1456 **Fr. 104 $10 1880 Very Good.** (175-up)

1457 **Fr. 107 $10 1880 Gem New.** A lovely, strictly original note with deep embossing plainly evident, even to the untrained eye. This is a beautiful example of a much scarcer number and the kind of quality that is seldom seen in the marketplace. (1300-up)

1458 **Two $10 1880s: Fr. 110 and Fr. 111.** The first is **Very Good**, the second **Fine**. (2 pieces) (300-up)

1459 **Fr. 112 $10 1880 Very Fine.** There are a number of small pinholes but otherwise this is a very nice note. (300-up)

1460 **Fr. 113 $10 1880 Fine.** Bright for the grade and problem free. (250-up)

1461 **Fr. 115 $10 1901 Very Fine.** An unmolested and attractive Bison. If all the Very Fines looked this nice, there would be a lot more collectors of this grade. (450-up)

1462 **Fr. 119 $10 1901 Very Good-Fine.** One tiny nick in the top margin, otherwise flawless for the grade. (225-up)

1463 **Fr. 120 $10 1901 Very Good.** Heavily circulated but unmolested and totally problem-free. (175-up)

1464 **Fr. 121 $10 1901 About New.** Great color helps give this note the appearance of a Gem on quick examination. It's a really nice Bison. (750-up)

1465 **Fr. 122 $10 1901 Fine-Very Fine.** Totally problem free. (300-up)

1466 **Fr. 122 $10 1901 Fine-Very Fine.** A respectable evenly circulated Bison. (300-up)

1467 **Fr. 122 $10 1901 Star Note Fine.** One of only about 50 known Bison Stars for all the signature combinations combined. This one has some circulation soil but is free of paper defects. The printing remains sharp, and the ink colors, both red and black, are bright. (500-up)

1468 **Fr. 122 $10 1901 Fine.** Problem-free and attractive for the grade, with the red colors particularly bright. (250-up)

1469 **Fr. 122 $10 1901 Star Note.** Only about 50 Star Note Bisons are known for all the signature combinations combined. This **Very Good-Fine** is attractive for the grade with brighter color than one would expect. It's totally unmolested and problem free, and we would not be surprised to see it realize... (350-up)

1470 **Fr. 122 $10 1901 Very Good-Fine.** The red colors have remained particularly bold, giving this well circulated, defect free Bison a most pleasing appearance. (200-up)

1471 **Fr. 122 $10 1901 Very Good-Fine.** Solid for the grade. A decent, well circulated example. (200-up)

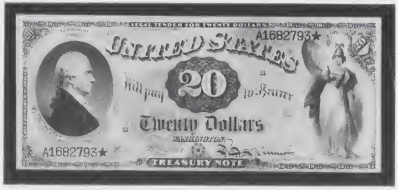
Gem Fr. 123

1472 **Fr. 123 $10 1923 Gem New.** This fresh, original example is only a few numbers from the end of the run. Several of these were saved from the last pack, but not many of them have the centering and appearance of this beauty. (3500-up)

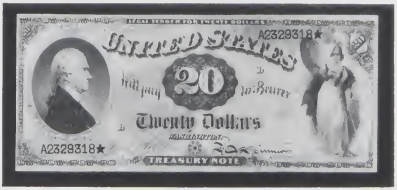
1473 **Fr. 123 $10 1923 Very Good.** There is one minor edge split and the red colors are somewhat faded. (125-up)

1474 **Fr. 124 $20 1862 Very Good.** A little rough at the top margin, with a few ink stains and a minor repair. (450-up)

Gem Rainbow $20.00 Fr. 127



1475 **Fr. 127 $20 1869 Gem New.** This gorgeous Rainbow Twenty is one of the nicest examples of the type that we have encountered. It exhibits its original embossing and an explosion of color. Defect free, a perfect example fit for the fussiest of collectors. (6000-up)



1476 **Fr. 127 $20 1869 Choice New.** But for a close left face margin, this bright and attractive Rainbow Twenty has all the attributes of a Gem. With the color and overall quality of this note, it would bring around $6000 with a bit more face margin. As it lays, we would expect to see it realize... (3500-up)

1477 **Fr. 129 $20 1878 Gem New.** Magnificently colored and with spectacular face margins, this new note to the listing is the lowest serial number known out of nearly 100 pieces recorded. This particular note was Lot 133 in the fabled Grinnell Collection. (3000-up)

1478 **Fr. 147 $20 1880 Fine-Very Fine.** A nicely centered circulated example. (200-up)

1479 **Fr. 147 $20 1880 Very Good-Fine.** (125-up)

Fr. 157 One Of Three In Private Hands

1480 **Fr. 157 $50 1880 About Fine.** A new note to the census making a total of eight now known to exist. Of those eight, four and possibly five are permanently impounded and only one other piece has ever been offered publicly, that being the ex-Grinnell piece which grades Very Fine+ and sold for $7500 three years ago. This solid problem free note is well margined and has excellent color for the grade and is likely to be the only Fr. 157 available for decades to come. (6000-up)

Fr. 170 One Of Four Known To Exist, And One Of Two In Private Hands

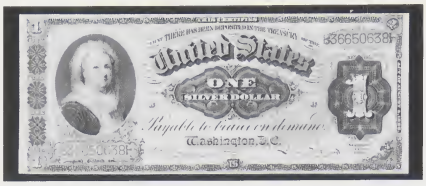
1481 **Fr. 170 $100 1875 About Very Fine.** Only four Fr. 170s are known to exist, one in the Federal Reserve Bank of Chicago, one in the ANA museum, the piece that is pictured in the Friedberg catalog and the presently offered piece. This is the only example whose whereabouts are currently known, and, with two of the other four pieces permanently impounded, it is quite possible that when this piece finds a home no other will be offered for decades. Only this piece is graded in the census, where it is called Very Fine, although we feel it falls just short. Its coloring is excellent and the margins are nicer than usually seen on high denomination notes of this era. (22,500-up)

Note:

The Friday night session contains important large size notes including: Fr. 172, Fr. 178, and 2 Fr. 179s.

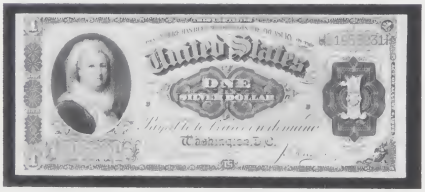
SILVER CERTIFICATES

1482 **Fr. 215 $1 1886 Choice Extra Fine.** Absolutely original in every sense and a pure Gem but for two folds. (400-up)



1483 **Fr. 217 $1 1886 Gem New.** Fully original and flat out gorgeous with superb color and excellent margins. The large red spiked seal is particularly bold, with brighter colors than these usually come with. (1000-up)

1484 **Fr. 217 $1 1886 Gem New.** Fr. 217 is a more difficult number, and this hugely margined example is a great representation of the type. (900-up)



1485 **Fr. 218 $1 1886 Extra Fine.** The courtesy autograph of J.N. Huston appears on the note to the right of the Martha Washington vignette. (400-up)

1486 **Fr. 219 $1 1886 Very Fine.** A much scarcer signature combination. (225-up)

1487 **Fr. 222 $1 1891 Fine.** (125-up)

1488 **Fr. 223 $1 1891 Superb Gem New.** Just about as nice as a Martha can get, with excellent centering, crackling fresh paper, deep original embossing and that untouched fresh-off-the-press look. This is an exquisite type note! (1200-up)

1489 **Fr. 224 $1 1896 Superb Gem New.** When dealing in large volumes of high grade U.S. currency, it is easy to become complacent about $1 Educationals. They are by no means rare, even in Gem condition. But it is with great infrequency that a truly outstanding, essentially perfect $1 Ed comes along. This is just such a note, with 100% perfect colors, extra broad margins and fresh, original flawless surfaces. (1250-up)

1490 **Fr. 224 $1 1896 Superb Gem New.** Deep original embossing and exceptional margins make this as nice a $1 Educational as anyone is ever likely to encounter. (1100-up)

1491 **Fr. 224 $1 1896 Gem New.** A fresh and original $1 Ed with good margins and terrific color. (900-up)

1492 **Fr. 224 $1 1896 Choice Extra Fine.** Utterly unmolested and broadly margined, this is the type of EF that everyone wants in his collection. (450-up)

1493 **Fr. 224 $1 1896 Choice Extra Fine.** A very pretty note with good surfaces and margins. (450-up)

1494 **Fr. 224 $1 1896 Very Fine.** (200-up)

1495 **Fr. 224 $1 1896 Fine.** (150-up)

1496 **Fr. 225 $1 1896 Extra Fine.** Well margined and bright. (350-up)

1497 **Fr. 225 $1 1896 Extra Fine.** There is a short repaired tear in the top margin. (250-up)

1498 **Fr. 226 $1 1899 Superb Gem New.** A flawless, magnificent note with picture frame margins and super paper originality. Fr. 226 is a much more difficult number to obtain, particularly so in this perfect state of preservation. (300-up)

1499 **Fr. 226 $1 1899 Superb Gem New.** Hugely margined and with fresh original paper quality. (300-up)

1500 **Fr. 226a $1 1899 Gem New.** An outstandingly lovely note with extra-broad margins and boldly evident original embossing. (250-up)

1501 **Fr. 227 $1 1899 Choice New.** A wholly original near Gem example bearing the much scarcer Lyons-Treat signature combination. (225-up)

1502 **Fr. 228 $1 1899 Very Choice New.** (150-up)

1503 **Fr. 229 $1 1899 Superb Gem New.** Huge margins and super original paper quality highlight this Vernon-McClung signature Black Eagle. (225-up)

1504 **Fr. 229a $1 1899 Very Choice New.** In our experience, this Friedberg number is every bit as difficult to locate in high grade as the far higher priced Fr. 231. We have handled very few Fr. 229a's in any grade. (350-up)

1505 **Fr. 230 $1 1899 Superb Gem New.** Strictly original and flawless, with the low serial number A40A. (300-up)

1506 **Fr. 230 $1 1899 Superb Gem New.** Boardwalk margins, great embossing and low serial number A41A. (300-up)

1507 **Fr. 230 $1 1899 Superb Gem New.** One of the highest quality notes in this lovely run of Black Eagles, beautifully centered and 100% original. (225-up)

1508 **Fr. 230 $1 1899 Gem New.** (200-up)

1511 **Fr. 231 $1 1899 Choice About New.** A very nearly Gem example of the scarcest signature combination from the Black Eagle series. The note appears fully Gem New under all but the very closest scrutiny. (500-up)

1522 **Fr. 233 $1 1899 Superb Gem New.** Boardwalk margins and super color, greatly enhanced by serial number T1000001T. The right-hand serial number appears to have been hand set, as the zeros do not line up at the base or the top and there are also at least two different sizes among them. A most interesting note for the serious researcher of such things, or, on the other hand, a gorgeous type note for any collector. (400-up)

1538 **Fr. 233 $1 1899 Star Note Gem New.** Fresh and fully original including lots of evident embossing. The bottom face margin is a bit tight, but grading this note less than Gem is a disservice to its overall superb quality. (450-up)

1578 **Fr. 243 $2 1886 Gem New.** Outstanding paper originality and gorgeous face margins are two of the features of this lovely Hancock Deuce. This is also a much scarcer Friedberg number, seen in high grade with about one tenth the frequency of Fr. 242. (1400-up)

Superb Windom

Low Serial Number Courtesy Autographed Fr. 254

1589 **Fr. 254 $2 1899 Superb Gem New.** This low serial number H11 note bears the courtesy autograph of Carmi Thompson above his engraved signature and has not been offered publicly since an Abe Kosoff sale in November 1955. A rare note even without the autograph, it's as fresh and lovely as the day it was printed. (2000-up)

Cut Sheet Of Low Number Courtesy Autographed Fr. 254s

1590 **Fr. 254 $2 1899 Cut Sheet of Four Superb Gem New.** Low serial numbers H25 through H28 with the courtesy autograph of Carmi Thompson on each of the four notes. This cut sheet, which has been off the market for 25 years, is part of a group of low numbered notes signed by Carmi Thompson over his engraved signature. None have been on the market in recent years with the exception of one single note (H60) sold at auction in December of 1992 for $2100. Each of these rare notes is beautifully centered, shows superb original embossing and is 100% free of handling or any other defect. A standout item, this cut sheet would be a centerpiece in any major collection. (7500-up)

1591 **Fr. 255 $2 1899 Gem New.** A marvelous looking, strictly original, deeply embossed Deuce with neat serial number M40000. (550-up)

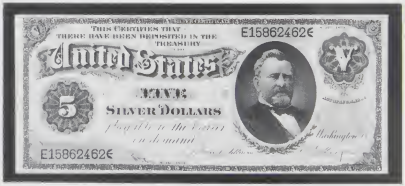
1592 **Fr. 258 $2 1899 Gem New.** A beautiful and essentially flawless 1899 Deuce which is fresh and fully original. (500-up)

1593 **Fr. 258 $2 1899 Very Choice New.** Fully embossed, bright and beautiful, and a full Gem if it had just a bit more bottom margin. (400-up)

1594 **Fr. 258 $2 1899 Fine-Very Fine.** (100-up)

1595 **Fr. 266 $5 1891 Extra Fine.** Very nicely margined. (600-up)

Gem Fr. 267 $5 1891 Silver



1596 **Fr. 267 $5 1891 Gem New.** This open back $5 Grant note is in our opinion one of the most underrated types of all United States currency. It is far overshadowed in popularity by the far more common Silver Dollar Backs which always list for more than this type, a design that is truly rare in top grade. Well margined, beautifully bright and strictly original, we would expect this note to realize about… (3500-up)

Superb $5 Educational

1597 **Fr. 268 $5 1896 Superb Gem New.** An outstanding $5 Educational with beautifully balanced margins, full colors and perfect centering on both sides. The surfaces are strictly original and this is just about as nice a Five Dollar Educational as you are ever likely to encounter. (5500-up)

1598 **Fr. 269 $5 1896 Fine.** Problem-free for the grade. (500-up)

1599 **Fr. 271 $5 1899 Gem New.** As fresh and original as a Chief can get, with absolutely super face margins. (1200-up)

1600 **Fr. 271 $5 1899 Choice Extra Fine.** Well margined and beautifully bright, this note is the perfect Extra Fine, still exhibiting its original embossing and with just a touch of light circulation. (550-up)

1601 **Fr. 271 $5 1899 Fine.** Original, unmolested and completely problem free. (225-up)

1602 **Fr. 271 $5 1899 Very Good.** Problem free. (175-up)

1603 **Fr. 272 $5 1899 Superb Gem New.** A simply flawless Chief, as fine as any you are ever likely to encounter, with lots of deep original embossing and boardwalk margins all the way around. Based on recent prices truly superior notes have been fetching, we would not be surprised if this beauty realized .. (1500-up)

1604 **Fr. 274 $5 1899 Gem New.** Broadly margined and beautifully fresh, this lovely Chief would fit very nicely in the best of sets. (1200-up)

1605 **Fr. 274 $5 1899 Gem New.** Attractive centering and nice color. (1200-up)

Low Number Cut Sheet Of Fr. 276

1606 **Fr. 276 $5 1899 Cut Sheet of Four Superb Gem New.** A superb low number cut sheet of the rare Napier-Thompson signature combination. The only recent sale of a low numbered Napier-Thompson Chief was in a December, 1992 auction where uncirculated serial number H18 brought $3200. These four incredible quality single digit examples would realize that or more on a single note basis, and as a cut sheet, we would not be surprised to see a realization of... (15,000-up)

1607 **Fr. 277 $5 1899 Fine.** Well circulated, but totally defect free. (225-up)

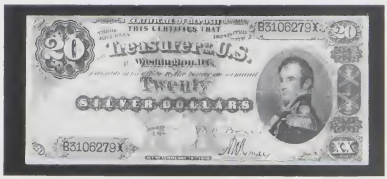
1608 **Fr. 279 $5 1899 Choice Extra Fine.** Fresh, original and totally unmolested. This is just the kind of Extra Fine everyone seems to want. It's worth considerably more than the typical note in this grade. (525-up)

1609 **Fr. 279 $5 1899 Very Choice New.** A lovely, original note not quite up to Gem centering standards. (900-up)

1610 **Fr. 281 $5 1899 Extra Fine.** Clean, beautifully centered and perfectly original — a premium lightly circulated Chief. (500-up)

1611 **Fr. 282 $5 1923 Very Choice New.** A bit tight at the bottom right, but Gem in all other respects. (1000-up)

1612 **Fr. 282 $5 1923 Choice About New.** Separated from the Gem New grade by a single broad corner fold. This is an exceptionally nice looking Porthole Five. (600-up)



1613 **Fr. 311 $20 1880 Fine.** Evenly circulated and problem-free for the grade, a new number to be added to the census. (1000-up)

1614 **Fr. 317 $20 1891 Very Fine.** Clean for the grade and without a hint of a problem, this new number to the census brings the total known up to about 35, most of which are quite heavily circulated. (700-up)

1615 **Fr. 318 $20 1891 Extra Fine.** The courtesy autograph of D.N. Morgan appears above his engraved signature. (1250-up)

1616 **Fr. 318 $20 1891 Choice Very Fine.** This note has the full appearance of a bright Extra Fine, with exceptional margins and superb colors and print quality. (900-up)

1617 **Fr. 319 $20 1891 Fine-Very Fine.** Well margined, unmolested and without a hint of a flaw. With this new piece added to the census, the total of known Fr. 319s still numbers under 30. (600-up)

1618 **Fr. 321 $20 1891 Fine-Very Fine.** Well circulated but utterly unmolested and without a hint of a problem. This is quite a scarce type in nice circulated grade. (550-up)

1619 **Fr. 322 $20 1891 Choice New.** Less than 10 unmolested examples are known of this Friedberg number and this ranks as one of the nicest among them. Its margins are exceptional, and the ink colors are fresh and original. The embossing effect is evident and the surfaces have lots of nice snap to them. All in all, this is one of the nicer $20 Silvers that we have seen. (2750-up)

1620 **Fr. 322 $20 1891 Fine.** Solid and attractive. (400-up)

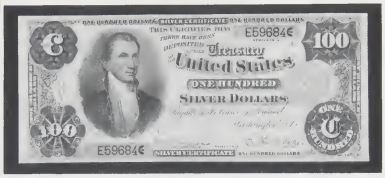
Lovely $100 Silver, Second Finest Known



1621 **Fr. 343 $100 1891 Extra Fine-About New.** A new date to the listing making a total of 18 known, five of which are permanently impounded. Of the 18, only one is higher grade, with this note tied for second with one other. This rare beauty is perfectly centered between four large face margins and retains the full color of its red seal and blue serial numbers. The large portrait of James Monroe has a photograph-like sharpness that helps give the note the appearance of a perfect Gem at a glance. One of the highlights of this or any sale, and a note that its new owner will surely treasure. (10,000-up)

TREASURY NOTES

1622 **Fr. 347 $1 1890 About New.** Good looking and strictly original. This unmolested Fancy Back Ace has one center fold. (500-up)

1623 **Fr. 348 $1 1890 Choice About New.** A single very light center fold is all that separates this gorgeous-looking Fancy Back Treasury Ace from being a full blown Gem. (900-up)

1624 **Fr. 349 $1 1890 Choice About New.** As bright and clean as the day it was printed, this About New note gives the appearance of a real Gem. (800-up)

1625 **Fr. 350 $1 1891 Gem New.** Fresh, original and crispy, with a blood red seal and lots of original embossing. (450-up)

1626 **Fr. 351 $1 1891 Superb Gem New.** This Stanton Ace is perfectly centered on both sides between four outsized margins. (550-up)

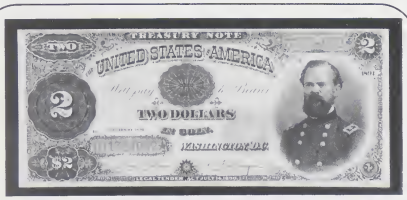
1627 **Fr. 351 $1 1891 Fine.** (80-up)

1628 **Fr. 352 $1 1891 Superb Gem New.** A simply perfect example, with everything one could hope for in a type note. (550-up)

1629 **Fr. 353 $2 1890 About New.** A single hard-to-spot center fold is the only detraction on this beautifully bright, well centered Treasury Deuce. All the colors of paper and ink are 100% perfect and the fancy back is particularly striking. (2000-up)

1630 **Fr. 355 $2 1890 Extra Fine.** Beautiful colors and centering, an upper end circulated example of this Fancy Back 1890 McPherson Deuce. (1400-up)

1631 **Fr. 356 $2 1891 New Silked.** What appears to have been a wholly uncirculated note has unfortunately been silked in the style of the Farouk Palace Collection. The original embossing is evident even through the silking, which is something we have never seen before. There are two splits in the note visible which it is held to the light. (200-up)



1632 **Fr. 357 $2 1891 Superb Gem New.** Cavernous original embossing, 100% perfect colors and exceptional margins. This is an utterly magnificent example and one of the highest quality type notes in the sale. (1500-up)

1633 **Fr. 358 $2 1891 About New.** Fresh, original, and beautifully centered on both sides. Friedberg 358 is far and away the most difficult number of the 1891 Deuces. (750-up)

1634 **Fr. 359 $5 1890 Very Choice New.** Strictly original and a beautiful example of this ornately engraved 1890 Treasury Note. The note features Union General George Thomas, who was known as "The Rock of Chicamauga." (2000-up)

1635 **Fr. 359 $5 1890 Extra Fine.** The paper is lightly toned, and there are a few minor repaired edge splits. (750-up)

1636 **Fr. 361 $5 1890 Choice New.** A lovely Treasury five that is a Gem but for a very tight bottom margin. (1650-up)

1637 **Fr. 362 $5 1891 New.** A closed pinhole near the portrait and a badly faded red seal detract from this otherwise quite nice, fully New Treasury Note. Printing quality is excellent and the serial numbers retain their original color. (400-up)

1638 **Fr. 363 $5 1891 Gem New.** Fresh and original with spectacular color and better than average centering. As usual is the D position note from the sheet, the bottom margin is particularly large. (850-up)

1639 **Fr. 364 $5 1891 Superb Gem New.** An utterly flawless example of this attractive type. The original embossing is plainly evident, margins and centering are extraordinary, and the snap and feel of the paper is just perfect. (1000-up)

1640 **Fr. 365 $5 1891 Choice New.** A new note to the census making a total of seven now known. One of the scarcest of all Treasury Notes out of all the denominations, this note is fresh and original with lots of embossing clearly evident. Anyone who wants to put together a complete set of uncirculated Treasury Notes had best not pass up this opportunity. (3000-up)

1641 **Fr. 366 $10 1890 Very Choice New.** This Fancy Back Ten exhibits original embossing and excellent colors. The large brown seal and red serial numbers add strong visual impact to this beautiful design. The centering on both sides is quite good, and with just a bit more face margin, this note would grade fully Gem. (2500-up)

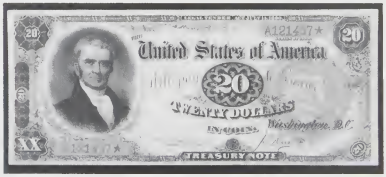
1642 **Fr. 367 $10 1890 Very Choice New.** Beautiful colors and strict originality highlight this fancy back Treasury Ten which features the portrait of General Philip Sheridan. But for the margins, which are perfectly acceptable although not large, this gorgeous note is a Superb Gem. (2750-up)

Superb $10 Treasury Note

1643 **Fr. 368 $10 1890 Superb Gem New.** A flawless, magnificent example of this very scarce type. As fine as any we have ever handled or for that matter seen, the note has all its deep original embossing, full, even margins, superb fresh color and a photograph-like vividness to the portrait. It is one of the best examples of any Treasury Note of any denomination that we have had the pleasure of offering. (3750-up)

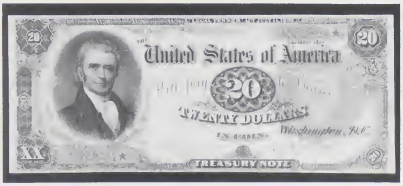
1644 **Fr. 370 $10 1891 Very Fine.** The paper is soft and the reds are a bit faded. (300-up)

Lovely Fr. 372



1645 **Fr. 372 $20 1890 Extra Fine.** Vivid colors and excellent centering on both face and back highlight this rare type. It's a new piece to the census, bringing the total known to just under 40, many of which are either impounded in banks or museums or are in considerably lower grades. This solid, problem free example would not look out of place in a set of uncirculated notes. (5000-up)

Fr. 373 $20 Treasury Note Tied For Finest Known



1646 **Fr. 373 $20 1890 Extra Fine.** A new number to the census, bringing the total known of this very rare note to nine. It is tied for finest known with one other note, and interestingly, although both notes are lightly circulated, they have consecutive serial numbers. The other Extra Fine was auctioned in the 1970s and was not seen again until a 1992 appearance on a fixed price list at $25,000. This pleasing example, which is decently margined and very well printed with bright colors, might even bring that amount. (20,000-up)

Gem 1890 $20 Treasury Note

1647 **Fr. 374 $20 1890 Superb Gem New.** The finest example of this number that we can recall ever seeing, and one of the few to survive with its original embossing and surfaces 100% intact. No traces of handling or defects of any kind mar this magnificent example of the engraver's art. This outstanding sample of Nineteenth Century engraving would fit well in the finest of type sets. The margins are large and even all the way around, and the colors of the ink and paper are fully equal to those the moment the note was pulled from the plate. (17,500-up)

1658 **Fr. 723 $1 1918 Very Choice New.** (120-up)

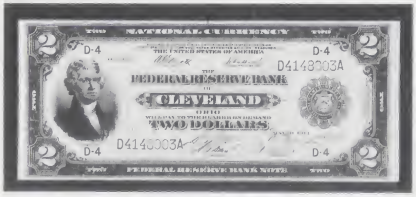
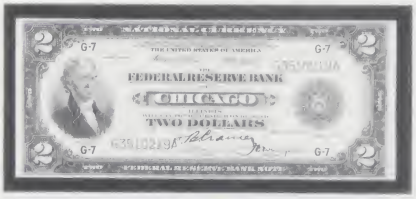
1660 **Fr. 749 $2 1918 Gem New.** This lovely Battleship is only one digit away from being a solid serial number note and is double courtesy autographed by both officers of the Boston Federal Reserve Bank. (800-up)

1661 **Fr. 751 $2 1918 Choice About New.** (275-up)



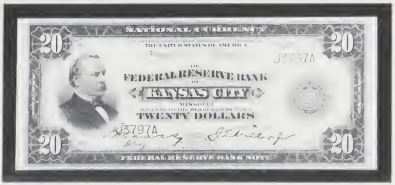
1662 **Fr. 759 $2 1918 Superb Gem New.** An absolutely superlative Battleship with deep original embossing and extraordinary centering. This super type note is further enhanced by the double courtesy autograph of the cashier and governor above their engraved signatures. (800-up)



1663 **Fr. 766 $2 1918 Choice Extra Fine.** This Battleship bears the courtesy autograph of S.B. Cramer above his engraved signature. There are no courtesy autographs listed in the Gengerke reference for any Chicago Federal Reserve Bank Note, and this is the only Cramer courtesy signature we have ever seen or heard of. (500-up)

1664 **Fr. 794 $5 1918 About New.** Unmolested and well-centered. These are much scarcer than the Battleship deuces but bring far less money for want of a nifty vignette. (175-up)

Finest Known Fr. 827a



1665 **Fr. 827a $20 1915 Choice New.** Of the 18 pieces known, none are listed as Uncirculated and only three, inexplicably including this note, are listed only as high as About Uncirculated. This beauty is broadly margined with near perfect centering on both sides and perfect original colors. (3000-up)

FEDERAL RESERVE NOTES

1666 **Fr. 833a $5 1914 Extra Fine.** Fresh, bright and original. (100-up)

1667 **Fr. 876 $5 1914 Extra Fine.** From the scarcer Minneapolis District. (50-up)

1668 **Fr. 877 $5 1914 Star Note Fine.** Unlisted in the Murray reference and unique to our best knowledge. This Minneapolis star, with the Burke-Glass signature combination, is one of only seven Burke-Glass $5 stars known for all 12 districts. With star notes extremely popular at present, we would not be surprised to see this defect-free unique piece realize… (1000-up)

1669 **Fr. 883 $5 1914 Choice New.** What would otherwise be a rather ordinary $5 Blue Seal is doubly enhanced by the round serial number J39000000A and the courtesy autograph of A.W. Mellon above his engraved signature. (300-up)

1670 **Fr. 890 $5 1914 Star Note Very Good-Fine.** A very rare star note with only one example reported in the Murray reference. The other known piece is an Extra Fine which we sold as Lot 1294 in our October sale for $638. This note, which has two stains and a bank stamp on the back, should realize about half that. (300-up)

1671 **Fr. 892a $10 1914 Red Seal Extra Fine.** A lovely Red Seal note that appears Gem New at a quick glance. (175-up)

1672 **Fr. 900b $10 1914 Choice Very Fine.** An attractive, defect-free Red Seal Fed which is perfect for the grade. (75-up)

1673 **Fr. 911a $10 1914 Gem New.** (125-up)

1674 **Fr. 928 $10 1914 Gem New.** Lots of deep original embossing is plainly evident. (125-up)

1675 **Fr. 928 $10 1914 Choice New.** (90-up)

1676 **Fr. 928 $10 1914 Choice New.** (90-up)

1677 **Fr. 928 $10 1914 Choice About New.** Two consecutive pieces, both with a lovely appearance. (100-up)

1678 **Fr. 929 $10 1914 Cut Sheet of Four Gem New.** Although far from a rare note, this Burke-Glass signature combination is easily the scarcest of the Federal Reserve Note combinations. Cut sheets of these are truly scarce and this is a nice one. (4 pieces) (750-up)

1679 **Fr. 930 $10 1914 Gem New.** Fresh, original and about as nice as these come. (150-up)

1680 **Fr. 930 $10 1914 Gem New.** Another, identical, and one digit away from being consecutive. (150-up)

1681 **Fr. 930 $10 1914 Choice New Three Consecutive.** All three notes are fresh and original. (3 pieces) (275-up)

1682 **Fr. 931a $10 1914 Gem New.** Much more attractive than most Feds, and a very nice note. (150-up)

1683 **Fr. 931a $10 1914 Very Choice New.** Three consecutive good looking and well-margined Feds. (300-up)

1684 **Fr. 931b $10 1914 Gem New.** A fresh, original beauty. (175-up)

1685 **Fr. 931b $10 1914 Cut Sheet of Four Gem New.** As common as $10 Federal Reserve Notes are, cut sheets are an unusual find and we cannot recall ever before having handled a cut sheet of these scarcer "b" notes. Each of the four notes is 100% clean, well centered and with deep original embossing. (4 pieces) (600-up)

1686 **Chicago District Signature Set.** All four $10 Blue Seals: Fr. 928, 929, 930 and 931. Three of the notes are clean, attractive **Extra Fines** and the Fr. 929, the scarcest of the group with the Burke-Glass signature, is a perfect **Gem New**. (4 pieces) (250-up)

1687 **Fr. 934 $10 1914 Very Choice New.** A near Gem example with far better than normal color and centering. (100-up)

1688 **$5 and $10 Feds.** Fr. 851a and Fr. 923. Both notes are fresh and original and both grade **About New**. (2 pieces) (100-up)

1689 **Four Blue Seal Feds.** Three $5 notes, Fr. 868, 871a and 875a, and a $10 note: Fr. 988. All four notes grade **Extra Fine-About New**. (4 pieces) (150-up)

1690 **Three 1914 $10 Feds.** Fr. 928 and Fr. 931a (2). All three notes grade **Extra Fine-About New**. (3 pieces) (150-up)

1691 **Fr. 955b $20 1914 Extra Fine.** This Red Seal Twenty is much better centered than most. (350-up)

1692 **Fr. 970 $20 1914 Star Note Very Good.** New to the census, making a total of seven now known, all of which are right around this grade. (150-up)

1693 **Fr. 973 $20 1914 Gem New.** An extremely nice example of this rather common type. The face is perfectly centered between four outsized margins. (200-up)

1694 **Fr. 978 $20 1914 Gem New.** Huge margins and exceptional quality for this issue. (200-up)

1695 **Fr. 996 $20 1914 About New.** Just a corner tip fold away from Choice New. (75-up)

1696 **Fr. 1022 $50 1914 Red Seal Very Fine.** A well balanced, mid-grade circulated example with good color and not a hint of a problem. (650-up)

1697 **Fr. 1039b $50 1914 Fine.** (100-up)

1698 **Fr. 1042 $50 1914 Choice New.** The face centering is excellent while the back is centered to the bottom and right although well clear of the edges. (850-up)

$500 Federal Reserve Note

1708 **Fr. 1132 $500 1918 Extra Fine.** A well centered, high end, lightly circulated example of this perennially popular high denomination Fed. With the addition of this note there are now 18 pieces known from the San Francisco district, seven of which are permanently impounded. Of the remaining 11 pieces, only two grade higher than this very good looking note. (3500-up)

GOLD CERTIFICATES

1709 **Fr. 1167 $10 1907 Choice New.** Three huge margins, with the bottom margin a bit close. The gold ink on the back has toned to a chocolate hue in a few small areas. (400-up)

1710 **Fr. 1168 $10 1907 Superb Gem New.** Well margined with perfect color and deep original embossing. One of the very nicest examples we've seen of this scarcer number, a real beauty worth a premium price. (750-up)

1711 **Fr. 1169 $10 1907 Gem New.** Fresh, original and beautifully margined, this note from the 1976 ANA sale is just about as nice a Gold Certificate as anyone could hope to obtain. (700-up)

1712 **Fr. 1169 $10 1907 Extra Fine.** (150-up)

1713 **Fr. 1170 $10 1907 Very Fine.** Exceptionally well margined. (125-up)

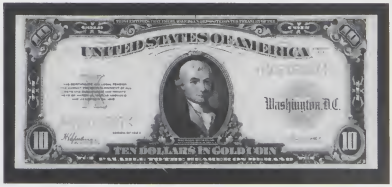
1714 **Fr. 1171 $10 1907 Choice About New.** Exceptional centering. (200-up)

1715 **Fr. 1171 $10 1907 Choice About New.** Fresh, original and exceptionally well margined. (200-up)

1716 **Fr. 1172 $10 1907 Gem New.** Broadly margined and beautifully bright, this 1907 ten has just about perfect centering on both face and back. (600-up)

1717 **Fr. 1172 $10 1907 Very Choice New.** A near Gem example of this pretty $10 Gold Note with nice margins and bright, pleasing colors. (350-up)

1718 **Fr. 1173 $10 1922 Superb Gem New.** Original surfaces and extraordinary margins and centering. This issue is seldom seen with this kind of centering, color or printing quality. In our last few sales, we have been privileged to handle a number of truly exceptional $10 Gold Notes and this one is as nice as the best. (600-up)



1719 **Fr. 1173 $10 1922 Superb Gem New.** Beautifully original and with extraordinarily broad margins. This is just about as nice a $10 Gold Certificate as you could ever hope to obtain. (600-up)

1720 **Fr. 1173 $10 1922 Choice New.** Bright and good looking. (300-up)

1721 **Fr. 1173 $10 1922 Choice About New.** Fresh and original. (175-up)

1722 **Fr. 1173 $10 1922 Extra Fine.** This is the small serial number variety, which is many times scarcer than the large numbers. (150-up)

1723 **Fr. 1173 $10 1922 Extra Fine.** Bright and good looking. (100-up)

1724 **Fr. 1173 $10 1922 Choice Very Fine.** Clean and unmolested. (80-up)

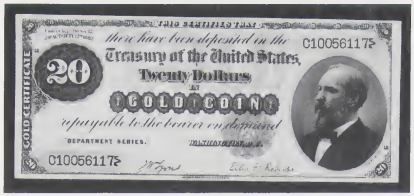
1725 **Fr. 1173 $10 1922 Star Note Very Fine.** A nice, problem free, unmolested Gold star. (250-up)

1726 **Fr. 1173 $10 1922 Very Fine.** Clean and good looking. (70-up)

1727 **Fr. 1173 $10 1922 Very Fine.** (70-up)

Rare $20 Fr. 1174

1728 **Fr. 1174 $20 1882 Fine-Very Fine.** One of only nine notes known to exist of this number and a new piece to the census. We have handled two others of those nine, both almost identical in grade to this note. Evenly circulated, this note practically qualifies for the full Very Fine grade. One brought $5400, the other, $5500, and we would expect just about the same result for this attractive, no-problems rarity. (5000-up)



1729 **Fr. 1178 $20 1882 Gem New.** Fresh, beautiful and strictly original with lots of embossing evident. This note has been off the market since a 1982 auction sale. Fr. 1178 is the only available 1882 $20 Gold, particularly in high grade. (3250-up)

1730 **Fr. 1178 $20 1882 Very Fine.** There are a few minor edge tears in the top margin and a one-quarter inch repaired tear at the bottom. (550-up)

1731 **Fr. 1179 $20 1905 Good-Very Good.** Very well circulated but totally problem free and amazingly retaining good color. This is a nice inexpensive representation of a typically very expensive note. (350-up)

1732 **Fr. 1180 $20 1905 Fine+.** A difficult note to grade. This Technicolor Twenty has the look of a full EF on the all important face with excellent color and good centering. The back of the note appears only About Fine due to some soiling. If you're looking for a representative example of this note to display face up, this piece will look like an EF and save you from the $2000 price tag. (850-up)

1733 **Fr. 1180 $20 1905 Very Good.** Problem free, which is rather surprising for this grade. (350-up)

1734 **Fr. 1181 $20 1906 New.** This brightly colored and original $20 Gold Note is Choice in most respects but the top margin is extremely tight. (250-up)

1735 **Fr. 1182 $20 1906 Extra Fine-About New.** Beautiful looking at a glance, but there is a tear in the top margin and a central pinhole. (200-up)

1736 **Fr. 1184 $20 1906 Superb Gem New.** This much tougher note which bears the elusive Napier-Thompson signature combination is as fresh and fully colored as one could ever hope for in a Gold Certificate. The orange ink on both sides is 100% fully bright and the note itself is just lovely. (1250-up)

1737 **Fr. 1184 $20 1906 Choice About New.** An attractive and very well centered example of this scarce Friedberg number. This note is seldom seen in high grade. (450-up)

1738 **Fr. 1185 $20 1906 Extra Fine.** Good colors and centering. (175-up)

1739 **Fr. 1186 $20 1906 Choice About New.** The lightest of center folds is present, but the note is very well centered on both sides. (250-up)

1740 **Fr. 1187 $20 1922 Extra Fine.** Very well centered. (150-up)

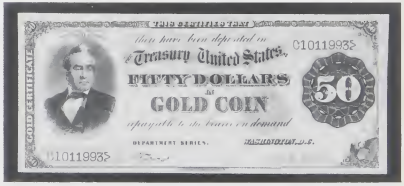
1741 **Fr. 1187 $20 1922 Very Fine.** (115-up)

1742 **Fr. 1187 $20 1922 Star Note Fine.** Evenly circulated but not particularly clean. (150-up)

Second Finest

In Private Hands Fr. 1190

1743 **Fr. 1190 $50 1882 Fine+.** Of the five pieces known, one is permanently impounded in a Federal Reserve Bank. Of the remaining four, only one, an Extra Fine, is higher grade than this note. That piece sold for $10,450 in a 1990 auction. This note, which is totally without flaws, repairs or restorations of any kind, is relatively clean for the grade, particularly on the face, and is perfectly centered on both face and back. We would not be surprised to see this Friedberg illustration note realize about... (9,000-up)



1744 **Fr. 1193 $50 1882 Choice About New.** Spectacular centering and color. This note, which is from the A position on its sheet, has a particularly wide top margin. On the back of the note, a large number of initials from the top edge of the plate are visible within that margin. (2000-up)

1745 **Fr. 1197 $50 1882 Superb Gem New.** Absolutely as nice as any $50 Gold Certificate we can ever recall seeing. It is very well centered between broad margins on both sides and has amazing, full fresh colors. There is a small group of high grade hundreds, but fifties are simply never available this nice. In fact, the Green Sheet leaves a blank on this note in the Gem Ask column, something it does not do for any other Gold type lower than the $500 denomination. This is a spectacular note destined for a permanent home in the very finest collection. (6500-up)

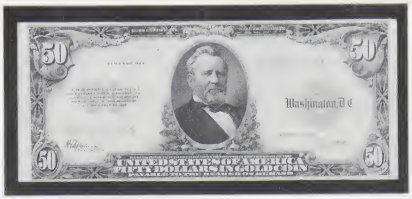
1746 **Fr. 1200 $50 1922 Choice About New.** This small serial number variety is far scarcer than the normally encountered large numbers. This note gives the appearance of a Gem but has an extremely light center fold. (1000-up)

1747 **Fr. 1200 $50 1922 Choice About New.** This lovely note gives the appearance of a Gem, but a single extremely light center fold can be spotted when it is examined carefully. It's certainly worth more than the typical About New. (800-up)



1748 **Fr. 1200 $50 1922 Extra Fine.** Excellent color and margins. (500-up)

1749 **Fr. 1215 $100 1922 Extra Fine.** With excellent centering, bright colors and virtually no traces of circulation on the face, this is a very pretty example of this high denomination note. (750-up)

1750 **Fr. 1217 $500 1922 Very Good.** Not a bad-looking example of this popular and scarce high denomination note. The top margin has been restored, affecting the white area only, and not impacting on any of the design. (2000-up)

1751 **Fr. 1225 $10,000 1900 Gem New.** An absolutely gorgeous example of this high denomination, non-redeemable uniface note. It is from the same run as Lot 1631 from our January sale which brought over $1600. We would expect this beauty to bring just about the same. (1450-up)

1752 **Fr. 1225 $10,000 1900 Extra Fine.** Cancelled and unredeemable, this Napier-McClung signature variety is seen with much less frequency than the Teehee-Burke combination. (800-up)

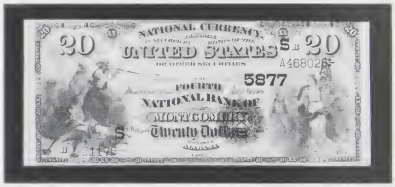
ALABAMA

1760 **Anniston -** $5.00 1902 Fr. 606 **The Anniston NB** Ch. # 4250

We've had our share of large size Anniston notes, but we have never seen one in anywhere near this grade. **Choice Crisp Uncirculated**, just plain rare in this condition and certain to please the many collectors of this state's notes. (400-800)

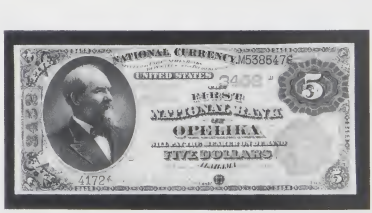
1761 **Hartselle -** $5.00 1902 Fr. 599 **The First NB** Ch. # 8067

A very scarce note in any grade, and excessively rare in this state of preservation. **Crisp Uncirculated**, with purple stamp signatures, easily the finest note we've ever seen or heard of from this small town. (500-900)



1762 **Montgomery -** $20.00 1882 Date Back Fr. 555 **The Fourth NB** Ch. # (S)5877

A rare type and denomination from Alabama, particularly this high grade. **Choice About Uncirculated+++**, one light center bend from new. (450-850)



1763 **Opelika -** $5.00 1882 Fr. 469 **The First NB** Ch. # 3452

A gorgeous Brown Back in unheard of grade for a small town note from this state. The ornate layout, found only on the $5.00 denomination, is yet another addition to this great note's appeal. Pen signed **Choice Crisp Uncirculated**, certain to see some spirited competition before the hammer falls. (1000-1500)

1764 **Tuscaloosa -** $10.00 Ty. 1 **The City NB** Ch. # 6173

Evenly circulated **Very Good+**. (50-90)

ARIZONA

1765 **Yuma** - $20.00 1902 Fr. 654 **The First NB** Ch. # (P)7591

This is the highest grade note reported to date from this rare bank, which has had a total of only five offerings at public sale in 50 years, the last in 1990. Bright **Fine-Very Fine**, a great note worthy of a strong bid. (1000-1500)

ARKANSAS

1766 **Batesville** - $10.00 1902 Fr. 624 **The First NB** Ch. # (S)7556

A small group of these came out many years ago, but that supply has long since disappeared. If you want a well centered, fresh, and bright Arkansas example, this is the note to buy. **Choice Crisp Uncirculated**. (500-900)

1767 **Fort Smith** - $20.00 1902 Fr. 650 **The Merchants NB** Ch. # 7240

This is not a rare bank, but this example is the only note in this grade we have ever seen. **Choice Crisp Uncirculated.** (450-700)

1768 **Fort Smith** - $20.00 Ty. 1 **The Merchants NB** Ch. # 7240

Evenly circulated **Fine**. (50-75)

CALIFORNIA

1769 **Hanford** - $50.00 Ty. 1 **The First NB** Ch. # 5683

A rare denomination from this better bank, with only two other fifties listed in the census. This piece is considerably nicer than either of the listed notes. **Very Fine+**, with one pinhole. (250-450)

1770 **Los Angeles** - $10.00 1902 Fr. 625 **Merchants NT & SB** Ch. # 3538

A newly discovered note which is light years above any previously reported note from this bank in grade. **Crisp Uncirculated**, a lovely note only a touch of handling and two tiny pinholes removed from the Choice designation. (250-450)

1771 **Napa** - $5.00 Ty. 2 **The First NB** Ch. # 7176

The note grades **Fine-Very Fine**, the accompanying Christmas envelope with the bank's printed name is virtually new. (125-250)

1772 **Sacramento** - $5.00 National Gold Bank Note Fr. 1138 **The National Gold Bank of D.O. Mills & Co.** Ch. # 2014

New to the census and one of the higher grade pieces known from this tougher National Gold Bank. **About Fine**, bright for the grade and with no real problems whatever. (1200-1600)

1773 **Sacramento** - $100.00 Ty. 1 **The Merchants NB** Ch. # 11875

A very scarce denomination from the capital. Only two hundreds have been reported to date from here in small size, with the second note's grade unlisted. **Very Good+**. (200-300)

1774 **Salinas** - $20.00 Ty. 2 **The Salinas NB** Ch. # 13380

One of the higher grade examples to be reported from here. **Very Fine** (125-250)

1775 **San Francisco** - $5.00 National Gold Bank Note Fr. 1136 **The First National Gold Bank** Ch. # 1741

A rather special National Gold Bank Note, as this is the example illustrated in the Friedberg reference. Although known for over 40 years, it has never before been offered at public sale. The note grades a sharp **Fine-Very Fine**, with the gold coin vignette on the reverse being almost photographic in its sharpness. The color and margins are excellent. Expect some stiff competition to determine who takes this lovely note home. (1250-2250)

1776 **San Francisco** - $5.00 National Gold Bank Note Fr. 1136 **The First National Gold Bank** Ch. # 1741

A very attractive example with excellent color and body for the grade. The all important gold coin vignette on the reverse is particularly sharp. **Fine**, a perfect collector note. (1000-1400)

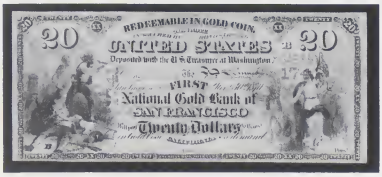
A new discovery which raises the total notes of this denomination known from here to 10. Of that number, this is likely the finest known. Only two of the known examples grade Fine or better, with this piece grading a solid **Very Fine**. Perfectly margined and with excellent color and body, this is a note fit for the finest of collections. (4500-7500)

$20.00 National Gold Bank Note



1778 **San Francisco** - $20.00 National Gold Bank Note Fr. 1152 **The First National Gold Bank** Ch. #1741

1780 **San Francisco** - $5.00 1882 Date Back Fr. 537 **The Wells Fargo Nevada NB** Ch. # (P)5105

A more than decent example of this always popular note. **Fine-Very Fine**, with excellent centering for this issue. (150-250)

1781 **San Francisco** - $10.00 1882 Date Back Fr. 545 **The Wells Fargo Nevada NB** Ch. # (P)5105

An always popular title. **Very Good**. (100-150)

1782 **San Francisco** - $5.00 1902 Fr. 606 **The Wells Fargo Nevada NB** Ch. # (P)5105

A very high grade example, and virtually an error note, as the signatures, which were machine applied, are far higher than normal because the note is cut so far into the design at the bottom. **Crisp Uncirculated.** (100-150)

1783 **San Francisco** - $50.00 1902 Fr. 685 **Bank of Italy NT & SA** Ch. # 13044

Small notes only from this tougher Bay Area bank. **About Fine**. (125-225)

Newly Discovered South Pasadena Cut Sheet

1789 **South Pasadena** - $5.00 1902 Fr. 609 **First NB** Ch. # 12797 Cut Sheet of Four

An absolutely beautiful cut sheet of four **Extremely Fine-About Uncirculated** notes. These are the four finest known notes from this rare bank, which was missing from all of the great California collections sold in recent years including the Krakover and Everson-Faught holdings. Each of the four notes has sharp pen signatures, super fresh colors and bright white paper, and each, despite three light bends acquired during storage, appears virtually new on first glance. At the request of the consignor we are selling this cut sheet as one lot in the hope that it might be kept intact by its new owner. Expect to see some stiff competition before the hammer falls, likely in the range of.. (3000-5000)

1790 **Stockton** - $100.00 Ty. 1 **The First NB** Ch. # 2412

An extremely rare bank in small size, with this example the only $100.00 example reported to date. In fact, only a handful of other small examples in any denomination are known from here. **Fine+**, likely to see some real competition before the hammer falls. (300-600)

COLORADO

1791 **Denver** - $50.00 Ty. 1 **The First NB** Ch. # 1016

Not at all common in this denomination. **Fine-Very Fine**. (125-175)

1792 **Denver** - $100.00 Ty. 1 **The National City Bank** Ch. # 13098

The only hundred we've ever seen or heard of from this bank, not surprising considering that only 50 sheets of this denomination were issued. **Very Good+**, with some ink on the face. (200-400)

1793 **Durango** - $100.00 Ty. 1 **The First NB** Ch. # 2637

A very scarce denomination from here. **Fine**, with serial number B000003A. (250-450)

1794 **Greeley** - $10.00 1902 Fr. 627 **The Greeley Union NB** Ch. # 4437

1795 **Julesburg** - $20.00 Ty. 1 **The First NB** Ch. # 8205

About the highest grade small note we've had to offer from this scarce bank. **Very Fine-Extremely Fine**. (350-650)

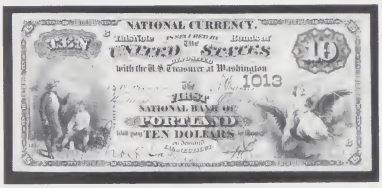
1796 **Sterling** - $10.00 1902 Fr. 633 **The First NB** Ch. # (W)5624

An attractive **Fine** example from a scarce bank which issued large notes only before entering receivership in 1924. (250-500)

CONNECTICUT

1797 **Clinton** - $10.00 1902 Fr. 624 **The Clinton NB** Ch. # (N)1314

Easily the highest grade blue seal we've seen from this elusive bank. Well margined **Choice Crisp Uncirculated**, a most attractive item. (250-450)



1798 **Portland** - $10.00 1882 Fr. 480 **The First NB** Ch. # 1013

A scarcer Connecticut bank whose major claim to fame is that virtually every note seen from here is a contemporary counterfeit. This Brown Back is most assuredly genuine. **Fine-Very Fine**, with one small stain in the center. (300-600)

A 10% Buyer's Fee will be added to all successful bids.

1800 **Stamford** - $1.00 Original Fr. 380 **The First NB** Ch. # 4

Extremely high grade in appearance with the look of an Extremely Fine example, but the note has repairs on the reverse where it has split along the old folds. Indeed, it has split in two and repaired. There are also a couple of tiny paper peels which should be mentioned for accuracy. For all that, it remains the earliest note we know of from Charter #4 and would make a significant acquisition for the collector of low charters or the devotee of Connecticut notes. (175-325)

1803 **Washington -** $5.00 1882 Date Back Fr. 534 **The Riggs NB** Ch. # (E)5046

Cut so far off center and into the design that this qualifies as an error. This is clearly how the note entered circulation, as the mechanically applied signatures are applied far higher than they should be, which is likely the reason the note was machine cut the way it was. What remains is **Gem Crisp Uncirculated**. Hard to estimate, but likely worth... (250-400)

1804 **Washington -** $5.00 1882 Date Back Fr. 534 **The Riggs NB** Ch. # (E)5046

A rare and beautiful note from one of Chicago's most desirable residential communities noted for its million dollar plus estates. This is the only note we've ever seen from here in this grade, not surprising considering the fact that only $550 in large notes was outstanding from here in 1935. Pen signed **Choice Crisp Uncirculated**, a terrific note worthy of the finest of collections. (450-900)

1816 **Canton -** $100.00 Ty. 1 **The First NB** Ch. # 415

High denominations only in small size, and precious few of those. **Fine+**. (200-300)

1817 **Carbondale -** $10.00 1902 Date Back Fr. 622 **The First NB** Ch. # (M)4904

Well circulated but intact **Very Good** example from this scarcer location. Strong signatures and low serial number 87 don't hurt either. (100-150)

A beautiful $20.00 Red Seal which was formerly part of the Amon Carter, Jr. Collection. Not only is this a lovely type note, it comes from a bank which was in business for only seven years and issued Red Seals and Date Backs only. **Choice Crisp Uncirculated**. (700-1200)

1823 **Chicago** - $5.00 1902 Date Back Fr. 594 **The Lawndale NB** Ch. # (M)10247

1830 **Chicago** - $5.00 1902 Fr. 609 **The Lawrence Avenue NB** Ch. # 12874

The look of an absolute Gem, but there are a couple of light folds, as well as an old sheet fold in the bottom margin. **About Uncirculated**. (150-225)

1834 **Cuba** - $5.00 1902 Fr. 606 **The First NB** Ch. # 11144

A scarce note from an interestingly named location which is always popular. This would make a nice pair with the Cuba, New York Brown Back offered in the New York section. **Very Good-Fine**. (150-300)

1835 **Decatur** - $5.00 1882 Date Back Fr. 535 **The Millikin NB** Ch. # (M)5089

A nice, evenly circulated example with great centering for this issue. Pleasing **Fine-Very Fine**, with perfect signatures. (125-225)

1836 **Delavan** - $5.00 1902 Fr. 600 **The Tazewell County NB** Ch. # 3781

1837 **Delavan** - $10.00 1902 Fr. 626 **The Tazewell County NB** Ch. # 3781

A nice mate to the serial number 1 small note offered below. There is a faded inked date of 7/25/26 on the face below the left charter number, but otherwise this note is a nice **Crisp Uncirculated** example. (175-325)

1838 **Delavan** - $5.00 Ty. 1 **The Tazewell County NB** Ch. # 3781

Attractive serial number 1 example from the first note on the sheet. **Crisp Uncirculated**, with a small repaired split at the top center. (300-500)

1839 **East St. Louis** - $10.00 1902 Fr. 632 **The Southern Illinois NB** Ch # 5070

An absolutely beautiful note which combines great color, a nice layout, and real bank rarity in an unbeatable combination. Pen signed **Choice Crisp Uncirculated**, a winning note if ever there was one. (800-1200)

1842 **Elgin** - $10.00 1902 Fr. 624 **The Union NB** Ch. # 7236

An attractive note from this fast growing suburb of Chicago, and a nice match to the Brown Back on the First NB of Elgin offered above. **Crisp Uncirculated**, with enough handling creases to preclude the choice designation. (175-325)

1843 **Erie** - $5.00 Ty. 1 **The First NB** Ch. # 6951

An extremely scarce family operated bank whose last offering at public sale came on a fixed price list some 15 years ago. **Very Fine**. (200-400)

1844 **Findlay** - $5.00 1902 Fr. 598 **The First NB** Ch. # 6861

An excessively rare bank which issued large notes only before its demise in 1927. Our records indicate only one prior offering of any note from this bank at public sale, that coming in the Grinnell sale of 1946. While we know that other notes from here exist, this is still a rare enough bank so that 50 years have gone by between public offerings. **Extremely Fine**. (450-750)

1845 **Hillsboro** - $10.00 1902 Date Back Fr. 616 **The Hillsboro NB** Ch. # (M)2789

A tougher large size note. Pen signed **About Fine**. (75-125)

1846 **Hinsdale** - $20.00 Ty. 2 **The First NB** Ch. # 11308

The last note issued by this rare suburban Chicago bank. The only institution chartered in this small town, it elected to issue Type 2 notes only. This example is considerably nicer than any we've encountered or heard of. **Crisp Uncirculated**. (250-450)

1847 **Jacksonville** - $10.00 1882 Value Back Fr. 577 **The Ayers NB** Ch. # (M)5763

Decent **About Fine** Value Back, but with the usual poor trim, with this example cut considerably into the design at the bottom. Still worth… (125-225)

1848 **Kewanee** - $20.00 Ty. 1 **The First NB** Ch. # 1785

Gem Crisp Uncirculated and bearing low serial number E000003A. (125-175)

1849 **La Harpe** - $5.00 Ty. 1 **The First NB** Ch. # 8468

An excessively rare small note from a tiny western Illinois bank. Our records indicate that this example is the only note from this one bank community to be offered at public sale in the past five decades. Nice **Fine**, a great opportunity for the fortunate collector who brings home this note to obtain a new town for his collection. (300-600)

1850 **La Salle** - $10.00 1882 Value Back Fr. 577 **The La Salle NB** Ch. # (M)2503

Like all of these, a Gem but for centering, which is, as usual, wretched. **Choice Crisp Uncirculated**. (500-900)

1851 **Litchfield** - $10.00 Fr. 628 **The Litchfield NB** Ch. # (M)10079

A very scarce bank in this state of preservation. Pen signed **Choice About Uncirculated**, one well hidden center fold from Gem. (175-325)

An exceptionally scarce note, particularly in large size. The last recorded offering from this location was a small note which fetched $209.00 in our Memphis 1994 Sale. This pen signed **Very Good-Fine** large example should see bidding end in the range of... (250-450)

1853 **Martinsville** - $10.00 1902 Fr. 624 **The First NB** Ch. # 6721

A very scarce bank in very high grade. **Crisp Uncirculated**, with violet signatures. (225-425)

1854 **Mascoutah** - $5.00 1902 Fr. 601 **The First NB** Ch # (M)9736

The highest grade note from this small town across the river from St. Louis which we have seen. **About Uncirculated**, pen signed and bright. (250-450)

1855 **Mattoon** - $50.00 Ty. 1 **The NB of Mattoon** Ch # 10045

An extremely rare bank in small size, particularly in the high denominations. **Very Good**. (200-400)

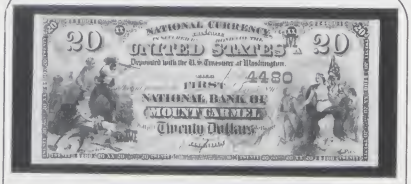
A tougher note from Iroquois County. **Fine**. (125-225)

1857 **Monmouth** - $5.00 1902 Fr. 601 **The NB of Monmouth** Ch. # (M)4400

A very high grade example from this bank. **Crisp Uncirculated**, kept from the Choice designation by the tight bottom margin. (175-325)

1858 **Morrison** - $10.00 1902 Fr. 624 **The First NB** Ch. # 1033

A lovely note with excellent margins and signatures, removed from the Gem class by just a trace of handling. **Choice Crisp Uncirculated**. (200-400)



1859 **Mount Carmel** - $20.00 1882 Fr. 498 **The First NB** Ch. # (M)4480

A beautiful Brown Back from a very scarce bank. Pen signed and with great color, this is a premium example which would be a flaming Gem with just a little more margin at the top. **Choice Crisp Uncirculated**. (700-1100)

1860 **Mulberry Grove** - $20.00 1902 Date Back Fr. 642 The First NB Ch. #(M)7379

A nicely pen signed Date Back from this hard to obtain location. **Fine-Very Fine**. (200-400)

1861 **Murphysboro** - $10.00 1902 Fr. 628 **The City NB** Ch. # (M)4804

Very bright and attractive **About Uncirculated** example from this small southern Illinois location. (175-325)

1862 **Normal** - $5.00 Ty. 1 **The First NB** Ch. # 4930

This is just a plain rare bank in both large and small size. We note only two offerings from here in five decades, the last coming in our January, 1992 sale, where a considerably lower grade example realized $330.00. **Fine**. (300-500)

1863 **O'Fallon** - $20.00 1902 Fr. 650 **The First NB** Ch. # (M)6924

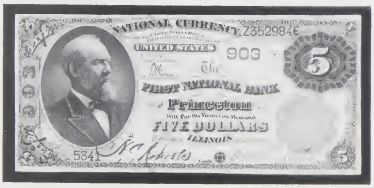
Unusually broad margins highlight this example from downstate St. Clair County, opposite St. Louis. **Choice Crisp Uncirculated**. (200-300)

1864 **Paris -** $100.00 1882 Fr. 525 **The Edgar County NB** Ch. # (M)2100

A decent, evenly circulated example of this very scarce type. The $100.00 Brown Back, never a common note in any grade, has become virtually impossible to obtain as the very limited supply has been sucked up by collectors seeking to complete their type sets. **Fine**, with a tiny chip out of the top margin. (800-1200)

1865 **Polo -** $5.00 Original Fr. 399 **The Exchange NB** Ch # 1806

A lovely First Charter with the brightness and flash of a note printed last night. The bottom margin is a trifle close, and the corners could be a touch sharper, but to grade this note anything less than **Choice Crisp Uncirculated** would be a travesty. This is the kind of old time quality that has simply disappeared from today's marketplace. (700-1200)



1866 **Princeton -** $5.00 1882 Fr. 467 **The First NB** Ch. # 903

A high end Brown Back, a very scarce early note from this sought after location. **Crisp Uncirculated.** (450-850)

1867 **Princeton -** $10.00 1902 Fr. 624 **The First NB** Ch. # 903

An always in demand town which ought to be more plentiful than it is. **Very Good-Fine**. (60-100)

1868 **Rockford -** $20.00 Ty. 1 **The Rockford NB** Ch. # 1816

The sheet mate to the example we sold in our last Orlando sale which fetched $379.50. Here's another chance for the many underbidders who wanted a Choice example from this avidly collected location. **Choice Crisp Uncirculated**. (250-450)

1869 **Springfield -** $10.00 1902 Date Back Fr. 616 **The First NB** Ch. # (M)205

A lovely state capital example fit for the finest of collections. Pen signed **About Uncirculated**. (150-250)

1870 **Springfield -** $10.00 1902 Fr. 624 **The First NB** Ch. # (M)205

Just as nice as the example offered above, only this one is a plain back. **About Uncirculated**. (125-225)

1871 **Springfield -** $10.00 1902 Date Back Fr. 618 **The Ridgely NB** Ch. # (M)1662

Large notes only from Springfield's only private name bank, which was liquidated in early 1919. **Very Fine**, with signatures of Franklin and Wm. Ridgely. (150-250)

1872 **Springfield Starter Collection**

Springfield - $10.00 1902 Date Back Fr. 616 **First NB** Ch. # (M)205 **VF**

$10.00 1902 Date Back Fr. 618 **Ridgely NB** Ch. # (M)1662 **F**

Four pieces, each considerably better than average. (175-250)

1873 **Stonington -** $10.00 1882 Date Back Fr. 545 **The First NB** Ch. # (M)5291

A most attractive early example from this ultra-scarce one bank town. The only offering of any kind from this location since 1973 came back in our first sale in 1990, when a small note from here realized over $300. Bright **Fine-Very Fine**, one of the very best notes to come from the Illinois cash hoard offered here, and almost certain to see bidding reach the range of... (500-800)

1874 **Streator -** $100.00 Ty. 1 **The Union NB** Ch. # 2176

High denominations only from this elusive bank in small size, with this example about the nicest we've observed. **Extremely Fine-About Uncirculated**. (250-450)

1875 **Taylorville -** $10.00 1902 Fr. 626 **Taylorville NB** Ch. # (M)8940

There is a trace of an old fold here, so we will be super conservative and grade this as **Choice About Uncirculaed**, although we would give odds that this will be sold as New as soon as it leaves our holder. (175-325)

1876 **Trenton -** $20.00 1902 Fr. 654 **The First NB** Ch. # 10125

An extremely scarce southern Illinois bank. We have recorded only four offerings from here of any kind, the last several years ago when a small size example appeared on a fixed price list. **About Fine**, with a couple of tiny rust spots in the far right margin more than made up for by the attractively penned turquoise bank signatures. (300-600)

1877 **Villa Grove -** $10.00 1902 Date Back Fr. 616 **The First NB** Ch. # (M)7088

Another neat item from the Illinois cash hoard, and again the highest grade large note we've seen offered from this scarce one bank town in many years. **Very Fine-Extremely Fine**, with distinctive purple signatures. (300-500)

1878 **Virginia -** $10.00 1882 Date Back Fr. 542 **The Centennial NB** Ch. # (M)2330

Easily the highest grade example we've ever seen from this intriguingly titled institution. This bank, like its similarly named Philadelphia sibling, was chartered in the centennial year of American independence, 1876. The specimen we offer here is new to the market, having come to us directly from the cash hoard uncovered in the Springfield area. The note is exceptionally bright and bears only small traces of circulation, with strong pen signatures and excellent color. **Very Fine-Extremely Fine**, a great note for both the title or the state collector. (400-800)

1879 **Waverly -** $20.00 1902 Fr. 660 **The First NB** Ch. # 6116

A handsome pen signed example from the 1922 plate run, making this a so-called "Fourth Charter" example. **Very Fine-Extremely Fine**. (125-225)

1880 **Wayne City -** $10.00 1902 Fr. 631 **The First NB** Ch. # 10460

An excessively rare note from a one bank town which has had no offerings at public sale in over 20 years. Expect to see some spirited competition on this evenly circulated **Fine** example. (400-800)

1881 **White Hall -** $10.00 1902 Date Back Fr. 616 **The White Hall** Ch. # (M)7077

Pen signed **Fine-Very Fine** example from this tougher bank, with just a bit of circulation soil showing only on the reverse. (175-275)

1882 **Wood River -** $5.00 1902 Fr. 607 **The First NB** Ch. # 11876

Bright **Very Fine+** example from Madison County. There are a handful of non-distracting pinholes, more than offset by the sharp purple stamp signatures. (150-250)

1883 **Illinois Large Size Selection**

Chicago - $20.00 1902 Fr. 654 **NB of the Republic** Ch. # 4605 **F**

Geneseo - $20.00 1902 Fr. 650 **First NB** Ch. # (M)534 **F**

Peoria - $20.00 1902 Fr.. 658 **Merchants & Illinois NB** Ch. # 3254 **F**, corner tip off

Quincy - $20.00 1902 Fr. 652 **Quincy-Ricker NB** Ch. # 3752 **VG-F**

Springfield - $20.00 1902 Fr. 650 **First NB** Ch. # 205 **VF**

Taylorville - $10.00 1902 Fr. 626 **First NB** Ch. # 3579 **VG-F**

Total seven pieces. (250-350)

An attractive example of this scarcer early Evansville type. **Fine-Very Fine**. (175-325)

1886 **Evansville -** $5.00 Ty. 2 **The Citizens' NB** Ch. # 2188

Well centered **Gem Crisp Uncirculated**. (40-60)

1887 **Fowler -** $10.00 1902 Fr. 633 **The First NB** Ch. # 5430

A magnificently centered note with great freshness and originality. **Gem Crisp Uncirculated**, the kind of quality item which is so seldom available on today's market. (300-500)

Rare Gem Uncirculated Type 2 Fifty

1888 **Indianapolis -** $50.00 Ty. 2 **American NB** Ch. # 13579

This type and denomination is by far the most difficult to obtain in this grade of any of the small size Nationals. The example we offer here is fully equal to (and only six digits away from) the Gem example we sold several sales ago which realized $1485.00 on an estimate of $600-900. This well centered **Gem Crisp Uncirculated** example is certain to become one of the highlights of the collection it now enters. (1000-1500)

1922 **Owenton -** $100.00 1902 Date Back Fr. 689 **The First NB** Ch. # 2868

A very scarce bank, and a very scarce type and denomination, particularly in this grade, from the entire state. Pen signed **Choice Crisp Uncirculated**, a rare piece last on the market in 1981, when it was sold by New England Rare Coin Galleries to our consignor. (1500-2500)

1923 **Somerset -** $10.00 1902 Fr. 626 **The First NB** Ch. # (S)3832

A better Kentucky bank which is seldom offered in large size. **Fine+**. (100-150)

MAINE

1924 **Augusta -** $10.00 1902 Fr. 632 **First National Granite Bank** Ch. # 498

This is a tough state capital to find in large size, particularly in the higher grades. This example is definitely one of the better ones we've encountered. Nice **Very Fine**, cut a bit close at the bottom but still bright and attractive. (100-150)

Maine Red Seal

1924A **Belfast -** $20.00 1902 Red Seal Fr. 639 **The City NB** Ch. #(N)7586

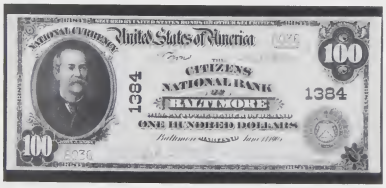
MARYLAND



1926 **Baltimore -** $100.00 1902 Fr. 698 **The Citizens NB** Ch. # 1384

An unusually nice high denomination example. There are a few very minor handling marks and the bottom margin is a touch close on the right, but color, paper quality, and originality are all quite apparent. **Choice Crisp Uncirculated**, the kind of quality that is rapidly disappearing from today's market. (1400-1900)

1927 **Baltimore -** $5.00 1882 Date Back Fr. 537 **The Old Town NB** Ch. # (E)5984

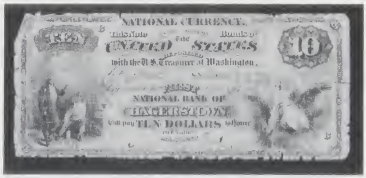
A Hagerstown Trio



1932 **Hagerstown -** $10.00 1875 Fr. 416 **The First NB** Ch. # 1431

The only First Charter we've ever had to offer from Hagerstown, but the grade is unfortunately in inverse proportion to its rarity. **Good**, with margin erosion, splits, etc. (200-400)

1933 **Hagerstown -** $10.00 1902 Fr. 626 **The Second NB** Ch. # (E)4049

Much higher grade than normal from this bank. **Extremely Fine+**, with good signatures. (125-225)

MASSACHUSETTS

1936 **Amesbury -** $5.00 1902 Fr. 598 **The Powow River NB** Ch. # (N)1049

A scarcer Massachusetts note with a great title. This example, with signatures of John Gibbons and Benj. F. Sargent, is far nicer than virtually all of the other examples from here we've seen. **Very Fine**, with one tiny chip out of the top margin mentioned only for the sake of accuracy. (125-250)

Rare First Charter Fifty

1937 **Boston -** $50.00 Original Fr. 442 **The National Exchange Bank** Ch. # 529

A new addition to the census of these undervalued notes. Well circulated but intact **Very Good**, with the usual close New England trim. There is one split on the right side, and an inked number and initials above the left vignette, but overall this is a decent example with which to cover this rare type. (1500-2250)

1938 **Boston -** $1.00 1875 Fr. 383 **The Boylston NB** Ch. # 545

Bright blue end paper variety, with excellent color and brightness for the grade. **Very Fine+**, with the typical New England close trim on three sides. (175-325)

1939 **Boston -** $2.00 Original Fr. 387 **The Boylston NB** Ch. # 545

A most attractive Lazy Deuce without even a hint of circulation. **Crisp Uncirculated**, taken from the Choice category only by the typical close margins and a handling mark at the upper right. (1500-2200)

1942 **Milton -** $20.00 Type 1 **The Blue Hill NB** Ch. # 684

Unreported in small size and possibly unique thereto date, with this bank being one of only five in the state listed as unreported in small size. Issued in small quantities for only one year, it is likely that this may be the only opportunity in a very long time to acquire a small note from this bank. **About Fine** (250-450)

1943 **Woburn -** $1.00 Original Fr. 380 **The First NB** Ch. # 746

A very scarce Massachusetts town which had four banks, each of which is extremely rare in large size. This is the first example of any kind we've ever had from this bank, not surprising in view of the fact that the last offering from here came back in 1983. **About Fine**. (225-450)

1944 **Worcester -** $1.00 Original Fr. 380 **The City NB** Ch. # 476

1947 **Cassopolis** - $5.00 Ty. 1 **The First NB** Ch. # 1812 Uncut Sheet

This **Choice Crisp Uncirculated** sheet is part of a small hoard now well dispersed. (500-700)

1948 **Crystal Falls** - $10.00 1902 Fr. 632 **The Crystal Falls NB** Ch. # 11547

1954 **Ithaca** - $5.00 1902 Fr. 598 **The Ithaca NB** Ch. # (M)6485

Not the usual state which comes to mind when Ithaca is mentioned, but this is an excessively rare Michigan location. Our records indicate that despite all of the great Michigan holdings sold in the past five decades, including the fabled Grinnell Collection, none contained even one note of any kind from this location. In fact, in our data base of over 180,000 listings, we have no record of any public offering of any note from here for sale. **Fine-Very Fine**, with purple signatures, a note certain to attract the interest of the many avid collectors of this state's notes. (350-700)

1955 **Lake Linden** - $10.00 1902 Date Back Fr. 618 **The First NB** Ch. # (M)3948

1956 **Lansing** - $10.00 1902 Fr. 625 **The City NB** Ch. # 3513

Easily the nicest large size Lansing note we've ever seen for sale. Notes from this state capital normally just do not come nice, making this example a happy exception. **Choice Crisp Uncirculated**. (250-450)

1957 **Mount Clemens** - $10.00 Ty. 1 **First NB** Ch. # 12971

Very Good+ (50-100)

1958 **Norway** - $20.00 1902 Fr. 650 **The First NB** Ch. # 6863

1959 **Pontiac** - $10.00 1902 Fr. 635 **First NB** Ch. # 12288

MISSOURI

1965 **Caruthersville** - $10.00 1902 Fr. 632 **The First NB** Ch. # 10784

An extremely scarce note from the Missouri bootheel. Even the massive Missouri collection we sold over two sales in 1990-1991 contained only one large note from this bank. We've not had one, nor seen one for sale since. **About Fine**. (300-600)

1966 **Chillicothe** - $10.00 1902 Fr. 626 **The First NB** Ch. # 3686

1968 **Linn Creek** - $20.00 Ty. 1 **The First NB** Ch. # 7853

2002 **Bellport -** $5.00 1902 Fr. 609 **The Bellport NB** Ch. # 12473

This prohibitively rare Suffolk County bank had a minuscule outstanding of $540 in large notes in 1935. This example, one of only three in existence to our best knowledge, grades a clean **Fine** and is certain to see considerable interest. (1250-1750)

2006 **Chittenango -** $5.00 1875 Fr. 401 **The First NB** Ch. # 179

An extremely scarce bank which issued First Charters only before liquidating in 1883. This example last sold in our Memphis 1995 auction, where it brought $990 on a $400-$800 estimate. Nice **Fine**, very bright for the grade and certain to please. (600-900)

A scarce large size note from one of the more bucolic areas of Dutchess County. **Very Good**, with a few minor margin nicks. (100-200)

Unique Long Island Type 2 Fifty

2012 **Franklin Square -** $50.00 Ty. 2 **The Franklin Square NB** Ch. # 12997

An extraordinary piece which is one of the best Long Island notes we have ever been privileged to offer. This bank was the sole bank on Long Island to issue Type 2 fifties and hundreds. Only 204 pieces were issued, with this $50.00 example the sole known survivor. Our census indicates only four known examples from this bank in any denomination, with no notes of any kind being offered since 1985, when this example last traded hands. The other three notes were sold in a 1981 auction and have remained ensconced in the same collection since. Hard to estimate, since unique is by definition one of a kind, but this piece **Very Fine** example should certainly see bids in the range of (1250-2250)

(500-900)

2017 **Mariner Harbor -** $10.00 Ty. 2 **The Mariner Harbor NB** Ch. # 8194

2030 **Nyack -** $20.00 1902 Fr. 658 **The Nyack NB** Ch. # 2378

2031 **Oneida -** $10.00 1882 Date Back Fr. 545 **The National State Bank** Ch. # (E)2401

A gorgeous Date Back which is far nicer than most examples of its type we've seen graded as New. The centering is simply incredible for a note of this type, and the note is as bright as one printed yesterday. **Choice About Uncirculated**, a premium piece if ever there was one. (350-550)

2032 **Port Henry** - $10.00 1902 Fr. 627 **The First NB** Ch. # (E)1697

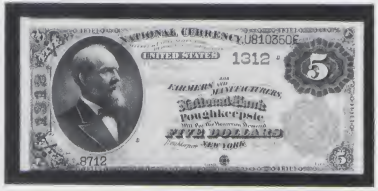
2033 **Port Richmond** - $10.00 1902 Red Seal Fr. 613 **The Port Richmond NB** Ch. # (E)6198

A very rare note, with only three examples known from this location. This example, an old friend, is by a considerable margin the finest of the trio. It traces its pedigree from the coin department of Gimbel's department store in 1968 to the collection of Robert Hoskins, thence to your cataloguer, as part of his New York City collection, then to Walter Dornfest in 1982, and finally to Currency Auctions of America when the Dornfest Collection was auctioned in 1990. Bright **Very Fine**, with the appearance of an even higher grade example. (350-650)



2034 **Poughkeepsie** - $5.00 1882 Fr. 468 **The Farmers & Manufacturers NB** Ch. # 1312

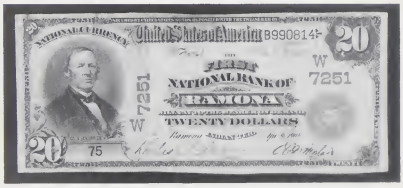
Max Mehl sale of the Grinnell Collection. **Very Fine**, trimmed a bit close but otherwise perfect for the grade. (450-900)

INDIAN TERRITORY

Unique Indian Territory Red Seal



2063 **Ramona -** $20.00 Red Seal Fr. 639 **The First NB** Ch. # (W)7251

The existence of this note represents a true miracle of survival. This bank, the only one chartered in this bleak northern Oklahoma location, lasted for only four years, issuing a mere 457 sheets of Territorial Red seals. By 1916, a mere eight years after the bank's demise, a paltry $310 was outstanding. The note we offer here has an illustrious pedigree, from Amon Carter, Jr. to Bill Bailey and thence to our consignor, who has owned it for over 20 years. Pen signed **Fine**, with a bit of soil on the reverse but exceptionally bright for the grade. We don't often say it, but the opportunity to own this note may well be a once in a lifetime chance. (3500-5500)

2065 **Wakita -** $20.00 1882 Fr. 504 **The First NB** Ch. # (W)5982

Now that Aubrey Beebe's uncut Territorial sheet from this bank has been permanently taken off the market after its donation to the American Numismatic Association Museum, this example is the only note from this excessively rare town available to collectors. **Very Fine**, a great Territorial worthy of the finest of collections. (3000-4500)

2066 **Ada -** $10.00 1882 Value Back Fr. 578 **The First NB** Ch. # (W)5620

2071 **Maud** - $20.00 Ty. 1 **The First NB** Ch. # 8294

An excessively rare Oklahoma bank which has had only one public offering of any kind in the last 50 years. The only bank to issue from here, this thinly capitalized institution had a minuscule circulation which virtually guarantees that this note will be forever rare. Nice **Fine+**, a great item well worth an aggressive bid in the range of... (400-800)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in September of 1996!

Extremely Rare State Issue Red Seal

2072 **McAlester** - $10.00 1902 Fr. 615 **The City NB** Ch. # (W)6406

The admission of Oklahoma into the union in November of 1907 occurred just at the end of the issuing period for Red Seal nationals. Those banks issuing Territorial Red Seals converted their plates to state issues, but within a few months these banks began to issue the new blue seal date backs. The number of state Red Seals known is quite small, with this example being the first we have handled in over 25 years in the business. It is the only such example our consignor could locate in over 30 years of collecting as well. **Fine-Very Fine**, with one very minor split at the bottom of the note, a great item worth at least... (1000-2000)

2073 **Muskogee** - $10.00 Ty. 2 **The Citizens NB** Ch. # 12918

2074 **Oklahoma City** - $10.00 Ty. 1 **The First NB & TC** Ch. # 4862

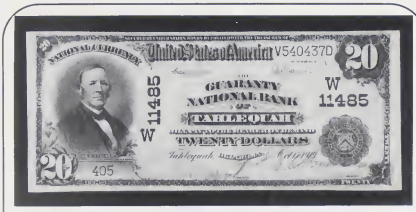
2076 **Purcell** - $10.00 1902 Fr. 627 **The Chickasaw NB** Ch. # (W)4756

Pleasing **Fine** example with bright purple signatures. (125-225)

2077 **Ringling -** $20.00 1902 Fr. 657 **The First NB** Ch. # 10548

A tougher bank, and particularly scarce in large size. Evenly circulated **Very Good+**, with no problems whatsoever. (250-450)



2078 **Tahlequah -** $20.00 1902 Fr. 658 **The Guaranty NB** Ch. # (W)11485

A great combination of rarity and condition from a bank which issued only a relative handful of notes in its brief six year existence. In our data base of almost 180,000 public offerings spanning a 50 year period, we can not find even one appearance of a note from this bank offered at public sale. **Extremely Fine-About Uncirculated**, with striking deep violet signatures, a note fit for the finest of collections. (500-1000)

2083 **Heppner** - $10.00 Ty. 1 **The First NB** Ch. # 3774

A fantastic new discovery which is sure to create some excitement amongst this state's collectors. This bank is one of only seven Oregon banks which issued Series 1929 notes to be unreported in small size. In fact, while large notes are known from here, our records indicate that in the past 50 years there has never been a public offering of any note from this bank. Crisp **About Uncirculated**, a great note which is certain to see some spirited bidding to determine who is lucky enough to take it home. (750-1250)

A scarcer Berks County example. **About Fine**. (100-200)

2087 **Birmingham** - $1.00 1875 Fr. 385 **The First NB** Ch. # 926

2091 **Bristol** - $5.00 1902 Fr. 598 **The Farmers NB of Bucks County** Ch. # (E)717

A note with absolutely incredible color and flash. Green pen signatures combine with the blue overprint and vivid black inking to produce an effect that is nothing short of amazing. This doesn't look as if it were printed yesterday, it looks as though it were printed about 10 minutes ago. **Gem Crisp Uncirculated**, and then some. (400-600)

2092 **Bryn Mawr -** $5.00 Ty. 2 **The Bryn Mawr NB** Ch. # 3766

An absolutely gorgeous note from this affluent Main Line suburb in avidly collected Delaware County. Rare Rosecrans-Morgan Signatures

2098 **Ephrata -** $5.00 1882 Fr. 473 **The Farmer's NB** Ch. # 2023

The Rosecrans-Morgan signature combination is the only truly rare pairing found on the Brown Back series. In office together for only 18 days, only a literal handful of banks issued with these signatures. It has been several years since we have had any note with this short-lived combination to offer in any grade, with the example being the only Uncirculated $5.00 we've ever handled. This well-margined beauty may well be the finest note extant bearing this rare signature combination. **Choice Crisp Uncirculated**, a lovely example fit for the finest of collections. (1500-2500)

2101 **History of the Gettysburg National Bank.**

Produced in 1914 on the occasion of the Centennial of the bank, this privately published 128 page hard cover book lovingly details the first 100 years of the institution. It is signed inside the cover by Lloyd Gettys. Also included with the book is a rent receipt from 1800 for 14 years rent (1786-1800) on some property in downtown Gettysburg. It is signed by James Gettys. There are also two October, 1975 letters researching the enclosed receipt and a photograph of an interesting grave monument of the Gettys family. All these items came to us along with lot 2102. (150-up)

2153 **Salem** - $20.00 Ty. 2 **The McCook County NB** Ch. # 12784

Although chartered in 1925, this bank elected to issue only Series 1929 examples, and those only in the $20.00 denomination. Only a minuscule 269 sheets were issued over a six year period, and, of that number of notes, we can find records of only three offerings, the last at auction almost 15 years ago. **Very Fine**, truly one of the rarest small notes from this tough state we have ever offered. (400-800)

TENNESSEE

Nice **Fine**, a great opportunity for a collector to add a new town to his holdings. (300-600)

Excessively Rare Athens Note

2160 **Athens** - $50.00 Ty. 1 **The Athens NB** Ch. # 6400

Easily the rarest Texas small note we've ever offered, and likely the rarest Texas small note in existence, as this bank issued a grand total of 90 small size notes (that's notes, not sheets) over a two year period. All were fifties and hundreds, with this piece, the top note on the last sheet issued, the only known survivor. **Choice Crisp Uncirculated**, a wonder note and a miracle of survival if ever there was one. (1250-1750)

2161 **Austin** - $10.00 1902 Fr. 627 **The Austin NB** Ch. # (S)4308

2173 **Brownwood** - $20.00 Ty. 2 **The Citizens NB** Ch. # 13588

Easily the finest single note we've seen or heard of from this bank. **Extremely Fine**. (175-350)

2174 **Brownwood** - $10.00 Ty. 2 **The Citizens NB** Ch. # 13588

We are pleased to have a pair of notes to offer from this very scarce bank. While an uncut sheet is known, single notes from here are virtually never available. Our records indicate that the last offering from here was back in 1990, with no previous offerings at all in the 1970's or 1980's. **Fine**, with a small pink stain on the reverse. (125-250)

2175 **Bryan** - $50.00 Ty. 2 **The City NB** Ch. # 4070

2179 **Cameron** - $20.00 Ty. 1 **The First NB** Ch. # 4086

2180 **Cameron** - $20.00 Ty. 1 **The Citizens NB** Ch. # 5484

Very Good. (75-150)

2188 **Dallas** - $5.00 1902 Fr. 600 **The American Exchange NB** Ch. # 3623

2191 **Dallas** - $50.00 Ty. 1 **North Texas NB** Ch. # 12736

2193 **Del Rio** - $5.00 Ty. 1 **The First NB** Ch. # 5294

2194 **Del Rio** - $20.00 Ty. 2 **Del Rio NB** Ch. # 7433

Del Rio's other issuing bank, and, while not nearly as rare as the above example, not a common note either. **Fine**. (75-125)

2202 **Fort Worth** - $100.00 1882 Fr. 523 **The Farmers & Mechanics NB** Ch. # 4004

A great Texas rarity and from the right location as well. This exciting new discovery recently surfaced in a midwestern cash hoard and was the only note in the group from west of the Mississippi River. An excessively rare note from one of the smallest issuing banks in the state. Even the famed Irish collection lacked an example of any kind from here, not surprising considering the fact that this bank issued but a handful of notes and had but $800 in large notes outstanding in 1935. Our records indicate no offerings of any kind from this bank over a 50 year period as well. **Very Good**, with one small paper clip stain visible on the reverse, a great note worthy of a strong bid. 2225 **La Grange -** $10.00 1902 Fr. 626 **The First NB** Ch. # 3906

A simply beautiful note which has it all, including great color and full originality. **Gem Crisp Uncirculated**. (350-650)

2226 **Laferia** - $50.00 Ty. 1 **The First NB** Ch. # 12747

A very scarce Rio Grande Valley bank which elected to issue $50.00 Type 1 and $20.00 Type 2 notes only. Only a relative handful of each were issued, and survivors are few and far between, as the paucity of public offerings (three in the past five decades) indicates. **Fine-Very Fine**. (350-650)

2232 **Lubbock** - $50.00 Ty. 1 **The Citizens NB** Ch. # 8208

Notes from this west Texas location are always in demand, and we are lucky enough to have a couple to offer, with this example the highest grade small note we've seen from here. 2238 **Mineola** - $5.00 Ty. 1 **The First NB** Ch. # 5127

A really rare note from rural Wood County in NE Texas. **About Fine**, with a few pinholes as well as a small piece of a bank stamp which really does not detract at all. (150-300)

An excessively rare note from the only bank in Leon County to issue. In over five decades, with almost 180,000 listings, we have found only one public offering of any example from this location, that being a 1987 auction appearance. **Fine**, with some discoloration, although most of that is on the reverse, but a significant note nevertheless. (300-600)
